Anderson,2024-10-30 First Published in 1971 The Festivals of Nepal describes the most important festivals from the country which have been arranged according to the ancient Nepalese calendar beginning with the New Year in mid April The author provides moreover a brief introductory sketch of Nepalese geography history and religion to give background to what follows When Mary Anderson began her five year residence in Kathmandu as the wife of a diplomat she attended the frequent Nepalese festivals up and down the Valley because they were mysterious colourful and great fun But soon she became more deeply absorbed in the meaning of these ancient activities as she grew quickly aware that to the Nepalese themselves the ancient processions and rituals were of great importance Somewhere almost every day there seems to be in Nepal a festival of some kind but now that this hitherto secret land has been opened up to tourists and foreign influences much of this historic pageantry may well be lost The modernization of Nepalese society is certain to have its effects but when these artless celebrations become the goal of spectators from outside they will also lose its spontaneity Mary Anderson was determined to record as many of them as she could explaining their mythological religious and historical backgrounds and relating some of the wealth of legends and folk tales that surround them This is an interesting read for students of sociology of culture South Asian studies South Asian religion and culture and Hindu religion **Lonely Planet Nepal** Lonely Planet,Bradley
