Office Ladies Factory Women Life And Work At A Japanese Company:

Office Ladies/Factory Women Jeannie Lo,1990-06-05 Based on questionnaires and on Lo s two year stint with the company 1986 87 examines the lives and condition of women working in the offices and on the assembly lines at Brother Industries in Nagoya Japan Annotation copyright Book News Inc Portland Or **Office Ladies/Factory Women:** Jeannie Lo,2016-09-16 First Published in 1990 In this extraordinary work of research and informed observation Jeannie Lo describes her experiences as an OL office lady and working as a factory woman on a typewriter assembly line at Brother Industries in Nagoya Japan **Japanese Women Working** Janet Hunter,2003-10-04 Japanese Women Working provides a wide range of perspectives on the study of working women in Japan over the last century Contributors address issues of state policy towards and management of women workers and also provide accounts of the experiences of particular groups of workers domestic servants hospital care assistants textile workers miners homeworkers and professional housewives The book highlights many of the issues and decisions that have faced working women in Japan and calls into question the accuracy of the prevailing domestic stereotype of Japanese women Essays included span a period rapid economic change and look at Japan as an industrializing country indicating the importance of the overall economic environment as well as taking into account cultural factors in determining women s position in the labour market Bringing together contributions by historians economists anthropologists and management specialists from Europe Japan and the United States the book underlines the importance of a multidisciplinary approach to the study of women working It is a major addition to the existing English language literature on Japanese Women and will make life easier for non specialists to inform themselves about a critical area of Japanese social and economic development **Religion in Japanese Daily Life** David C. Lewis,2017-09-22 Are Japanese people religious and if so in what ways David Lewis addresses this question from the perspective of ordinary Japanese people in the context of their life cycles and explores why they engage in religious activities He not only discusses how Japanese people engage in different religious practices as they encounter new events in their lives but also analyses the attitudes and motivations behind their behaviour Activities such as fortune telling religious rites in the workplace ancestral rites and visits to shrines and temples are actually engaged in by many people who view themselves as non religious but express their motivations in terms other than the conventional religious ones This book outlines the religious options available and assesses why people choose particular religious activities at various times in their lives or in specific circumstances The author challenges some widespread assumptions about religion in urban and industrial contexts and also shows how some of the underlying motivations behind Japanese behaviour are expressed both in religious and non religious forms *The MIT Encyclopedia of the Japanese Economy* Robert C. Hsu,1999 The MIT Encyclopedia of the Japanese Economy was the first English language encyclopedia to cover all major aspects of Japan s postwar economy The second edition has been fully revised and expanded and includes previously unpublished data as well as coverage of recent

developments in the economy The definitional entries concisely explain major economic concepts and include translations of Japanese economic terms and cross references to the longer topical essays The 180 topical essays cover banks financial systems major industries corporate groups management practices labor unions international trade and investments government economic policies and more They also include comprehensive statistics American and Japanese views on economic relations between the two countries and suggestions for further reading A new index contains names of major companies

Social Inequalities in Comparative Perspective Fiona Devine, Mary C. Waters, 2008-04-15 This unique collection of original essays brings a comparative perspective to issues of social inequality First rate sociologists from around the world have contributed to this exciting and rigorous volume drawing upon their own research in the fields of race and ethnicity class and inequality and gender and sexuality Contains original essays by first rate scholars on issues of social inequalities around the world Features research and examples from the USA Canada UK Australia France Portugal Finland and Japan Reviews research on issues of social inequalities from the fields of race class and gender Reflects on methodological issues and the strengths of qualitative research Provides students with an important overview of the development of social stratification studies

The Changing Face of Japanese Retail Louella Matsunaga, 2012-09-10 This book examines employment structure working practice and recruitment strategies in Japanese retail in the 1990s through a case study of one large chain store Issues focused on include gender in the workplace changing notions of corporate community and the impact of Japan's recent recession In particular the research presented here challenges the view of part time female staff as peripheral to the workforce and asks whether a rethink of the Japanese employment system is now overdue

The Mountain is Moving Patricia Morley, 1999 In Imperial times in Japan women were subservient inferiors in theory they were liberated by the democratic constitution imposed by the US after World War II but in real life Japan change is glacially slow Here that slow changing reality is juxtaposed with the fast moving aspirations of Japanese women The author achieves this through wide ranging interviews with Japanese women and by using a range of contemporary Japanese literature

Design and Modernity in Asia Yunah Lee, Megha Rajguru, 2022-10-20 This new edited volume of critical essays examines designs for modern living in Asia between 1945 and 1990 Focusing particularly on the post World War II and postcolonial years this book advances multidisciplinary knowledge on approaches to and designs for modern living Developed from extensive primary research and case studies each essay illuminates commonalities and particularities of the trajectories of Modernism and notions of modernity their translation and manifestation in life across Asia through design Authors address everyday negotiations and experiences of being modern by studying exhibitions architecture modern interiors printed ephemera literary discourses healthy living movements and transnational networks of modern designers They examine processes of exchange between people institutions and with governments in and across Asia as well as with the USA and countries in Western Europe This book highlights the ways in which the production and discourses of modern

design were underscored by economic advancement and modernization processes and fuelled by aesthetic debates on modern design Critically exploring design for modern living in Asia this book offers fresh perspectives on Modernism to students and scholars

Women's Work in East and West: The Dual Burden of Employment and Family Life Norman Stockman, Norman Bonney, Xuewen Sheng, 2016-09-16 Unmasking Administrative Evil discusses the overlooked relationship between evil and public affairs as well as other fields and professions in public life

Re-Imaging Japanese Women Anne E. Imamura, 1996-07-31 Re Imaging Japanese Women takes a revealing look at women whose voices have only recently begun to be heard in Japanese society politicians practitioners of traditional arts writers radicals wives mothers bar hostesses department store and blue collar workers This unique collection of essays gives a broad interdisciplinary view of contemporary Japanese women while challenging readers to see the development of Japanese women s lives against the backdrop of domestic and global change These essays provide a second generation analysis of roles issues and social change The collection brings up to date the work begun in Gail Lee Bernstein s *Recreating Japanese Women 1600 1945* California 1991 exploring disparities between the current range of images of Japanese women and the reality behind the choices women make

Japanese Working Class Lives James Roberson, 2003-09-02 This ethnographic study examines the lives of Japanese workers in small firms and analysis their experiences of working life leisure and education This unique case study of the Shintani Metals Company illustrates the ways in which employees lives extend beyond their work Japanese Working Class Lives provides a valuable alternative view of working life outside the large corporations Roberson demonstrates that the Japanese working class is more diverse than Western stereotypes of be suited salary men would suggest

Globalizing Japan Harumi Befu, Sylvie Guichard-Anguis, 2003-09-02 This book explores the social and cultural dimensions of Japan s global presence as an economic giant Areas examined include Japanese multinational corporations popular music and perceptions of Japan in France and Korea

Notes from Toyota-land Darius Mehri, 2018-07-05 In 1996 Darius Mehri traveled to Japan to work as a computer simulation engineer within the Toyota production system Once there he found a corporate experience far different from what he had expected Notes from Toyota land based on a diary that Mehri kept during his three years at an upper level Toyota group company provides a unique insider s perspective on daily work life in Japan and charts his transformation from a wide eyed engineer eager to be part of the Japanese Miracle to a social critic troubled by Japanese corporate practices Mehri documents the sophisticated culture of rules and organizational structure that combine to create a profound control over workers The work group is cynically used to encourage employees to work harder and harder he found and his other discoveries confirmed his doubts about the working conditions under the Japanese Miracle For example he learned that male employees treated their female counterparts as short term employees cheap labor and potential wives Mehri also describes a surprisingly unhealthy work environment a high rate of injuries due to inadequate training fast line speeds crowded factories racism and lack of team support And in conversations with his colleagues he

uncovered a culture of intimidation subservience and vexed relationships with many aspects of their work and surroundings As both an engaging memoir of cross cultural misunderstanding and a primer on Japanese business and industrial practices Notes from Toyota land will be a revelation to everyone who believes that Japanese business practices are an ideal against which to measure success

Women's History in Global Perspective Bonnie G. Smith,2004 This second volume is

concerned with issues that have shaped the history of women in particular places and during particular eras It examines women in ancient civilisations including women in China Japan and Korea women and gender in South Asia and Latin America medieval women and the history of women in the US until 1865

Young Women in Japan Kaori H.

Okano,2009-02-19 This book examines young women in Japan focusing in particular on their transitions to adulthood their conceptions of adulthood and relations with Japanese society more generally It considers important aspects of the transition to adulthood including employment marriage divorce childbirth and custody

Modern Japan J.E. Thomas,2014-09-25 J E

Thomas examines the historical roots of Japanese social structures and preoccupations and he sets these within the broad chronological framework of Japan s political and military development The book can thus serve as an introduction to modern Japan in a more general sense but its focus throughout is on the people themselves Professor Thomas gives due attention to the Japanese mainstream but he also discusses those other sections of the community which have traditionally been

underprivileged or marginalised most obviously women but also minority groups and outcasts and the Japanese attitude to foreigners beyond her shores

Kimono in the Boardroom Jean R. Renshaw,1999-09-23 Japanese women who comprise more than 40% of their country s workforce are essential to the Japanese economy Yet they are not typically thought of as managers at home or abroad Jean Renshaw challenges that perception in this pathbreaking book showing readers where and how an invisible evolution is occurring in Japanese business Traditional norms of lifetime employment the seniority system and the bureaucratic tightly knit nature of Japanese industry all restrict women s entry into management Despite these enormous barriers the number of Japanese women managers has almost doubled in the last ten years In an effort to discover the secrets of their success Renshaw interviewed over 150 successful Japanese women managers She explored family backgrounds personal characteristics socialization professional experiences and corporate cultures This book presents her sometimes surprising discoveries Renshaw completes the picture by surveying the history of Japanese women in management and discussing the even newer phenomenon of Japanese women who own their own businesses An eye opening work for managers of international firms and scholars of business and women s studies *Kimono in the Boardroom* reveals the potential of the rising female managerial class to profoundly change the male dominated culture of modern Japan

Working Out in Japan Laura Spielvogel,2003-01-31 An ethnography of fitness clubs aerobics body image and diet for women in contemporary Japan

Area Bibliography of Japan Ria Koopmans-de Bruijn,1998 Provides a general overview

of literature relating to Japan and covers a broad range of subject matter from art feminism and linguistics to corporate

culture history and medicine Includes books published since 1980 that are related to the geographical area of Japan and to Japanese culture within that area

Office Ladies Factory Women Life And Work At A Japanese Company Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Office Ladies Factory Women Life And Work At A Japanese Company PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Office Ladies Factory Women Life And Work At A Japanese Company PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Office Ladies Factory Women Life And Work At A Japanese Company free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
