realize that they eat what they kill Therefore the early shelter and protection offered by an established firm is lost after a few years when the developing lawyer is required to either leave the firm or develop a pool of clients that generate sufficient profits for the firm to justify the lawyer s salary In essence the lawyer has to develop the lawyer s own profit center or the lawyer s own solo firm within the firm Either way the lawyer has to know how to start a practice and thrive This book will help striving lawyers get on the path to success Testing Your Entrepreneurial Spirit Answer the questions below to determine if you have what it takes to start a law firm Lawyers who want to start their own firm should answer affirmatively to most of the questions below or should partner with another lawyer who answers affirmatively to most questions 1 Do you have a passion to do something great with your career 2 Do you want to build a business to create wealth for yourself and not someone else 3 Can you visualize your definition of success 4 Do you have the determination and resolve to achieve your definition of success 5 Are you an independent person 6 Are you self confident despite the humiliation of law school 7 Are you ambitious 8 Are you self motivated 9 Are you a self starter 10 Are you decisive after studying the pros and cons of an issue 11 Are you a problem solver 12 Do you have effective communication skills 13 Can you set timetables and stick to them without procrastinating 14 Do you have a dream to be your own boss 15 Do you have a passion to help clients 16 Are you cognizant of your strengths and weaknesses 17 Do you know when it is time to seek guidance from a more experienced attorney 18 Are you resilient to temporary setbacks 19 Are you flexible when a course correction is recognized 20 Can you view a temporarily setback as an opportunity for improvement 21 Are you able to convince strangers that you know what you are talking about 22 Do you have the desire to continuously study a particular substantive area of law 23 Are you looking to build your future instead of looking for something to do until you can find another job 24 Do you want to start a law firm by yourself classmate colleague or more senior attorney
