The Queen of Spades and Other Stories Alexander Pushkin, 2009-01-29 The Queen of Spades has long been acknowledged as one of the world's greatest short stories In this classic literary representation of gambling Alexander Pushkin explores the nature of obsession Hints of the occult and gothic alternate with scenes of St Petersburg high society in the story of the passionate Hermann's quest to master chance and make his fortune at the card table Underlying the taut plot is an ironical treatment of the romantic dreamer and social outcast This volume contains three other major works of Pushkin's fiction moving from the witty parodies of sentimentalism and high melodrama in The Tales of Belkin to an early experiment with recreating the past in Peter the Great's Blackamoor It concludes with the novel length masterpiece The Captain's Daughter which combines historical fiction in the manner of Sir Walter Scott with the colour and devices of the Russian fairy tale in a narrative of rebellion and romance These new translations as well as being meticulously faithful to the original do full justice to the elegance and fluency of Pushkin's prose The Introduction provides insightful readings of the stories and places them in their European literary context A chronology of the Pugachov Uprising illuminates the events in The Captain's Daughter ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

unforgettable characters Originally published as Contemporary Maine Fiction the paperback edition bears a new title Selected by Maine's premier anthologist this is truly the best fiction you'll find in Maine today The Transformation and Other Stories Franz Kafka,1992 Presents a collection of short stories including Meditation In the Penal Colony and The Judgement *The Cossacks and Other Stories* Leo Tolstoy,2006-09-28 In 1851 at the age of twenty two Tolstoy joined the Russian army and travelled to the Caucasus as a soldier The four years that followed were among the most significant in his life and deeply influenced the stories collected here Begun in 1852 but unfinished for a decade The Cossacks describes the experiences of Olenin a young cultured Russian who comes to despise civilization after spending time with the wild Cossack people Sevastopol Sketches based on Tolstoy's own experiences of the siege of Sevastopol in 1854-55 is a compelling consideration of the nature of war while Hadji Murat written towards the end of his life returns to the Caucasus of Tolstoy's youth to explore the life of a great leader torn apart by a conflict of loyalties Written at the end of the nineteenth century it is amongst the last and greatest of Tolstoy's shorter works "The Sting of Death" and Other Stories Toshio Shimao,2020-06-01 Until a recent boom Shimao Toshio writer of short fiction critic and essayist was not widely known even in Japan He has never won the Akutagawa or the Naoki Prize and none of his works had previously appeared in English translation He is less well known than other writers Yasuoka Shotaro Kojima Nobuo and Shono Junzo with whom he has associated and whose works have been liberally translated into English Yet there are those who consider him to be one of the best contemporary writers in Japan This volume by no means exhausts the scope of Shimao's fiction There are no stories here for instance about childhood or student life and none of his many travel stories Some of his most famous stories When we Never Left Port for example have not been included But the stories presented here do offer a considerable variety of style from the pristine storybook language of The Farthest Edge of the Islands to the young intellectual's jargon of Everyday Life in a Dream to the visionary hysterical occasionally ritualistic prose of the sick wife stories to the sober difficult almost ponderous narration of This Time That Summer Shimao's approach to his material varies as well Everyday Life in a Dream is the only representative here of a large number of stories usually called surrealistic by the critics stories whose plots progress by the logic of dreams The individual experience of real life are lived through a combination of conscious and unconscious perception These stories are the least approachable and the least charming to the casual reader but they serve among other things to highlight patterns in the more realistic fiction The Farthest Edge of the Islands is a symbolic heightening of reality in another way a romantic fairy tale beginning at the extremity of experience at the farthest edge of the world The other stories are presented as precise close chronicles of reality by a participant in that reality whose attention never waivers and who never allows himself to avert his eyes from a world that he sees as his responsibility and in a sense his fault All but the first story The Farthest Edge of the Islands which is in third person narration are told in the first person by the character who plays Shimao's role in the life that inspired the fiction **The Committee and Other Stories** Jim Farrell,2017-04-26

Phil and Muriel move into a homeowners association controlled community in Florida Their one eyed dog Bennie enables them to have the last laugh on an annoying committee Widower George Wilson moves into an adult community in Florida where the widow widower ratio is three to one He also meets Adriana via his computer Life is good for a widower at the Ocean Dunes or is it Captain Vince Sullivan takes R but things are not as they seem Margie ORourke decides to cremate her deceased husband but her plans for his ashes are bizarre frighteningly bizarre Little Adela spends her first of many nights in a harem when she is only five Grandma is led to believe that her stool is self combusting That is quite disturbing information for Grandma Barney and Herb two octogenarians discuss cisgender and transgender issues in Dunkin Donuts over coffee It is quite the hilarious conversation These are just a few of the tales that make the Committee and Other Stories so uniquely enjoyable It is a journey into the depths of the human spirit illustrating the importance of laughter and the miracle of love

Master and Man and Other Stories Leo Tolstoy, 2005-06-30 The ten stories collected in this volume demonstrate Tolstoy's artistic prowess displayed over five decades experimenting with prose styles and drawing on his own experiences with humour realism and compassion Inspired by his experiences in the army The Two Hussars contrasts a dashing father and his mean spirited son Illustrating Tolstoy's belief that art must serve a moral purpose What Men Live By portrays an angel sent to earth to learn three existential rules of life and Two Old Men shows a peasant abandoning his pilgrimage to the Holy Land in order to help his neighbours And in the highly moving Master and Man Tolstoy depicts a mercenary merchant travelling with his unprotesting servant through a blizzard to close a business deal little realizing he may soon have to settle accounts with his maker
