Through the Eyes of Nisey Danise Donerson, 2020-11-15 Through the

Eyes of Nisey A Memoir of a Lost Mississippi girl by Danise T Donerson is a whirlwind of events of a little girl growing up in Mississippi Nisey often wondered why she had to endure the many years of physical and mental abuse while being just a little girl who needed to be cared for and loved by her mama She longed for the love and care from her Big Mama who took care of her up until her death when she was five years old The life of hardship began immediately She had to take care of her little brother and sister while her mama worked her many factory jobs She learned how to cook at the age of eight years old because her mama didn t know how Her mama seemed lost and didn t know how to take care of her kids like how Big Mama did Her mama had a nervous breakdown around the age of sixteen and Big Mama helped her cope She had to learn the hard way In the seventies she struggled to find her way in this world During the eighties she got help for her mental issues and started taking medication She often took out her frustrations in life out on Nisey even trying to take her life and Nisey at the time She somehow thought they were better off dead in her mind During this time Nisey had many wonderful people in her life to help her manage the hard times During the nineties her mama felt that she will hurt you before you hurt her She would cuss out at anyone whom she felt was a threat to her or her children all while being controlling of Nisey s life She was married with children and her mama was controlling her household She knew in her heart that she did love her She wouldn t give up on her mama At the age of twenty nine she started seeking God She took control of her life and at the age of forty four in 2012 she was bedridden from her many back surgeries Her mama was there for every surgery and almost every doctor s appointment Something wonderful began to happen and she and her mama s broken relationship began to mend There was forgiveness and an explosion of love filled both of their hearts When her mama died on May 23 2019 three days before her birthday she realized that fifty years of her life was entangled in her mama s life of mental illness Everything that she had endured as a child and adult was because of her mama trying to cope with her issues It was at that moment that she realized that this book was about her mama who was like a caterpillar that evolved into this beautiful butterfly That s why this story had to be written as a therapy for herself and to share her mama s life who had mental health issues This is a real illness and is too often not dealt with in black families *Secret Tear* Silia Loren,2017-09-05 My promise to Jesus and understanding my message I realize the Lord has allowed me to experience endure and witness a great deal by protecting me all these years My message is to enlighten society by using my past as an example of belief faith and wisdom Greatness of good is a gift from God Evil is a powerful force of nature Society will use the phrase It s human nature as an excuse for any wrong doings towards anyone who has an identity crisis But is it human nature or just an evil act of malice behavior depending on the person My opinion is goodness in people hearts are being de sanitized by the strength of evil only if allowed Be real to yourself by being yourself Having faith will carry you through the challenges of life Remember An anger mind is the devil s workshop I always say Great people who represent good may pay the ultimate price on earth But the Lord s reward is life everlasting spirit in heaven *The Diamond is Mine* Olateju 'Molaji Ojomo,2011-12-29 This is a work of

fiction and not a true story about anybody in particular It is however a story about my people and some of our ways of life Ours is a beautiful cultural heritage and has its roots in threads of history legend and victories of our forefathers The changing world is affecting our traditions and the path the present generation is treading seems a dangerous one Our hope is that the upcoming generation will uphold those of our cultural beliefs that are beneficial and discard those that are detrimental to us and the world at large so that we can make progress Denise the heroine of the story wanted to fight and change the corrupt system of her land Her attempt to do this failed in college She could not stop exam malpractices just on her own So she thought the best place to continue her fight would be at her workplace the very seat of corruption the police force She had chosen a career in the police force in order to do this Hoping to make an impression on the upcoming generation of policemen she sermonized to officers in training and motivated them to be exemplary in their duties as officers of the law It was a good idea but quite ludicrous The few who paid her any attention were handicapped and could do very little while the older generation of officers listened to her with some kind of tolerance Her crusade almost cost her the life of her son and she had to break one of her most important rules as a police officer Do not give or receive bribe But to be able to reach where her son was held she had to give a very large bribe to the underworld All names in the book are fictitious and bear no relevance to any individual dead or alive While some incidents mentioned in the story actually happened the time place and how they happened exactly had been completely or partly changed to give the story the required flavor to keep you reading Sit back and enjoy the story

century When the Swedish Academy awarded her the Nobel Prize it cited her for inventing a new kind of literary genre describing her work as a history of emotions a history of the soul Bringing together dozens of voices in her distinctive style Last Witnesses is Alexievich s collection of the memories of those who were children during World War II They had sometimes been soldiers as well as witnesses and their generation grew up with the trauma of the war deeply embedded a trauma that would change the course of the Russian nation Collectively this symphony of children s stories filled with the everyday details of life in combat reveals an altogether unprecedented view of the war Alexievich gives voice to those whose memories have been lost in the official narratives uncovering a powerful hidden history from the personal and private experiences of individuals Translated by the renowned Richard Pevear and Larissa Volokhonsky Last Witnesses is a powerful and poignant account of the central conflict of the twentieth century a kaleidoscopic portrait of the human side of war Praise for Last Witnesses There is a special sort of clear eyed humility to Alexievich s reporting The Guardian A bracing reminder of the enduring power of the written word to testify to pain like no other medium Children survive they grow up and they do not forget They are the first and last witnesses The New Republic A profound triumph The Big Issue Alexievich excavates and briefly gives prominence to demolished lives and eradicated communities It is impossible not to turn the page impossible not to wonder whom we next might meet impossible not to think differently about children caught in conflict The Washington Post

The Naked Life Antonie Blum,2008-07 The Naked Life is a coming of age story set against the backdrop of World War II It is a captivating visual and sincere memoir that traces Antonie s life from the age of eleven in Austria to the work camps in Siberia and on to Israel The harsh brutalities of war are sliced by memories of first kisses and dances The naked life is a life devoid of possessions of home of food of civility and sometimes of hope But in that naked life with all excess whittled away and when expected the least scintillas of human kindness wax brightest Rear cover

The Dust That Falls from Dreams Louis de Bernieres,2015-08-04 From the acclaimed author of Corelli s Mandolin here is a sumptuous sweeping powerfully moving new novel about a British family whose lives and loves are indelibly shaped by the horrors of World War I and the hopes for its aftermath In the brief golden years of the Edwardian era the McCosh sisters Christabel Ottilie Rosie and Sophie grow up in an idyllic household in the countryside south of London On one side their neighbors are the proper Pendennis family recently arrived from Baltimore whose close in age boys Sidney Albert and Ashbridge shake their father s hand at breakfast and address him as sir On the other side is the Pitt family a resolutely French mother a former navy captain father and two
