New Perspectives on the Civil War John Y. Simon,Michael E. Stevens,2003-06-05 As the American Civil War recedes into the past popular fascination continues to rise Once a matter that chiefly concerned veterans separately organized North and South who gathered to refight old battles and to memorialize the heroes and victims of war the Civil War has gradually become part of a collective heritage Issues raised by the war including its causes and consequences reverberate through contemporary society Family and community connections with the war exist everywhere as do battlefields memorials and other physical reminders of the conflict We as Americans are fascinated by the sheer magnitude of the war fought over thousands of miles of American soil and resulting in awesome casualties It was a gigantic national drama enacted by people who seem both contemporary and remote Here for the first time leading Civil War scholars gather to sort out the fact and fiction of our collective memories Contributors include Pulitzer Prize winner Mark E Neely Jr Alan T Nolan John Y Simon James I Bud Robertson Jr Gary W Gallagher Joseph T Glatthaar and Ervin L Jordan Jr

Grant, Lincoln and the Freedmen John David Smith,Micheal J. Larson,2023-08-18 In 1863 General Ulysses S Grant appointed one of his regimental chaplains John Eaton of Ohio as general superintendent of contrabands for the Department of the Tennessee As the American Civil War raged the former chaplain s approach to humanitarian aid and education for the newly freed people marked one of the first attempts to consider how an entire population of formerly enslaved people would be assimilated into and become citizens of the postwar Union General superintendent Eaton chronicled these pioneering efforts in his 1907 memoir *Grant Lincoln and the Freedmen* Reminiscences of the Civil War a work that for more than a century has been an invaluable primary source for historians of the Civil War era In this long awaited scholarly edition editors John David Smith and Micheal J Larson provide a detailed

introduction and chapter by chapter annotations to highlight the lasting significance of Eaton's narrative. These robust supplements to the 1907 volume contextualize important events, unpack the complexities of inter-agency relationships during the war and postwar periods, and present Eaton's view that the military should determine how best to assimilate the freed people into the reunited Union. Grant, Lincoln, and the Freedmen presents a firsthand account of the challenges Grant, Lincoln, and Eaton himself faced in serving and organizing the integration of the newly freed people. This heavily annotated reprint reminds us just how important Eaton's recollections remain to the historiography of the emancipation process and the Civil War era. "In her hour of sore distress and peril" John P. Reynolds, 2013-08-20

John Perkins Reynolds, a member of the Salem Zouaves Company I Eighth Massachusetts Infantry, left behind a unique record of one company's service during the early months of the Civil War. His diary documents his company's hourly activities each day, forming a rare chronicle of a Union three-month unit. Reynolds was a talented and perceptive writer, and he meticulously recorded details about many events. The early mobilization of Union volunteers, Northern and border state support for the war effort, the movement of troops to defend Washington, D.C. from an expected Confederate attack, the rescue of the U.S.S. Constitution, raids on secessionist farms in Maryland, and life in the troubled city of Baltimore are just a few of the topics highlighted in his diary. Reynolds included many insightful details about soldier life and material culture during the period. Army discipline, religious practices, soldier-civilian encounters, training, rations, humor, and numerous other aspects of the soldier's existence were deemed noteworthy.

This Distracted and Anarchical People: New Answers for Old Questions about the Civil War-Era North Andrew L. Slap, Michael Thomas Smith, 2013-01-02. Eleven iconoclastic scholars take aim at many of the accepted interpretations of the Civil War North in this provocative new anthology. **Military Review**, 2004

Professional Journal of the United States Army, 2004. **A Johnson's Island Bibliography** Frederick Job Shepard, 1927. The Chickamauga Campaign Steven E. Woodworth, 2010-05-19. From mid-August to mid-September 1863, Union major general William S. Rosecrans's Army of the Cumberland maneuvered from Tennessee to north Georgia in a bid to rout Confederate general Braxton Bragg's Army of Tennessee and blaze the way for further Union advances. Meanwhile, Confederate reinforcements bolstered the numbers of the Army of Tennessee, and by the time the two armies met at the Battle of Chickamauga in northern Georgia, the Confederates had gained numerical superiority. Although the Confederacy won its only major victory west of the Appalachians, it failed to achieve the truly decisive results many high-ranking Confederates expected. In The Chickamauga Campaign, Steven E. Woodworth assembles eight thought-provoking new essays from an impressive group of authors to offer new insight into the complex reasons for this substantial yet ultimately barren Confederate victory. This broad collection covers every angle of the campaign, from its prelude to its denouement, from the points of view of key players of all ranks on both sides. In addition to analyzing the actions taken by Union leaders Thomas L. Crittenden, Alexander McCook, and James S. Negley, and Confederate commanders Braxton Bragg, Patrick Cleburne, Daniel

Harvey Hill Thomas C Hindman James Longstreet and Alexander P Stewart the book probes the campaign s impact on morale in the North and South and concludes with an essay on the campaign s place in Civil War memory The final essay pays particular attention to Union veteran Henry Van Ness Boynton the founder and developer of Chickamauga and Chattanooga State Military Park whose achievements helped shape how the campaign would be remembered This second volume in the Civil War Campaigns in the Heartland series provides a profound understanding of the campaign s details as well as its significance to Civil War history Contributors John R Lundberg Alexander Mendoza David Powell Ethan S Rafuse William G Robertson Timothy B Smith Lee White Steven E Woodworth
