Official Records Of The Union Ser1 Volume 25:

Horse Soldiers at Gettysburg Daniel Murphy, 2023-06-01 Cavalry operations during the Gettysburg campaign have been well covered but never like this Most cavalry treatments of the campaign and battle have focused on strategy operations and tactics and zoomed in on particular episodes the Battle of Brandy Station in June 1863 the largest cavalry engagement on American soil Jeb Stuart s controversial ride for glory that deprived Lee of important intelligence for days Union cavalry general John Buford s role in the start of the battle on July 1 and the cavalry battle involving not only Stuart but also George Armstrong Custer east of Gettysburg on July 3 Daniel Murphy s book covers the grand sweep of cavalry in the Gettysburg campaign from Lee s crossing of the Rappahannock in early June 1863 through the epic three day clash in Pennsylvania to the conclusion of Lee s retreat in July 1863 But more than that in a book blending strategy and tactics and campaign narrative with deep research in primary sources and an equestrian s sense for what it s like to ride and manage horses Daniel Murphy brings a horseman s eye to the story of the campaign how individual cavalymen experienced the campaign from the saddle and how horses with special needs for care and maintenance were in fact weapons that helped shape battles In this new narrative of Civil War cavalry author Daniel Murphy gets into the saddle and explores what it was like to be a cavalryman during the Gettysburg campaign Horse soldiering was a unique way of doing battle and Murphy gives it more justice and nuanced description than any author has yet given it

Official Records of the Union and Confederate Navies on the War of the Rebellion United States. Naval War Records Office, 1912

Wade Hampton Walter Brian Cisco, 2004 On the eve of the American Civil War Wade Hampton one of the wealthiest men in the South and indeed the United States remained loyal to his native South Carolina as it seceded from the Union Raising his namesake Hampton Legion of soldiers he eventually became a lieutenant general of Confederate cavalry after the death of the legendary J E B Stuart Hampton s highly capable but largely unheralded military leadership has long needed a modern treatment After the war Hampton returned to South Carolina where chaos and violence reigned as Northern carpetbaggers newly freed slaves and disenfranchised white Southerners battled for political control of the devastated economy As Reconstruction collapsed Hampton was elected governor in the contested election of 1876 in which both the governorship of South Carolina and the American presidency hung in the balance While aspects of Hampton s rise to power remain controversial under his leadership stability returned to state government and rampant corruption was brought under control Hampton then served in the U S Senate from 1879 to 1891 eventually losing his seat to a henchman of notorious South Carolina governor Pitchfork Ben Tillman whose blatantly segregationist grassroots politics would supplant Hampton s genteel paternalism In Wade Hampton Walter Brian Cisco provides a comprehensively researched highly readable and long overdue treatment of a man whose military and political careers had a significant impact upon not only South Carolina but America Focusing on all aspects of Hampton s life Cisco has written the definitive military political overview of this fascinating man

The Red River

in Southwestern History Carl Newton Tyson,2015-07-15 In *The Red River in Southwestern History* Carl Newton Tyson traces the river's history from the time of early Spanish and French explorers to the present day leading his readers to a new appreciation of the river and the region. From the Staked Plains of the Texas Panhandle the river flows down to buffalo and prairie dog country and through the Cross Timbers. It continues eastward to the Great Bend and through the cypresses of Louisiana's bayou country joining the Mississippi River south of Natchez. Whereas the Red River was a source of water to the Spaniards as they searched for gold at Natchitoches, French trader Louis Juchereau de St Denis traded with the Caddo Indians. Conflicts soon developed between French traders and Spaniards in Texas as they competed for land along the Red. Years later the Red River featured again as part of the settlement in the 1819 Adams-Onís Treaty negotiated by Spanish minister Luis de Onís y Gonzales and U.S. secretary of state John Quincy Adams which finally brought to an end the western boundary disputes between Spain and the United States lingering since the 1803 Louisiana Purchase. In 1852 Randolph Marcy discovered the source of the Red River a mountain rivulet cutting a deep canyon through the Staked Plains. Marcy's testimony in the Greer County border dispute between Oklahoma and Texas was key to the U.S. Supreme Court decision favoring Oklahoma. In the decades between 1930 and 1970 dams were built along the Red by the U.S. Corps of Engineers to control floods generate electricity and create lakes for recreation along the Oklahoma-Texas border. Villainous

Compounds Guy R. Hasegawa,2015-09-04 This book is a study of the diverse array of chemical weapons that were deployed prepared for use or proposed during the Civil War. **COMBEE** Edda L. Fields-Black,2024 **COMBEE** is based upon original research and offers the first full account of Tubman's Civil War service and the Combahee River Raid. In the process it also offers the story of enslaved families living in bondage and fighting for their freedom and does so using their own distinct and individual voices.

The Wilmington & Weldon Railroad in the Civil War James C. Burke,2013-01-01 In its early years the Wilmington the capriciousness and bureaucracy of the Confederate government sabotage attempts the gruesome death of its president a yellow fever epidemic Union raids on its facilities and bridges runaway inflation in Confederate economy the fall of Wilmington its bisection by advancing Union forces and finally the unnecessary destruction of locomotives cars track and bridges by retreating Confederate troops. The railroad unlike the Confederacy survived and would eventually transform itself a powerful regional economic force adapting to the challenges of the New South. **The Battle Rages**

Higher Kirk C. Jenkins,2003-10-24 *The Battle Rages Higher* tells for the first time the story of the Fifteenth Kentucky Infantry a hard fighting Union regiment raised largely from Louisville and the Knob Creek valley where Abraham Lincoln lived as a child. Although recruited in a slave state where Lincoln received only 0.9 percent of the 1860 presidential vote the men of the Fifteenth Kentucky fought and died for the Union for over three years participating in all the battles of the Atlanta campaign as well as the battles of Perryville Stones River and Chickamauga. Using primary research including soldiers' letters and diaries hundreds of contemporary newspaper reports official army records and postwar memoirs Kirk C. Jenkins vividly

brings the Fifteenth Kentucky Infantry to life The book also includes an extensive biographical roster summarizing the service record of each soldier in the thousand member unit Kirk C Jenkins a descendant of the Fifteenth Kentucky s Captain Smith Bayne is a partner in a Chicago law firm Click here for Kirk Jenkins website and more information about the 15th Kentucky Infantry **Lone Star Blue and Gray** Ralph Wooster,Robert Wooster,2015-04-21 From the bitter disputes over secession to the ways in which the conflict would be remembered Texas and Texans were caught up in the momentous struggles of the American Civil War Tens of thousands of Texans joined military units and scarcely a household in the state was unaffected as mothers and wives assumed new roles in managing farms and plantations Still others grappled with the massive social political and economic changes wrought by the bloodiest conflict in American history The sixteen essays eleven of them new from some of the leading historians in the field in the second edition of Lone Star Blue and Gray illustrate the rich traditions and continuing vitality of Texas Civil War scholarship Along with these articles editors Ralph A and Robert Wooster provide a succinct introduction to the war and Texas and recommended readings for those seeking further investigations of virtually every aspect of the war as experienced in the Lone Star State The 18th New York Infantry in the Civil War Ryan A. Conklin,2016-10-13 Responding to President Lincoln s initial call for troops the 18th New York Infantry emerged as one of the Excelsior State s first regiments and mustered many of its earliest volunteers Formed of companies from across the state the unit saw combat early suffering the first casualties of the Bull Run campaign when they were ambushed on the march four days before the battle As part of the Army of the Potomac they fought at Gaines s Mill Crampton s Gap Antietam Fredericksburg and Chancellorsville Drawing on numerous sources including several unpublished letters and diaries this book gives the complete history of the 18th from the first enlistee to the last surviving veteran who died in 1938 with an emphasis on the experiences of individual soldiers **The Gentlemen and the Roughs** Lorien Foote,2010-06-01 A seminal work on class divisions within the Union Army One of the best examples of scholarship on the social history of Civil War soldiers The Journal of Southern History During the Civil War the Union army appeared cohesive enough to withstand four years of grueling war against the Confederates and to claim victory in 1865 But fractiousness bubbled below the surface of the North s presumably united front Internal fissures were rife within the Union army class divisions regional antagonisms ideological differences and conflicting personalities all distracted the army from quelling the Southern rebellion In this highly original contribution to Civil War and gender history Lorien Foote reveals that these internal battles were fought against the backdrop of manhood Clashing ideals of manliness produced myriad conflicts as when educated refined and wealthy officers gentlemen found themselves commanding a hard drinking group of fighters roughs a dynamic that often resulted in violence and even death Based on extensive research into previously ignored primary sources The Gentlemen and the Roughs uncovers holes in our understanding of the men who fought the Civil War and the society that produced them Finalist for the 2011 Gilder Lehrman Lincoln Prize **The Quartermaster** Robert O'Harrow,2016-10-25 Born to a well to do connected

family in 1816 Montgomery C Meigs graduated from West Point as an engineer He helped build America s forts and served under Lt Robert E Lee to make navigation improvements on the Mississippi River As a young man he designed the Washington aqueducts in a city where people were dying from contaminated water He built the spectacular wings and the massive dome of the brand new US Capitol Introduced to President Lincoln by Secretary of State William Seward Meigs became Lincoln s Quartermaster It was during the Civil War that Meigs became a national hero He commanded Ulysses S Grant s base of supplies that made Union victories including Gettysburg possible He sustained Sherman s army in Georgia and the March to the Sea After the war Meigs built Arlington Cemetery on land that had been Robert E Lee s home The author brings Meigs alive in this book We get to know this major military figure that Lincoln and his Cabinet and Generals called the key to victory and learn how he fed clothed and armed the Union Army using his ingenuity and devotion Amazon com

Guerrillas, Unionists, and Violence on the Confederate Home Front Daniel E. Sutherland, 1999-01-01 Until recently this localized violence was largely ignored scholars focusing instead on large scale operations of the war the decisions and actions of generals and presidents But as Daniel Sutherland reminds us the impact of battles and elections cannot be properly understood without an examination of the struggle for survival on the home front of lives lived in the atmosphere created by war Sutherland gathers eleven essays by such noted Civil War scholars as Michael Fellman Donald Frazier Noel Fisher and B F Cooling each one exploring the Confederacy s internal war in a different state All help to broaden our view of the complexity of war and to provide us with a clear picture of war s consequences its impact on communities homes and families This strong collection of essays delves deeply into what Daniel Sutherland calls the desperate side of war enriching our understanding of a turbulent and divisive period in American history

Black Union Soldiers in the Civil War Hondon B. Hargrove, 2003-09-19 This book refutes the historical slander that blacks did not fight for their emancipation from slavery At first harshly rejected in their attempts to enlist in the Union army blacks were eventually accepted into the service often through the efforts of individual generals who frustrated with bureaucratic inaction in the face of dwindling forces overrode orders from the secretary of war and the president himself By the end of the war black soldiers had numbered over 187 000 and served in 167 regiments Seventeen were awarded the Congressional Medal of Honor the nation s highest award for valor Theirs was a remarkable achievement whose full story is here told for the first time

Teacher of Civil War Generals Allen H. Mesch, 2015-07-28 From West Point to Fort Donelson General Charles Ferguson Smith was a soldier s soldier He served at the U S Military Academy from 1829 to 1842 as Instructor of Tactics Adjutant to the Superintendent and Commandant of Cadets During his 42 year career he was a teacher mentor and role model for many cadets who became prominent Civil War generals and he was admired by such former students as Grant Halleck Longstreet and Sherman Smith set an example for junior officers in the Mexican War leading his light battalion to victories and earning three field promotions He served with Albert Sidney Johnston and other future Confederate officers in

the Mormon War He mentored Grant while serving with him during the Civil War and helped turn the tide at Fort Donelson which led to Grant s rise to fame He attained the rank of major general while refusing political favors and ignoring the press Drawing on never before published letters and journals this long overdue biography reveals Smith as a faithful officer excellent disciplinarian able commander and modest gentleman Occupied Vicksburg Bradley R. Clappitt,2016-10-19 During the Civil War Vicksburg Mississippi assumed almost mythic importance in the minds of Americans northerners and southerners soldier and civilian The city occupied a strategic and commanding position atop rocky cliffs above the Mississippi River from which it controlled the great waterway As a result Federal forces expended enormous effort expense and troops in many attempts to capture Vicksburg The immense struggle for this southern bastion ultimately heightened its importance beyond its physical and strategic value Its psychological significance elevated the town s status to one of the war s most important locations Vicksburg s defiance dismayed northerners and delighted Confederates who saw command of the river as a badge of honor Finally after a six week siege that involved intense military and civilian suffering amid heavy artillery bombardment Union forces captured the Gibraltar of the Confederacy ending the bloody campaign While many historians have told the story of the fall of Vicksburg Bradley R Clappitt is the first to offer a comprehensive examination of life there after its capture by the United States military In the war ravaged town indiscriminate hardships befell soldiers and civilians alike during the last two years of the conflict and immediately after its end In Occupied Vicksburg Clappitt shows that following the Confederate withdrawal Federal forces confronted myriad challenges in the city including filth disease and a never ending stream of black and white refugees Union leaders also responded to the pressures of newly free people and persistent guerrilla violence in the surrounding countryside Detailing the trials of blacks whites northerners and southerners Occupied Vicksburg stands as a significant contribution to Civil War studies adding to our understanding of military events and the home front Clappitt s astute research provides insight into the very nature of the war and enhances existing scholarship on the experiences of common people during America s most cataclysmic event *Civil War Arkansas* Anne Bailey,Daniel E. Sutherland,2000-07-01 This collection of essays represents the best recent history written on Civil War activity in Arkansas It illuminates the complexity of such issues as guerrilla warfare Union army policies and the struggles between white and black civilians and soldiers and also shows that the war years were a time of great change and personal conflict for the citizens of the state despite the absence of great battles or armies All the essays which have been previously published in scholarly journals have been revised to reflect recent scholarship in the field Each selection explores a military or social dimension of the war that has been largely ignored or which is unique to the war in Arkansas gristmill destruction military farm colonies nitre mining operations mountain clan skirmishes federal plantation experiments and racial atrocities and reprisals Together the essays provoke thought on the character and cost of the war away from the great battlefields and suggest the pervasive change wrought by its destructiveness In the cogent introduction Daniel E Sutherland and Anne J

Bailey set the historiographic record of the Civil War in Arkansas tracing a line from the first writings through later publications to our current understanding As a volume in The Civil War in the West series Civil War Arkansas elucidates little known but significant aspects of the war encouraging new perspectives on them and focusing on the less studied western theater As such it will inform and challenge both students and teachers of the American Civil War Jews and the Civil War Jonathan D Sarna, Adam D Mendelsohn, 2010-05-28 An invaluable collection of essays revealing the experience of Jewish soldiers and civilians during the Civil War Essential and illuminating Harold Holzer Moment Magazine At least 8 000 Jewish soldiers fought for the Union and Confederacy during the Civil War A few served together in Jewish companies while most fought alongside Christian comrades Yet even as they stood shoulder to shoulder on the battlefield they encountered unique challenges In Jews and the Civil War Jonathan D Sarna and Adam Mendelsohn assemble for the first time the foremost scholarship on the subject little known even to specialists in the field These accessible and far ranging essays from top scholars are grouped into seven thematic sections Jews and Slavery Jews and Abolition Rabbis and the March to War Jewish Soldiers during the Civil War The Home Front Jews as a Class and Aftermath each with an introduction by the editors Together they reappraise the war's impact on Jews in the North and the South offering a rich and fascinating portrait of the experience of Jewish soldiers and civilians from the home front to the front lines *John Bankhead Magruder* Thomas Settles, 2009-06 Of all the major figures of the Civil War era Confederate general John Bankhead Magruder is perhaps the least understood The third ranking officer in Virginia's forces behind Robert E Lee and Joseph E Johnston Magruder left no diary no completed memoirs no will not even a family Bible There are no genealogical records and very few surviving personal papers Unsurprisingly then much existing literature about Magruder contains incorrect information In *John Bankhead Magruder* an exhaustive biography that reflects more than thirty years of painstaking archival research Thomas M Settles remedies the many factual inaccuracies surrounding this enigmatic man and his military career Settles traces Magruder's family back to its seventeenth century British American origins describes his educational endeavors at the University of Virginia and West Point and details his early military career and his leading role as an artillerist in the war with Mexico Tall handsome and flamboyant Magruder earned the nickname Prince John from his army friends and was known for his impeccable manners and social brilliance When Virginia seceded in April of 1861 Prince John resigned his commission in the U S Army and offered his services to the Confederacy Magruder won the opening battle of the Civil War at Big Bethel Later in spite of severe shortages of weapons and supplies and a lack of support from Jefferson Davis Judah P Benjamin Samuel Cooper and Joseph E Johnston Prince John with just 13 600 men held his position on the Peninsula for a month against George B McClellan's 105 000 man Federal army This successful stand at a time when Richmond was exceedingly vulnerable provided according to Settles John Magruder's greatest contribution to the Confederacy Following the Seven Days battles however his commanders harshly criticized Magruder for being too slow at Savage Station then too rash at Malvern

Hill and they transferred him to command the District of Texas New Mexico and Arizona In Texas he skillfully recaptured the port of Galveston in early 1863 and held it for the Confederacy until the end of the war After the war he joined the Confederate exodus to Mexico but eventually returned to the United States living in New York City and New Orleans before settling in Houston where he died on February 18 1871 John Bankhead Magruder offers fresh insight into many aspects of the general s life and legacy including his alleged excesses his family relationships and the period between Magruder s death and his memorialization into the canon of Lost Cause mythology With engaging prose and impressive research Settles brings this vibrant Civil War figure to life

Lincoln's Generals Gabor S. Boritt, 1995-10-12 From the moment the battle ended Gettysburg was hailed as one of the greatest triumphs of the Union army Celebrations erupted across the North as a grateful people cheered the victory But Gabor Boritt turns our attention away from the rejoicing millions to the dark mood of the White House where Lincoln cried in frustration as General Meade let the largest Confederate army escape safely into Virginia Such unexpected portraits abound in *Lincoln s Generals* as a team of distinguished historians probes beyond the popular anecdotes and conventional wisdom to offer a fascinating look at Lincoln s relationship with his commanders In *Lincoln s Generals* Boritt and his fellow contributors examine the interaction between the president and five key generals McClellan Hooker Meade Sherman and Grant In each chapter the authors provide new insight into this mixed bag of officers and the president s tireless efforts to work with them Even Lincoln s choice of generals was not as ill starred as we think writes Pulitzer Prize winner Mark E Neely Jr compared to most Victorian era heads of state he had a fine record of selecting commanders for example the contemporary British gave us such bywords for incompetence as the charge of the Light Brigade while Napoleon III managed to lose the entire French army But the president s relationship with his generals was never easy In these pages Stephen Sears underscores McClellan s perverse obstinacy as Lincoln tried everything to drive him ahead Neely sheds new light on the president s relationship with Hooker arguing that he was wrong to push the general to attack at Chancellorsville Boritt writes about Lincoln s prickly relationship with the victor of Gettysburg old snapping turtle George Meade Michael Fellman reveals the political stress between the White House and William T Sherman a staunch conservative who did not want blacks in his army but who was crucial to the war effort And John Y Simon looks past the legendary camaraderie between Lincoln and Grant to reveal the tensions in their relationship Perhaps no other episode has been more pivotal in the nation s history than the Civil War and yet so much of these massive events turned on a few distinctive personalities *Lincoln s Generals* is a brilliant portrait that takes us inside the individual relationships that shaped the course of our most costly war

Official Records Of The Union Ser1 Volume 25 Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has are more evident than ever. They have the capability to inspire, provoke, and ignite change. Such is the essence of the book **Official Records Of The Union Ser1 Volume 25**, a literary masterpiece that delves deep into the significance of words and their impact on our lives.
