Vancouver & Beyond Fred Thirkell,2000 An anthology

of 50 stories about Vancouver and environs in the early years of the 20th century These stories grew out of a collection of picture postcards not just any old postcards but particularly appealing real photo cards that seemed to be waiting to have their stories told While some of the images are not uncommon most of the pictures are rare if not one of a kind survivors of the golden age of postcards which encompassed the years between 1900 and 1914 the relatively short period of time when Vancouver ended its days as a frontier town and became a significant Canadian city Personality Ships of British Columbia Ruth Greene,1969 Bootleggers and Borders Stephen T. Moore,2014-11-01 Between 1920 and 1933 the issue of prohibition proved to be the greatest challenge to Canada U S relations When the United States adopted national prohibition in 1920 ironically just as Canada was abandoning its own national and provincial experiments with prohibition U S tourists and dollars promptly headed north and Canadian liquor went south Despite repeated efforts Americans were unable to secure Canadian assistance in enforcing American prohibition laws until 1930 Bootleggers and Borders explores the important but surprisingly overlooked Canada U S relationship in the Pacific Northwest during Prohibition Stephen T Moore maintains that the reason Prohibition created such an intractable problem lies not with the relationship between Ottawa and Washington DC but with everyday operations experienced at the border level where foreign relations are conducted according to different methods and rules and are informed by different assumptions identities and cultural values Through an exploration of border relations in the Pacific Northwest Bootleggers and Borders offers insight into not only the Canada U S relationship but also the subtle but important differences in the tactics Canadians and Americans employed when confronted with similar problems Ultimately British Columbia s method of addressing temperance provided the United States with a model that would become central to its abandonment and replacement of Prohibition **Don't Never Tell Nobody Nothin' No How** Rick James,2018-10-13 We operated perfectly legally We considered ourselves philanthropists We supplied good liquor to poor thirsty Americans and brought prosperity back to the Harbour of Vancouver Captain Charles Hudson At the stroke of one minute past midnight January 17 1920 the National Prohibition Act was officially declared in effect in the United States From 1920 to 1933 the manufacture sale importation and transportation of alcohol and of course the imbibing of such products was illegal Prohibition was already a bust in Canada and it wasn't long before fleets of vessels from weather beaten old fish boats to large ocean going steamers began filling their holds with liquor to deliver their much valued cargo to their thirsty neighbours to the south Contrary to popular perception rum running along the Pacific coast wasn't dominated by violent encounters like those portrayed in the movies Instead it was usually carried out in a relatively civilized manner with an oh so Canadian politeness on the British Columbian side Most operated within the law But there were indeed shootouts

hijackings and even a particularly gruesome murder associated with the business Using first hand accounts of old time rum runners extensive research using primary and secondary documentation and the often sensational newspaper coverage of the day Don t Never Tell Nobody Nothin No How sets out to explain what really went down along the West Coast during the American Noble Experiment

Culture and Society Nuala C. Johnson,2018-01-18 Human geographers have been at the forefront of research that examines the relationships between space culture and society This volume contains twenty one essays published over the past thirty years that are iconic instances of this investigative field With a focus on four broad themes landscape identity colonialism nature these essays represent some of the best and most innovative interventions that geographers have made on these topics From the visual to the corporeal from rural Ceylon to urban America and from the sixteenth century to the twenty first this volume brings together a set of theoretically sophisticated and empirically grounded works

British Columbia in Books Mary Lou Cuddy,James J. Scott,1974

Glyphs and Gallows Peter Wilton Johnson,1999 In 1995 Peter Johnson went looking for a rare set of petroglyphs located on the outer coast of Vancouver Island near an abandoned whaling village Encouraged by archival research that yielded court records 90 year old correspondence and a tantalizing 1926 newspaper article Peter sought to tie these glyphs to the 1869 wreck of the trading barque John Bright and the bizarre colonial trial that followed He found more questions than answers Why for example were two Nuuchah nulth men so readily hung from a gallows erected in front of their village at Hesquiat And how did this event relate to the rock carvings that Peter knew existed in a cove many miles south along the life saving West Coast Trail by the Graveyard of the Pacific This story explores the significance of particular petroglyphs colonial injustice and the European trading mentality on the west coast at the time of contact Peter interweaves a personal journal with historical narrative in order to produce a lively account of the relationship between our coastal history and a little known Aboriginal art form

Hub City Jan Peterson,2003 The Nanaimo Bastion which marked its 150th anniversary in 2003 remains a prominent symbol of Nanaimo s heritage as an HBC fort coal mining centre and transportation hub a vital link between other developing parts of Vancouver Island and the Lower Mainland Hub City the second volume in Jan Peterson s trilogy on Nanaimo s vibrant history tells of the development of this Vancouver Island community from the arrival of the E N Railway in 1886 through to the end of the First World War and the Spanish influenza epidemic Included in her story are such pivotal events as the mining disaster of 1887 the Big Strike of 1912 1914 the emergence of the labour movement and the rise and fall of coal baron James Dunsmuir

Smugglers of the West Rosemary Neering,2011-12-15 Do you think the smuggling of drugs and people is a new phenomenon in Canada s west Think again Between the mid 19th and mid 20th centuries many daring smugglers carried contraband goods and people into western Canada across the US Canada border or into BC from Asia Smugglers of the West tells the dramatic tales of the bold criminals who smuggled Chinese immigrants opium liquor and a host of commodities ranging from wool to live animals to tobacco Among them are Boss Harris the shadowy kingpin whose opium smuggling

empire stretched from Victoria across North America and King of the Smugglers Larry Kelly who reputedly tied illegal Chinese immigrants to pig iron so they could be tossed overboard if American patrollers got too close Rosemary Neering takes readers into a shadowy world where no item was too small and no risk too large for the men and women who carried goods and people clandestinely across the border

The Best Loved Boat Ian Kennedy, 2023-10-28 Built in 1913 the Canadian Pacific Railway's ship Princess Maquinna steamed up and down the rugged west coast of Vancouver Island in summer and winter calm weather and storms for over forty years and has become one of the most beloved boats in BC's maritime history Princess Maquinna sometimes referred to as the Ugly Princess but most often Old Faithful transported Indigenous people settlers missionaries loggers cannery workers prospectors and travellers of all kinds up and down Vancouver Island's rugged and dangerous west coast stopping at up to forty ports of call on her seven day run The Princess Maquinna faithfully served as the lifeline for all those who lived on the west coast of Vancouver Island before it became accessible by roads Because of this strong connection she became the Best Loved Boat in BC's maritime history Kennedy recounts battles through eighty knot gales along the exposed coastline sailors called The Graveyard of the Pacific and reveals the bigotry that forced Indigenous and Chinese passengers to remain on the foredeck of the ship while other passengers sheltered from the elements inside He brings the history of this beloved ship to life with rich detail recalling a time when this remote part of British Columbia was alive with mines canneries and now forgotten settlements

Whispering Wires Philip Metcalfe, 2007 After Agatha Clay's locket is stolen which is the only link to her parents it sparks a series of events that lead to revenge kidnappings and death

Rum-runners and Renegades Rich Mole, 2013 On October 1 1917 prohibition came into effect in the province of British Columbia Washington and Oregon had gone dry the previous year The ban on liquor sales led to deadly conflict and legal chaos in the Pacific Northwest and the legacy of those booze battles continues into the 21st century Rich Mole introduced readers to West Coast prohibition's pioneer years in *Scoundrels and Saloons* *Whisky Wars of the Pacific Northwest 1840-1917* In *Rum runners and Renegades* he recounts the wild and wacky and sometimes tragic results of later prohibition laws through the exploits of both prohibitionists and prohibition busters among them Jonathan Rogers a wealthy Vancouver builder and prohibition leader the Billingsley brothers a quartet of handsome bootleggers from Seattle and enterprising Johnny Schnarr Victoria's number one rum runner From vicious marine hijackers and bedeviled police to corrupt politicians and frustrated drinkers on both sides of the border this is an action filled account of liquor and lawlessness on the West Coast

Tales From the West Coast Adrienne Mason, 2003 From record breaking tea clippers to rum runners and sea monsters life on the west coast has never been dull Rich in seafaring legend and adventure these stories will take you on a voyage of discovery into the past

British Columbia Library Quarterly, 1971

Kilts on the Coast Jan Peterson, 2012-02-15 When the Hudson's Bay Company decided to establish its new Pacific coast headquarters at Fort Victoria on Vancouver Island in 1843 the Island was

a pristine paradise or an isolated wilderness depending on one's point of view that had sustained its First Nations inhabitants for millennia. It was one of the last places to be discovered and settled by Europeans in North America. It was Scots who came to the Island to manage the Company's business in Fort Victoria, engaging in the fur trade and establishing coal mining ventures around what is now Nanaimo, where black diamonds were found in abundance. From founding father James Douglas and other high-placed Company men to the humble miners from Orkney and Ayrshire who were brought over on harsh voyages around Cape Horn to work Nanaimo's mines, the Scottish influence on the young Colony of Vancouver Island was indelible. Nanaimo author and historian Jan Peterson focuses on events and people who sparked settlement and growth in BC's first Crown Colony over six critical years, 1848 to 1854, and delves deep into the roots of the Island's Scottish presence, tracing the lives of such pioneers as Dr. William Tolmie, Robert Dunsmuir, and their descendants.
