Prayer The Hidden Fire:

Prayer: The Hidden Fire Tom Harpur, 1998 For over 25 years journalist author and commentator Tom Harpur has been thinking speaking and writing about religion and spirituality for the mass media and a popular audience In the process he has travelled the globe written 14 books and thousands of articles on everything from life after death and the place of healing in religion to the controversy over who Jesus is and the rational basis for a firm belief in God In all of this experience Tom Harpur discovered that one of the central issues for every faith is prayer Yet over his time as a parish priest seminary professor and commentator Harpur found a distinct gap in the books available on prayer Simple practical and focused on real life *Prayer The Hidden Fire* is the kind of book on prayer Tom Harpur wanted and badly needed many years ago when he first consciously took over his own spiritual journey This book examines our deep inner need to pray Harpur encourages readers to go beyond childhood notions of prayer and to develop a personal style of praying and repertoire of prayers that work for them today Along the way Tom Harpur shares experiences from his own spiritual journey and gives readers his most personal work to date

Prayer: The Hidden Fire Tom Harpur, Canada's most prominent writer on religious issues gives us the first truly down to earth book on prayer Simple practical focussed on real life and completely honest

Prayer: The Hidden Fire Journal & Companion Guide Tom Harpur, 1999 Who Prays These Days Almost all of us do The practice of prayer is shared by an overwhelming majority across diverse beliefs and backgrounds But with the ongoing decline in the membership of institutional religion it's apparent that many people don't go to church to pray Many of us now turn to literature for spiritual guidance This journal will help you to reconnect with your inner need for prayer Prayers are extremely personal an intimate conversation coming from a deep human desire to communicate with God But too many of us are locked into a one dimensional model of prayer How do you pray with your whole heart if you are still relying on the prayers of early childhood that begin Now I lay me down to sleep or the official formally structured prayers of institutional religion Tom Harpur invites readers to view prayer as an intimate conversation with a personal God and to use the same language as they would use with a lover or a best friend Harpur brings the broad theological perspective of prayer to the personal level by exploring the deep yearning that calls one to prayer He includes suggestions which will help both the fully initiated and the bewildered novice experience more practically and deeply the spiritual benefits of prayer He also includes for personal adaptation a chapter of prayers written for his own use This is a truly down to earth simple yet honest from the heart and from the gut book on prayer that will help you discover what prayer means to you
