

NEW TESTAMENT / PREACHING

Preaching THE GOSPEL OF JOHN

In this accessible treatment of the major themes of the Gospel of John, renowned New Testament scholar Lamar Williamson blends the best of biblical scholarship and a close reading of the Fourth Gospel to meet the practical needs of weekly preaching. A more reflective Gospel in which the risen Jesus speaks in signs and discourses, John does not simply tell stories, but allows us to experience the Word and to see Jesus offering living water to the aridity of the institutional church and bread to the hungry hearts of individual disciples. More than mere exposition, *Preaching the Gospel of John* includes at the end of each passage three to five possibilities for preaching the text—creative and pertinent suggestions that can help preachers apply the words of the Fourth Gospel to the lives of today's churchgoers. Proclaiming the living Word is a major theme of the Gospel of John, and this clear and insightful commentary captures that message in the preaching moment.

LAMAR WILLIAMSON JR. is Professor Emeritus of Biblical Studies at Union Theological Seminary and Presbyterian School of Christian Education in Richmond, Virginia. He is the author of *Mark* in the Interpretation Commentary series.

Preaching the Gospel of John Lamar Williamson, 2004-01-01 In this accessible treatment of the major themes of the Gospel of John renowned New Testament scholar Lamar Williamson blends the best of biblical scholarship and a close reading of the Fourth Gospel to meet the practical needs of weekly preaching A more reflective Gospel in which the risen Jesus speaks in signs and discourses John does not simply tell stories but allows us to experience the Word and to see Jesus offering living water to the aridity of the institutional church and bread to the hungry hearts of individual disciples More than mere exposition Preaching the Gospel of John includes at the end of each passage three to five possibilities for preaching the text creative and pertinent suggestions that can help preachers apply the words of the Fourth Gospel to the lives of today's churchgoers Proclaiming the living Word is a major theme of the Gospel of John and this clear and insightful commentary captures that message in the preaching moment *Proclaiming the Living Word* Gordon W. Lathrop, 2019-10-01 In this handbook author Gordon Lathrop guides preachers as they think about the central matters and purposes of preaching and engage in preparation for this important task By providing wise encouragement and concrete tools for ministry this book will equip preachers for faithful preaching in their assemblies **Do this in Remembrance of Me** Bryan D. Spinks, 2014-02-10 Bryan Spinks is one of the world's leading scholars in the field of liturgy and to have a comprehensive work by him on the Eucharist is a major catch for SCM Like the author's previous work on Baptism this will become a standard work about the Eucharist and Eucharistic theology worldwide The book a study of the history and theology of the Eucharist is the fifth volume in the SCM Studies in Worship and Liturgy series and will help to establish the series as a place for landmark books of liturgical scholarship **Soteriology and the End of Animal Sacrifice** Giosuè Ghisalberti, 2018-08-24 Soteriology and the End of Animal Sacrifice traces the historically sustained critique of animal sacrifice in both the Jewish prophets and Greek philosophers and offers a reinterpretation of the fundamental expression of piety in both cultures The Jewish prophets such as Isaiah and Greek philosophers beginning with Pythagoras provided not only an unequivocal denunciation of animal sacrifice as a religious ritual Equally important they also offered an alternative conception of piety in and through a language dedicated to the therapeutic health and well being of others In the philosophies of Socrates and Epicurus in the Greek world and in the teaching and healing of Jesus in the Jewish world of first century Palestine we reach a decisive moment in the revolution of religion in the ancient world The practice of animal sacrifice in the temples of Greece and Jerusalem begins to be reconceived and eventually abolished and replaced by a soteriology or healing wholly dedicated to the well being of individuals no less than entire societies The replacement of animal sacrifice with soteriological speech is the single most important revolution in the religions of antiquity *The Pericope of the Adulteress in Contemporary Research* David Alan Black, Jacob N. Cerone, 2016-04-21 The contributors to this volume J D Punch Jennifer Knust Tommy Wasserman Chris Keith Maurice Robinson and Larry Hurtado re-examine the Pericope Adulterae John 7:53-8:11 asking afresh the question of the

paragraph s authenticity Each contributor not only presents the reader with arguments for or against the pericope s authenticity but also with viable theories on how and why the earliest extant manuscripts omit the passage Readers are encouraged to evaluate manuscript witnesses scribal tendencies patristic witnesses and internal evidence to assess the plausibility of each contributor s proposal Readers are presented with cutting edge research on the pericope from both scholarly camps those who argue for its originality and those who regard it as a later scribal interpolation In so doing the volume brings readers face to face with the most recent evidence and arguments several of which are made here for the first time with new evidence is brought to the table allowing readers to engage in the controversy and weigh the evidence for themselves

Who Do You Say That I Am? Michael Root,James J. Buckley,2014-09-03 No question is more central to Christian living preaching and theology than Jesus question to his disciples Who do you say that I am Some would have it that pastors and theologians biblical exegetes and historians dogmatic and moral theologians Catholic and Evangelical have more differences than similarities in the way Christians with such diverse vocations respond to Jesus question And there is little doubt that there sometimes seem to be unbridgeable gulfs between the way historians and believers Internet gossipers and preachers classical christological debates and present day praying and pastoral care implicitly or explicitly address the Lord s question But the authors here address these and other issues in ways that are remarkably convergent as if a Catholic and Evangelical theology for proclaiming and following Jesus today has emerged or is indeed emerging

Truth, Testimony, and

Transformation Yung Suk Kim, 2014-02-11 Investigating various contexts of the I am sayings in Jewish and Hellenistic traditions including the immediate context of the Johannine community Kim seeks to explore the themes and structure of the I am sayings of Jesus in the Fourth Gospel In doing so Kim demonstrates how the I am sayings of Jesus can be understood as Jesus embodiment of God's presence the Logos of God in the world and how such a language can help transform the struggling community into a loving community for all through a new vision of the Logos **Abide and Go** Michael J. Gorman, 2018-07-26 The Gospel of John would seem to be both the spiritual Gospel and a Gospel that promotes Christian mission Some interpreters however have found John to be the product of a sectarian community that promotes a very narrow view of Christian mission and advocates neither love of neighbor nor love of enemy In this book for both the academy and the church Michael Gorman argues that John has a profound spirituality that is robustly missional and that it can be summarized in the paradoxical phrase Abide and go from John 15 Disciples participate in the divine love and life and therefore in the life giving mission of God manifested in the ministry death and resurrection of Jesus As God's children disciples become more and more like this missional God as they become like his Son by the work of the Spirit This spirituality argues Gorman can be called missional theosis *Elenchus of Biblica*, 2004 **The Cry of the Earth and the Cry of the Poor** Kathleen P. Rushton, 2020-05-29 Despite the explicit proclamation in John's Gospel of the Word made flesh it is hard to preach such an esoteric Gospel in a way which offers something concrete relevant and timely for congregations Focused around the lectionary readings from the Gospel *The Cry of the Earth and the Cry of the Poor* suggests that far from being a Gospel which sits at a safe remove from every day life it can in fact be preached as an urgent call to hear the voices of the oppressed in our world Encouraging preachers to engage in the ancient practice of lectio divina the book offers an accessible resource to help address the divorce between what is heard from pulpit and the urgent social and ecological justice concern of our times

Experiencing Gospel Gordon A. A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature

quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

R.I.C.H. in Preaching Antonio LaMar Torrence,2020-12-22 As many black churches attempt to become welcoming spaces for LGBTQ people preachers are navigating ways to develop sermons that are more inclusive and welcoming Pastors and ministers can begin transforming their congregations to become extensions of Christ through preaching sermons about radical inclusive Christian hospitality RICH RICH preaching encourages its hearers to embrace those of the queer community as neighbors deserving of love compassion and healing
