Prelude To Revolution The Petrograd Bolsheviks And The July 1917 Uprising

Douglas Greene

Prelude To Revolution The Petrograd Bolsheviks And The July 1917 Uprising:

Prelude to Revolution Alexander Rabinowitch, 1991-08-22 Rabinowitch documents how the party's pluralistic nature had crucial implications for the outcome of the revolution in October **Prelude to Revolution** Alexander Rabinowitch, 1968

Prelude to Revolution Alexander Rabinowitch, 1968 *The Bolsheviks Come to Power* Alexander Rabinowitch, 2004

For generations in the West Cold War animosity blocked dispassionate accounts of the Russian Revolution This history authoritatively restores the upheaval's primary social actors workers soldiers and peasants to their rightful place at the center of the revolutionary process The Bolsheviks in Power Alexander Rabinowitch, 2008-08-08 Access to newly opened archives has allowed Alexander Rabinowitch to substantially rewrite the history of how the Bolsheviks consolidated their power in Russia Focusing on the first year of Soviet rule in St Petersburg he shows how state organs evolved in the face of repeated crises **The Workers' Revolution in Russia, 1917** Grinnell College. Rosenfield Program in Public Affairs, International Relations, and Human Rights, 1987-09-25 The essays in this book address the process of worker alienation and the way that the Bolsheviks appealed to rather than exploited the working population especially in the capital cities of Petrograd and Moscow James Bater surveys the growing demographic and social crisis in the capitals that accompanied rapid industrialization Steve Smith then traces the revolution in Petrograd particularly in the factories where worker radicalism often outpaced the leadership of parties of the left that came to power after the tsar was overthrown in February Diane Koenker finds a similar process at work in Moscow despite the differences between the two cities Finally both Ronald Suny and William Rosenberg demonstrate how significant these findings are for a more accurate understanding of the Russian Revolution and ultimately of the survival of the Bolsheviks government **Bolshevik Women** Barbara Evans Clements, 1997-08-13 Bolshevik Women is a history of the women who joined the Soviet Communist Party before 1921 The book examines the reasons these women became revolutionaries the work they did in the underground before 1917 their participation in the revolution and civil war and their service in the building of the USSR Drawing on a database of more than five hundred individuals as well as on intensive research into the lives of the most prominent female Bolsheviks the study argues that women were important members of the Communist Party at its lower levels during its formative years They were lieutenants printing leaflets speaking to crowds and running party operations in the cities They also created one of the most remarkable efforts to emancipate women from traditional society of the twentieth century This book traces their fascinating lives from the earliest years of the revolutionary movement through to their old age in the time of Khrushchev and Brezhnev Molotov: A Biography D. Watson, 2005-08-16 This is the first comprehensive biography of Molotov and reflects the range of sources that have become available to historians since the fall of the USSR It is a commentary on Soviet history Molotov played his part in revolution Civil War Lenin's Russia Stalin's struggle with the oppositions collectivization industrialization the Terror the Great Patriotic War the beginnings of the Cold War and in the Khrushchev era States and Social

Revolutions Theda Skocpol, 2015-09-29 State structures international forces and class relations Theda Skocpol shows how all three combine to explain the origins and accomplishments of social revolutionary transformations Social revolutions have been rare but undeniably of enormous importance in modern world history States and Social Revolutions provides a new frame of reference for analyzing the causes the conflicts and the outcomes of such revolutions It develops a rigorous comparative historical analysis of three major cases the French Revolution of 1787 through the early 1800s the Russian Revolution of 1917 through the 1930s and the Chinese Revolution of 1911 through the 1960s Believing that existing theories of revolution both Marxist and non Marxist are inadequate to explain the actual historical patterns of revolutions Skocpol urges us to adopt fresh perspectives Above all she maintains that states conceived as administrative and coercive organizations potentially autonomous from class controls and interests must be made central to explanations of revolutions

Telling October Frederick Corney, 2018-08-06 All revolutionary regimes seek to legitimize themselves through foundation narratives that told and retold become constituent parts of the social fabric erasing or pushing aside alternative histories Frederick C Corney draws on a wide range of sources archives published works films to explore the potent foundation narrative of Russia's Great October Socialist Revolution He shows that even as it fought a bloody civil war with the forces that sought to displace it the Bolshevik regime set about creating a new historical genealogy of which the October Revolution was the only possible culmination This new narrative was forged through a complex process that included the sacralization of October through ritualized celebrations its institutionalization in museums and professional institutes devoted to its study and ambitious campaigns to persuade the masses that their lives were an inextricable part of this historical process By the late 1920s the Bolshevik regime had transformed its representation of what had occurred in 1917 into a new orthodoxy the October Revolution Corney investigates efforts to convey the dramatic essence of 1917 as a Bolshevik story through the increasingly elaborate anniversary celebrations of 1918 1919 and 1920 He also describes how official commissions during the 1920s sought to institutionalize this new foundation narrative as history and memory In the book's final chapter the author assesses the state of the October narrative at its tenth anniversary paying particular attention to the versions presented in the celebratory films by Eisenstein and Pudovkin A brief epilogue assesses October's fate in the years since the collapse of the Soviet Union

The "Russian" Civil Wars, 1916-1926 Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many

non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow The French Revolutionary Tradition in Russian and Soviet Politics, Political Thought, and Culture Jay

Bergman, 2019 The Bolsheviks sought legitimacy and inspiration in historic revolutionary traditions and Jay Bergman argues that they saw the revolutions in France in 1789 1830 1848 and 1871 as supplying practically everything Marxism lacked including guidance in constructing socialism and communism and useful fodder for political and personal polemics

Mobilizing the Russian Nation Melissa Kirschke Stockdale, 2016-12-13 The First World War had a devastating impact on the Russian state yet relatively little is known about the ways in which ordinary Russians experienced and viewed this conflict Melissa Kirschke Stockdale presents the first comprehensive study of the Great War's influence on Russian notions of national identity and citizenship Drawing on a vast array of sources the book examines the patriotic and nationalist organizations which emerged during the war the role of the Russian Orthodox Church the press and the intelligentsia in mobilizing Russian society the war's impact on the rights of citizens and the new democratized ideas of Russian nationhood which emerged both as a result of the war and of the 1917 revolution Russia's war experience is revealed as a process that helped consolidate in the Russian population a sense of membership in a great national community rather than being a test of patriotism which they failed **The New Reformism and the Revival of Karl Kautsky** Douglas Greene, 2024-06-06 This

text offers an authoritative historiography of German socialist theorist Karl Kautsky and his impact on debates about the Russian Revolution and the contemporary left Known as the Pope of Marxism Douglas Greene examines the totality of Kautsky's political career and dissects the fundamental opportunism and passive radicalism that defined his Marxism He later examines the most substantive Marxist critics of Kautsky namely Rosa Luxemburg V I Lenin and Leon Trotsky while offering a critical assessment of the work produced by scholars and activists Lars Lih Eric Blanc and Mike McNair seeking to revive Kautsky **The New Reformism and the Revival of Karl Kautsky** is an important addition to scholarship on the subject and a valuable resource for those interested in the Russian Revolution German politics socialism Marxism and contemporary left wing debates **An Anti-Bolshevik Alternative** Liūdmila Gennad'evna Novikova, 2018-06-26 Shows that the Russian

Civil War was not a struggle between a Communist future and a Tsarist past but rather was a bloody fight among diverse factions in a postrevolutionary state Focusing on the sparsely populated Arkhangelsk region in northern Russia Novikova shows that the anti-Bolshevik government there which held out from 1918 to early 1920 was a revolutionary alternative bolstered by broad popular support **States of Memory** Jeffrey K. Olick, 2003-07-21 A journal into book collection on

national memory focusing on commemorations collective apologies and historical revisions now enhanced by the addition of 6

essays by senior historical sociologists **The Russian Revolution in Retreat, 1920-24** Simon Pirani, 2008-03-03 This book examines the relationship between the Russian Communist Party and working class in the years after the revolution and civil war It shows that the working class was politically expropriated by the Bolshevik party as democratic bodies such as soviets and factory committees were deprived of decision making power **Political Power and Social Theory** Diane E. Davis, Christina Proenza-Coles, 2008-09-07 Deals with the comparative and historical social science This title focuses on a variety of questions relating to states citizenship and power common themes examined with divergent analytical entry points and through deep knowledge of country cases as diverse as Russia the United States El Salvador South Africa and Israel

Alexander Shlyapnikov, 1885-1937 Barbara Allen, 2015-01-08 In Alexander Shlyapnikov 1885 1937 Life of an Old Bolshevik Barbara Allen recounts the political formation and positions of Russian Communist and trade unionist Alexander Shlyapnikov As leader of the Workers Opposition 1919 21 Shlyapnikov called for trade unions to realise workers mastery over the economy Despite defeat he continued to advocate distinct views on the Soviet socialist project that provide a counterpoint to Stalin's vision Arrested during the Great Terror he refused to confess to charges he thought illogical and unsupported by evidence Unlike the standard historical and literary depiction of the Old Bolshevik Shlyapnikov contested Stalin's and the NKVD's construct of the ideal party member Allen conducted extensive research in archives of the Soviet Communist party and secret police Listen to SRB Podcast's episode on Alexander Shlyapnikov An Old Working Class Bolshevik featuring Barbara Allen *A Short History of the Russian Revolution* Geoffrey Swain, 2022-01-27 The 1917 Revolution sent shockwaves throughout the globe setting a chain of events in motion that would change the entire course of the 20th century With the overthrow of the Romanov Dynasty Russia was plunged into the political unknown and from the crucible of social unrest ideological conflict and violent civil war the world's first communist state was forged In this revised edition Geoffrey Swain provides an incisive overview of one of the most complex and turbulent periods in modern history tracing key moments from the abdication of Tsar Nicolas II to the Bolshevik seizure of power A leading authority on Russia and Eastern Europe Geoffrey Swain highlights the important legacies of 1905 demonstrating how early revolutionary ambitions among the masses culminated in the events of 1917 Challenging conventions in Soviet scholarship this revised edition shows that the Bolshevik concepts of discipline and ideology that had mobilised the revolution set an unnecessary course towards dictatorship and terror Covering new historiography in the field this revised edition places a renewed emphasis on the social and cultural upheaval experienced in Russia amid the nation's political turmoil

This is likewise one of the factors by obtaining the soft documents of this **Prelude To Revolution The Petrograd Bolsheviks And The July 1917 Uprising** by online. You might not require more epoch to spend to go to the ebook inauguration as with ease as search for them. Prelude To Revolution The Petrograd Bolsheviks And The July 1917 Uprising Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Prelude To Revolution The Petrograd Bolsheviks And The July 1917 Uprising free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Prelude To Revolution The Petrograd Bolsheviks And The July 1917 Uprising free PDF files of magazines, brochures, and catalogs, Issuu is a popular

choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Prelude To Revolution The Petrograd Bolsheviks And The July 1917 Uprising free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Prelude To Revolution The Petrograd Bolsheviks And The July 1917 Uprising. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Prelude To Revolution The Petrograd Bolsheviks And The July 1917 Uprising any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Prelude To Revolution The Petrograd Bolsheviks And The July 1917 Uprising Books
