

Child Care Resource Guide for Families

Your trusted source in support of quality child care

When you have young children, you have a lot to plan for. Sometimes, child care isn't at the top of the list. We get it. You've got a lot on your mind, but it's never too early to start planning for child care. It's one of the most important decisions parents and caregivers make. Why? Because the quality of care your child receives will have a big impact on their life. That's why the Wisconsin Department of Children and Families (DCF) is here to help. DCF is Wisconsin's most trusted source in support of quality child care. This guide gives you the information and tools you need to find the care your child deserves.

Find your way to the care your child deserves

So much goes into finding child care that fits your family's needs. That's why our Child Care Resource Guide covers a wide range of topics. It's all important. Ultimately, DCF hopes it gives you the confidence and resources to find quality care.

Redefining Family Policy Joyce M. Mercier, Steven B. Garasky, Mack C. Shelley, II, 2008-02-28 Aimed at social scientists this book discusses family policy in general and the New Federalism in particular and experimental implementation of the Personal Responsibility and Work Opportunity Reconciliation Act PRWOA in the United States Here emphasis in family policy is shifted from a centralized entitlement approach to an exchange of personal responsibility work and training for better support services **Handbook of Parenting** Marc H. Bornstein, 2005-02-16 Please see Volume I for a full description and table of contents for all four volumes **The Well-being of Children and Families** Arland Thornton, 2001 An interdisciplinary examination of how well American families and children are faring at the start of the third millennium

Work, Family, Health, and Well-Being Suzanne M. Bianchi, Lynne M. Casper, Rosalind Berkow King, 2006-04-21 This volume grows out of the 1st conference sponsored by the NICHD This is an interdisciplinary project and there are potential markets in IO psychology sociology family studies demographics economics anthropology and social work **Taxing America** Karen B. Brown, Mary Louise Fellows, 1996 In the winter of 1996 Steve Forbes publisher heir and presidential candidate captured the American imagination with his proposal for a flat tax But while Mr Forbes claimed that such a tax

would level the economic playing field by eliminating countless loopholes and miles of red tape his actual proposal betrayed such claims to fairness by overtaxing workers and undertaxing financial capital In the face of recent proposals for dramatic and far reaching tax reform Taxing America takes a critical look at the way the federal government collects its revenue and exposes the bias at the heart of a system which claims to be objective and fair Contrary to traditional tax scholarship these writers argue that an awareness of disability discrimination economic exploitation heterosexism sexism and racism is crucial to any analysis of tax policy Gathering together essays whose topics range from federal housing policy to environmental clean up costs to tax treaty policy making Karen B Brown and Mary Louise Fellows present a philosophy that is as simple as it is radical economic arrangements contribute significantly to the creation of social hierarchies and the perpetuation of discrimination Given this reality Brown and Fellows maintain that the goal of the federal tax law should be social justice and the disruption of discriminatory and exploitative practices
