## **Safari The Last Adventure:**

**Safari** Peter Hathaway Capstick, 2025-09-23 From the master of African adventure writing Peter Hathaway Capstick presents the first modern authoritative comprehensive travel guide to African safari Drawn from his years of experience as a professional hunter Capstick's *Safari The Last Adventure* explains the preparations and procedures involved in his African expeditions how to select and book a safari where and when to go fees and licenses the guns ammo and personal equipment needed Chapters on each of the Big Five lion Cape buffalo elephant leopard and rhino the trophies most hunters want to take describe the techniques thrills and dangers of hunting these clever and cunning animals The other memorable delights of safari like camp life bird shooting fishing photography and game viewing in wildlife parks are also celebrated in this indispensable guide Packed with solid advice and nuggets of campfire lore and hunting yarns illustrated with thirty four black and white photographs and six line drawings this indispensable book is a classic work in its field essential equipment for anyone going on safari or just dreaming of one *Safari - The Last Adventure* Peter H. Capstick, 1993 [Take Me on Safari](#) Anthony P. Mauro Sr., 2003-07-02 The Two River Times says The book's vibrant descriptions of his hunting excursions express a true excitement and passion for the sport Tracker Outdoors calls it a wonderfully written and inspiring book about a family on safari in South Africa This finely crafted writing will surely inspire families hunters and nature lovers to explore the African bush African Hunter magazine proclaims this is a good story a story worth reading A First World family's initiation into the African bush and their appreciation of not only the wildlife but the country's unique culture *Take Me On Safari A Family Affair* is a compelling and one of a kind chronicle of a husband wife their teenage son young daughter and grandmom on safari in rural South Africa This is the unforgettable memoir of the Mauro family swept from their daily routines in suburbia U S A and dropped into the center of adventure drama and suspense in a remote corner of the Dark Continent The experience strengthened family bonds exposed them to the wonders of an ancient land and laid witness the timeless rituals of wildlife This uniquely written account also includes the unedited thoughts of family members as taken from their diaries The book is more than an sequential accounting of a family's journeys in the Northern Province of South Africa It is living testimony that a safari can be a catalyst that strengthens family bonds and supports wholesome values According to the author a safari is something much less than an arena for machismo but rather a voyage for the soul He continues because of a need to share this truth I just thought writing a book was the best way to get the message out Those that have enlisted the event know that a safari brings modern man within proximity to reasonably glimpse the life of primitive man It is a way to transport oneself as far as possible from the information driven and over regulated new age in which we live to the stark uninhibited and impulsive ways of ever present wildlife It can move us from a reality defined by the pillars of logic to a place where instinct governs survival and has done so since the dawn of time The book gives numerous examples of the safari testing the mettle of one's character It lays bare thoughts and emotions ranging from fatigue boredom disappointment fear

and sadness to understanding euphoria pride awe excitement and surprise all of which were called upon randomly and at a moments notice Also highlighted is the family s respect appreciation and concern for wildlife and their desire for it to be available for future generations The book demonstrates that a safari is more than an education about the wilderness As described by Mr Mauro In a way a safari is a religious experience and it can be as simple as living a humble life of faith or as complex to comprehend as all that is holy He continues It would give me great pleasure if my modest attempt at writing would inspire families hunters and observers to visit Africa and to take an interest in its future In my opinion the continent is an archaeological testimony to the ways of time immemorial and an important display of the intricate patterns and interdependencies of our world s ecology Although it is not a how to book Take Me on Safari can be a resource for anyone looking to take his or her family on safari or even go it alone for that matter

Sands Of Silence Peter Hathaway Capstick,1991-10-15 Only Peter Capstick the perennial leader in the field of African adventure could create this lavishly illustrated historically important volume He spins riveting tales from his travels and reports upon the Bushmen s culture their political persecution and the Stone Age life of Africa s original hunter gatherers Full color

Warrior Peter Hathaway Capstick,2025-08-22 Peter Hathaway Capstick died in 1996 At the time of his death the world renowned adventure writer was putting the finishing touches on this a stirring and vivid biography of Colonel Richard Meinertzhagen a man with whom he felt he had much in common Edited and prepared for publication by his widow Fiona Capstick Warrior is Capstick s riveting farewell to his fans and the final addition to the bestselling Peter Capstick Library Colonel Richard Meinertzhagen was one of those rare men whom fate always seems to cast in the dramas that shape history As a young officer he served in India and Africa during the glory days of the British Empire defending the crown s dominions and exploring its darkest reaches His exploits in the bloody colonial wars of turn of the century East

Africa earned him a reputation as one of the most fierce and ruthless soldiers in the Empire yet it was during those years spent roaming the silent places of the Serengeti hunting its game and learning its secrets that Meinertzhagen developed a fascination with Africa that would last a lifetime But there were other adventures to come and Capstick narrates them all with his trademark skill and wit daring commando raids against German forces in Africa and the Mideast during World War I covert missions to the USSR and Nazi Germany between the wars work as an OSS agent during World War II and Meinertzhagen's ceaseless support of Israeli nationhood are all woven together into an epic adventure Warrior The Legend of Colonel Richard Meinertzhagen is a powerful chronicle that follows the tracks of a twentieth century icon **The African**

**Adventurers** Peter Hathaway Capstick, 1992-06-15 Hailed as the adventure writing successor to Hemingway and Ruark only Peter Hathaway Capstick can write action as cleanly and suspensefully as the best of his predecessors Sports Illustrated This long awaited sequel to Death in the Silent Places brings to life four turn of the century adventurers and the savage frontiers they braved Frederick Selous a British hunter naturalist and soldier rewrote the history books with his fearless treks deep into Africa English game ranger Constantine Iodine Ionides saved Tanganyikan villages from man eating lions and leopards He also gained lasting fame for his uncanny ability to capture black mambas cobras Gaboon vipers and other deadly snakes The dashing Brit Johnny Boyes who gained the chieftainship of the Kikuyu tribe with sheer bravado and survived the ferocious battles and ambushes of intertribal warfare And Scottish ex boxer Jim Sutherland one of the best ivory hunters who ever lived His tracking skills and stamina afoot became the stuff of African hunting legend In The African Adventurers A Return to the Silent Places Capstick delivers the kind of chilling stories that Hemingway only heard second hand with a flair and style that Papa himself would admire Guns and Ammo The author's pungent wit and his authenticity gained from years in the bush make this quartet of vintage heroics an unforgettable return to the silent places **Last Horizons** Peter Hathaway

Capstick, 1988-12-15 Peter Hathaway Capstick first earned a name as an outdoor writer in the pages of such magazines as Guns describes the heart stopping sensation of sharing the immediate bush with several sickle clawed lions that most certainly were prone to argue and recounts his adventures bow fishing for exotic species in the piranha filled rivers of Brazil Capstick's experiences painfully gained and almost lost with the most dangerous of game are the yardsticks against which most modern exotic and hunting adventures are gauged The finely rendered drawings by Dino Paravano do justice to the text

Death in the Long Grass Peter Hathaway Capstick, 1978-01-15 As thrilling as any novel as taut and exciting as any adventure story Peter Hathaway Capstick's Death in the Long Grass takes us deep into the heart of darkness to view Africa through the eyes of one of the most renowned professional hunters Few men can say they have known Africa as Capstick has known it leading safaris through lion country tracking man eating leopards along tangled jungle paths running for cover as fear maddened elephants stampede in all directions And of the few who have known this dangerous way of life fewer still can recount their adventures with the flair of this former professional hunter turned writer Based on Capstick's own experiences

and the personal accounts of his colleagues *Death in the Long Grass* portrays the great killers of the African bush not only the lion leopard and elephant but the primitive rhino and the crocodile waiting for its unsuspecting prey the titanic hippo and the Cape buffalo charging like an express train out of control Capstick was a born raconteur whose colorful descriptions and eye for exciting authentic detail bring us face to face with some of the most ferocious killers in the world underrated killers like the surprisingly brave and cunning hyena silent killers such as the lightning fast black mamba snake collective killers like the wild dog Readers can lean back in a chair sip a tall iced drink and revel in the kinds of hunting stories Hemingway and Ruark used to hear in hotel bars from Nairobi to Johannesburg as veteran hunters would tell of what they heard beyond the campfire and saw through the sights of an express rifle
