Thomas Bernhard's Afterlives Olaf Berwald, Stephen D. Dowden, Gregor Thuswaldner, 2020-10-01 In his prose fiction memoirs poetry and drama Thomas Bernhard 1931 1989 one of the 20th century's most uniquely gifted writers created a new and radical style seemingly out of thin air His books never tell a story in the received sense Instead he rages on the page he rants and spews vitriol about the moral failures of his homeland Austria in the long amnesiac aftermath of the Second World War Yet this furious prose seemingly shapeless but composed with unparalleled musicality and taxing by conventional standards has been powerfully

echoed in many writers since Bernhard's death in 1989. These explorers have found in Bernhard's singular accomplishment new paths for the expression of life and truth. Thomas Bernhard's *Afterlives* examines the international mobilization of Bernhard's style. Writers in Italian, German, Spanish, Hungarian, English, and French have succeeded in making Bernhard's Austrian vision an international vision. This book tells that story. **Die deutsche Einwanderung nach Florenz im Spätmittelalter** Lorenz Böniger, 2006-06-01. This volume deals with the history of migration from Central Europe to the Italian city of Florence in the late Middle Ages ca. 1350-1500. Using a broad variety of sources (confraternity records, fiscal and notarial documents), it shows that this history was far more important than hitherto known. Not only Dutch and Northern German weavers but also shoemakers from Southern Germany and many other Northern artisans and artists worked in Florence in a continuous cultural exchange. The identification of a certain Arigo from Nuremberg, the translator of Boccaccio's *Decamerone* into German, shows however how the changing climate after 1480 conditioned also the professional choices. In fact, after these years he became known as a prolific draughtsman of geographical maps under the name of Henricus Martellus. **Host Bibliographic Record for Boundwith Item Barcode 30112118406252 and Others**, 1893
