Sahagun And The Transition To Modernity:

Sahagún and the Transition to Modernity Walden Browne, 2000-01-01 Fray Bernardino de Sahagun best known as the most important source for information on precolonial and colonial Nahuas Aztecs is generally recognized as an anthropologist a humanist and a practitioner of modern scientific methods In *Sahagun and the Transition to Modernity* Walden Browne paints a strikingly different picture of the sixteenth century Franciscan Fray Sahagun as a product of his times rather than as a precursor of the modern era Browne argues that Sahagun s work actually signals the disintegration of medieval ways of knowing in the crisis ridden missionary environment of New Spain more than four hundred years ago Responding to the dilemmas within the mission in New Spain Sahagun used the tools of medieval scholasticism to place Nahua culture within a unified Christian worldview In the face of certain Nahua traits however that scholasticism fell short Browne argues that Sahagun s unsuccessful struggle to redefine Nahuas according to medieval ideals exemplifies the transition from the medieval period to modernity *Bernardino de Sahagun* Miguel Leon-Portilla, 2012-09-13 He was sent from Spain on a religious crusade to Mexico to detect the sickness of idolatry but Bernardino de Sahag n c 1499 1590 instead became the first anthropologist of the New World The Franciscan monk developed a deep appreciation for Aztec culture and the Nahuatl language In this biography Miguel Le n Portilla presents the life story of a fascinating man who came to Mexico intent on changing the traditions and cultures he encountered but instead ended up working to preserve them even at the cost of persecution Sahag n was responsible for documenting numerous ancient texts and other native testimonies He persevered in his efforts to study the native Aztecs until he had developed his own research methodology becoming a pioneer of anthropology Sahag n formed a school of Nahua scribes and labored with them for more than sixty years to transcribe the pre conquest language and culture of the Nahuas His rich legacy our most comprehensive account of the Aztecs is contained in his *Primeros Memoriales* 1561 and *Historia General de las Cosas de Nueva Espa a* 1577 Near the end of his life at age 91 Sahag n became so protective of the Aztecs that when he died his former Indian students and many others felt deeply affected Translated into English by Mauricio J Mixco Le n Portilla s absorbing account presents Sahag n as a complex individual a man of his times yet a pioneer in many ways **Multilingualism in the Middle Ages and Early Modern Age** Albrecht Classen, 2016-09-12 Bi and multilingualism are of great interest for contemporary linguists since this phenomenon deeply reflects on language acquisition language use and sociolinguistic conditions in many different circumstances all over the world Multilingualism was however certainly rather common already if not especially in the premodern world For some time now research has started to explore this issue through a number of specialized studies The present volume continues with the investigation of multilingualism through a collection of case studies focusing on important examples in medieval and early modern societies that is in linguistic and cultural contact zones such as England Spain the Holy Land but also the New World As all contributors confirm the numerous cases of multilingualism discussed here indicate strongly that the premodern

period knew considerably less barriers between people of different social classes cultural background and religious orientation But we also have to acknowledge that already then human communication could fail because of linguistic hurdles which prevented mutual understanding in religious and cultural terms **The Fifteenth Month** John F.

Schwaller,2019-05-02 The Mexica Aztecs used a solar calendar made up of eighteen months with each month dedicated to a specific god in their pantheon and celebrated with a different set of rituals Panquetzaliztli the fifteenth month dedicated to the national god Huitzilopochtli Hummingbird on the Left was significant for its proximity to the winter solstice and for the fact that it marked the beginning of the season of warfare In The Fifteenth Month John F Schwaller offers a detailed look at how the celebrations of Panquetzaliztli changed over time and what these changes reveal about the history of the Aztecs Drawing on a variety of sources Schwaller deduces that prior to the rise of the Mexica in 1427 an earlier version of the month was dedicated to the god Tezcatlipoca Smoking Mirror a war and trickster god The Mexica shifted the dedication to their god developed a series of ceremonies including long distance running and human sacrifice that would associate him with the sun and changed the emphasis of the celebration from warfare alone to a combination of trade and warfare since merchants played a significant role in Mexica statecraft Further investigation shows how the resulting festival commemorated several important moments in Mexica history how it came to include ceremonies associated with the winter solstice and how it reflected a calendar reform implemented shortly before the arrival of the Spanish Focused on one of the most important months in the Mexica year Schwaller s work marks a new methodology in which traditional sources for Mexica culture rather than being interrogated for their specific content are read for their insights into the historical development of the people Just as Christmas re creates the historic act of the birth of Jesus for Christians so The Fifteenth Month suggests Panquetzaliztli was a symbolic re creation of events from Mexica myths and history **Betwixt and**

Between David Johnston,Stephen Kelly,2009-10-02 Betwixt and Between place and cultural translation examines the often fraught relationship between conceptions of place and the attempt to translate them critically politically and ethnographically for native and non native audiences Examining translation in a number of key contemporary geo political contexts including Northern Ireland Venezuela India Italy Canada Germany France and the Middle East and in a variety of genres including poetry drama film television advertising and the novel in multiple languages Betwixt and Between argues for the curiously fruitful dislocation of translation as a discourse and practice Contributors argue that by attending to the curiously placeless place of the translator translation studies might better police the quiet pieties of nationalism ethnic singularity and cultural homogeneity which have so destructively determined the politics of the last two centuries and which threaten to overwhelm our understanding of current cultural and political antagonisms The Unconverted Self Jonathan Boyarin,2011-05-14 The Unconverted Self proposes that questions of difference inside Christian Europe not only are inseparable from the painful legacy of colonialism but also reveal Christian domination to be a fragile construct Boyarin

compares the Christian efforts aimed toward European Jews and toward indigenous peoples of the New World bringing into focus the intersection of colonial expansion with the Inquisition and adding significant nuance to the entire question of the colonial encounter Publisher description **The Fate of Earthly Things** Molly H. Bassett, 2015-01-30 Bassett at last provides a path to understand better the specifically Aztec characteristics of the *teteoh* and their ritual embodiments Ethnohistory Following their first contact in 1519 accounts of Aztecs identifying Spaniards as gods proliferated But what exactly did the Aztecs mean by a god *teotl* and how could human beings become gods or take on godlike properties This sophisticated interdisciplinary study analyzes three concepts that are foundational to Aztec religion *teotl* god *teixiptla* localized embodiment of a god and *tlaquimilolli* sacred bundles containing precious objects to shed new light on the Aztec understanding of how spiritual beings take on form and agency in the material world In *The Fate of Earthly Things* Molly Bassett draws on ethnographic fieldwork linguistic analyses visual culture and ritual studies to explore what ritual practices such as human sacrifice and the manufacture of deity embodiments including humans who became gods material effigies and sacred bundles meant to the Aztecs She analyzes the Aztec belief that wearing the flayed skin of a sacrificial victim during a sacred rite could transform a priest into an embodiment of a god or goddess as well as how figurines and sacred bundles could become localized embodiments of gods Without arguing for unbroken continuity between the Aztecs and modern speakers of Nahuatl Bassett also describes contemporary rituals in which indigenous Mexicans who preserve *costumbres* traditions incorporate *totiotzin* gods made from paper into their daily lives This research allows us to understand a religious imagination that found life in death and believed that deity embodiments became animate through the ritual binding of blood skin and bone **Early Modern Ecostudies** I. Kamps, K. Raber, 2016-04-29 The essays in this volume interrogate the unique and often problematic relationship between early modern cultural studies and ecocriticism providing theoretical insights and models for a future practice that successfully wed the two disciplines *Futuring Our Past* Espin, Orlando , Macy, Gary, 2014-04-10 The Catholic understanding of Tradition is not just about the preservation of ancient practices or customs it is the process by which the faith is handed on traditioned from one generation to another The essays in this volume by scholars from a wide range of disciplines center on two questions How is the Christian tradition traditioned among Latino as And what impact does this traditioning have on the Tradition *Futuring our Past* is the first volume in a new Orbis series published in cooperation with the Center for the Study of Latino a Catholicism at the University of San Diego Aside from the editors contributors include Bernard Cooke Miguel H D az Michelle Gonz lez Jos R Irizzary Francisco Lozada Jr Daisy L Machado Nancy Pineda Madrid Gary Riebe Estrella Jean Pierre Ruiz and Theresa Torres **Secret Science** María M. Portuondo, 2013-04-18 The discovery of the New World raised many questions for early modern scientists What did these lands contain Where did they lie in relation to Europe Who lived there and what were their inhabitants like Imperial expansion necessitated changes in the way scientific knowledge was gathered and Spanish cosmographers in particular were

charged with turning their observations of the New World into a body of knowledge that could be used for governing the largest empire the world had ever known As Mar a M Portuondo here shows this cosmographic knowledge had considerable strategic defensive and monetary value that royal scientists were charged with safeguarding from foreign and internal enemies Cosmography was thus a secret science but despite the limited dissemination of this body of knowledge royal cosmographers applied alternative epistemologies and new methodologies that changed the discipline and in the process how Europeans understood the natural world *Undocuments* John-Michael Rivera,2021-03-30 UNDOCUMENTS is an expansive multi genre exploration of Greater Mexican documentality that reveals the complicated ways all Latinx peoples including the author become objectified within cultures John Michael Rivera remixes the Florentine Codex and other documents as he takes an intense look at the anxieties and physical detriments tied to immigration **Indian Alliances and the Spanish in the Southwest, 750-1750** William B. Carter,2012-12-04 When considering the history of the Southwest scholars have typically viewed Apaches Navajos and other Athabaskans as marauders who preyed on Pueblo towns and Spanish settlements William B Carter now offers a multilayered reassessment of historical events and environmental and social change to show how mutually supportive networks among Native peoples created alliances in the centuries before and after Spanish settlement Combining recent scholarship on southwestern prehistory and the history of northern New Spain Carter describes how environmental changes shaped American Indian settlement in the Southwest and how Athapaskan and Puebloan peoples formed alliances that endured until the Pueblo Revolt of 1680 and even afterward Established initially for trade Pueblo Athapaskan ties deepened with intermarriage and developments in the political realities of the region Carter also shows how Athapaskans influenced Pueblo economies far more than previously supposed and helped to erode Spanish influence In clearly explaining Native prehistory Carter integrates clan origins with archeological data and historical accounts He then shows how the Spanish conquest of New Mexico affected Native populations and the relations between them His analysis of the Pueblo Revolt reveals that Athapaskan and Puebloan peoples were in close contact underscoring the instrumental role that Athapaskan allies played in Native anticolonial resistance in New Mexico throughout the seventeenth century Written to appeal to both students and general readers this fresh interpretation of borderlands ethnohistory provides a broad view as well as important insights for assessing subsequent social change in the region *Parallel Worlds* Kerry M. Hull,Michael D. Carrasco,2012-05-15 Despite recent developments in epigraphy ethno poetics and the literary investigation of colonial and modern materials few studies have compared glyphic texts and historic Maya literatures *Parallel Worlds* examines Maya writing and literary traditions from the Classic period until today revealing remarkable continuities across time In this volume contributions from leading scholars in Maya literary studies examine Maya discourse from Classic period hieroglyphic inscriptions to contemporary spoken narratives focusing on parallelism to unite the literature historically Contributors take an ethno poetic approach examining literary and verbal arts from a historical perspective acknowledging

that poetic form is as important as narrative content in deciphering what these writings reveal about ancient and contemporary worldviews Encompassing a variety of literary motifs including humor folklore incantation mythology and more specific forms of parallelism such as couplets chiasms kennings and hyperbatons *Parallel Worlds* is a rich journey through Maya culture and pre Columbian literature that will be of interest to students and scholars of anthropology ethnography Latin American history epigraphy comparative literature language studies indigenous studies and mythology *Spain* Robert Goodwin,2015-07-21 The Golden Age of the Spanish Empire would establish five centuries of Western supremacy across the globe and usher in an era of transatlantic exploration that eventually gave rise to the modern world It was a time of discovery and adventure of great political and social change it was a time when Spain learned to rule the world Assembling a spectacular cast of legendary characters like the Duke of Alba El Greco Miguel de Cervantes and Diego Velazquez Robert Goodwin brings the Spanish Golden Age to life with the vivid clarity and gripping narrative of an epic novel From scholars and playwrights to poets and soldiers Goodwin is in complete command of the history of this tumultuous and exciting period But the superstars alone will not tell the whole tale Goodwin delves deep to find previously unrecorded sources and accounts of how Spain's Golden Age would unfold and ultimately unravel Spain is a sweeping and revealing portrait of Spain at the height of its power and a world at the dawn of the modern age **Mexican Indigenous Languages at the Dawn of the Twenty-First Century** Margarita Hidalgo,2008-08-22 This volume explores the reversing language shift RLS theory in the Mexican scenario from various viewpoints The sociohistorical perspective delves into the dynamics of power that emerged in the Mexican colony as a result of the presence of Spanish It examines the processes of external and internal Indianization affecting the early European protagonists and the varied dimensions of language shift and maintenance of the Mexican colonial period The Mexican case sheds light upon language contact from the time in which Western civilization came into contact with the Mesoamerican peoples for the encounter began with a demographic catastrophe that motivated a recovery mission While the recovery of Mexican indigenous languages MIL was remarkable RLS ended after fifty years of abundant productivity in MIL Since then the slow process of recovery is related to demographic changes socioreligious movements rebellion confrontation and survival strategies that have fostered language maintenance with bilingualism and language shift with culture preservation The causes of the Chiapas uprising are analyzed in connection with the language attitudes of the indigenous peoples while language policy is discussed in reference to the new Law of Linguistic Rights of the Indigenous Peoples 2003 A quantitative classification of the MIL is offered with an overview of their geographic distribution trends of macrosocietal bilingualism use in the home domain and permanence in the original Mesoamerican settlements Innovative models of bilingual education are presented along with relevant data on several communities and the philosophies and methodologies justifying the programs A model of Mazahua language use is presented along the Graded Intergenerational Disruption Scale **Swimming the Christian Atlantic (2 vols)** Jonathan Schorsch,2009-09-30

Scholarship on the formation of the Atlantic world through contributions from Europe Africa and the Americas has grown in recent decades The results offer new understandings of the transformations in ethnic and religious identity faced by peoples from all the surrounding continents Long used by scholars of Jewish studies records from the Spanish and Portuguese Inquisitions have become an important source for historians of Africans and Amerindians in the Iberian colonial orbit Using these and other materials this book explores race religion and politics among three newly and incompletely Christianized groups in the seventeenth century Judeoconversos Afroiberians and Amerindians This fresh cross cultural analysis brings these differing trajectories into dialogue The Flower and the Scorpion Pete Sigal,2011-11-25 Sigal argues that sixteenth century Nahua sexuality cannot be fully understood only through colonial sensibilities and sources He examines legal documents clerical texts pictorial manuscripts images and glyphs of Nahua gods and goddesses and descriptions of fertility rituals and other historical accounts and stories to show the complexity of Nahua sexuality **The Spanish Empire** H. Micheal Tarver,Emily Slape,2016-07-25 Through reference entries and primary documents this book surveys a wide range of topics related to the history of the Spanish Empire including past events and individuals as well as the Iberian kingdom s imperial legacy The Spanish Empire A Historical Encyclopedia provides students as well as anyone interested in Spain Latin America or empires in general the necessary materials to explore and better understand the centuries long empire of the Iberian kingdom The work is organized around eight themes to allow the reader the ability to explore each theme through an overview essay and several selected encyclopedic entries This two volume set includes some 180 entries that cover such topics as the caste system dynastic rivalries economics major political events and players and wars of independence The entries provide students with essential information about the people things institutions places and events central to the history of the empire Many of the entries also include short sidebars that highlight key facts or present fascinating and relevant trivia Additional resources include an introductory overview chronology extended bibliography and extensive collection of primary source documents **Food Studies in Latin American Literature** Rocío del Aguila,Vanesa Miseres,2021-12-10 Collection of essays analyzing a wide array of Latin American narratives through the lens of food studies Rabinal Achi Dennis Tedlock,2003-09-04 Here is one of the most important surviving works of pre Columbian civilization Rabinal Achi a Mayan drama set a century before the arrival of the Spanish produced by the translator of the best selling Popol Vuh The first direct translation into English from Quich Maya based on the original text Rabinal Achi is the story of city states war and nobility of diplomacy mysticism and psychic journeys Cawek of the Forest People has been captured by Man of Rabinal who serves a ruler named Lord Five Thunder Cawek is a renegade a warrior who has inflicted much suffering on Rabinal Yet he is also the son of the lord of the allied city of Quich a noble who once fought alongside Man of Rabinal The drama presents the confrontation between the two during the trial of Cawek who defies his captors and proudly accepts death by beheading Dennis Tedlock s translation is clear and vivid more than that it is rooted in an understanding of how the

play is actually performed Despite being banned for centuries by Spanish authorities it survived in actual practice and is still performed in the town of Rabinal today Tedlock s photographs and diagrams accompany the text capturing nuances not apparent in the dialogue alone He also provides an introduction and commentary that explain the historical events compressed into the play the Spanish influence on the Mayan dramatic tradition and the cultural and religious world preserved in this remarkable play Rabinal Achi ranks as a classic of Mayan literature and a rare window on a world that had yet to be invaded by Europeans Dennis Tedlock brings this drama to life in all its richness

Sahagun And The Transition To Modernity Introduction

In today's digital age, the availability of Sahagun And The Transition To Modernity books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sahagun And The Transition To Modernity books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sahagun And The Transition To Modernity books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sahagun And The Transition To Modernity versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sahagun And The Transition To Modernity books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sahagun And The Transition To Modernity books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sahagun And The Transition To Modernity books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sahagun And The Transition To Modernity books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sahagun And The Transition To Modernity books and manuals for download and embark on your journey of knowledge?

FAQs About Sahagun And The Transition To Modernity Books

What is a Sahagun And The Transition To Modernity PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sahagun And The Transition To Modernity PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sahagun And The Transition To Modernity PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sahagun And The Transition To Modernity PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sahagun And The Transition To Modernity PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe

Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
