ideas to the Italians the Arabs and the Slavs Their heroic efforts inspired the Renaissance the golden age of Islamic learning and Russian Orthodox Christianity which came complete with a new alphabet architecture and one of the world s greatest artistic traditions The story s central reference point is an arcane squabble called the Hesychast controversy that pitted humanist scholars led by the brilliant acerbic intellectual Barlaam against the powerful monks of Mount Athos led by the stern Gregory Palamas who denounced pagan rationalism in favor of Christian mysticism Within a few decades the light of Byzantium would be extinguished forever by the invading Turks but not before the humanists found a safe haven for Greek literature The controversy of rationalism versus faith would continue to be argued by some of history s greatest minds Fast paced compulsively readable and filled with fascinating insights *Sailing from Byzantium* is one of the great historical dramas the gripping story of how the flame of civilization was saved and passed on
