**Saint John of the Cross** Alain Cugno,1982-01-01      John of the Cross and the Cognitive Value of Mysticism Steven Payne,1990-07-31 This book is a significant contribution to the literature on mysticism and the epistemology thereof It is recommended to all those interested in the mystics and in the question of the cognitive value of mysticism Review of Metaphysics March 1992      John of the Cross and the Cognitive Value of Mysticism S. Payne,2012-12-06 Among Anglo American philosophers interest in mysticism has typically been limited to the question of whether or not mystical and religious experiences provide evidence for or knowledge of the existence and nature of God Most authors conclude that they do not because such experiences lack certain qualities needed in order to be counted as cognitive In this study I examine some current philosophical opinions about mysticism and objections to its epistemic significance in the context of a detailed study of the writings of a single mystical author the Spanish Carmelite Saint John of the Cross 1542 1591 I argue that from his works one can draw a coherent theory of what takes place in the Christian mystical life and will indicate how acceptance of this theory might be defended as rational through a type of inference often referred to as the Argument to the Best Explanation In this way I hope to show that mysticism still has a significant bearing on the justification of religious faith even if it cannot be used to prove the existence of God The nature and advantages of my own somewhat unusual approach to mysticism can perhaps best be explained by contrasting it with the way other authors have dealt with the subject One of the most striking developments in recent decades has been the growing fascination with mysticism meditation and the experiential aspects of religion      **The Contemporary Challenge of John of the Cross: An Introduction to His Life and Teaching** Leonard Doohan,2014-01-22 A clear and simple introduction to the life writings and message of the Mystical Doctor stressing always the practical applications of his teaching and example for today's Christians      Reflections on the Art of Living Henry J. Zeiter MD,2015-03-06 In all my years of travel I have seldom met anyone as sagacious as Henry Zeiter and even more seldom have I met anyone more widely read He knows a great deal about a great many things and something about almost everything else This new volume of his musings will enrich anyone blessed enough to read it Joseph Pearce Author Biographer of C S Lewis J R Tolkien Oscar Wilde Solzhenitsyn Chesterton others Writer in Residence Ave Maria University Many thanks to Dr Henry Zeiter for collecting and sharing insights gathered over many years I am amazed at the variety ranging from intensely personal reflections on to struggles of daily life to impressive literary philosophical and medical analyses I especially recommend his essay on James Joyce it is written with real feeling for a tortured soul Brian T Kelly Ph D Professor of Philosophy Mathematics and Science Dean of Thomas Aquinas College Santa Paula California Dr Zeiter has lived intensely and experienced the whole ride on the emotional rollercoaster He has observed much learned some and reflected a lot on life We can learn from him and there is a great connection between learning and fully living There is a memorable line in the movie The Shawshank Redemption Get busy living or get busy dying Henry Zeiter will certainly help

you get busy living Read his material slowly Taste it digest it in small bites and reflect on it That way you can enjoy the meal and absorb it in your own way Dr J Mitchell Perry JM Perry Learning Center Ventura California     John of the Cross

Tradition Paul-Marie of the Cross, OCD, 2015-12-11 This book is a revised edition of the classic overview of the principal texts themes and teachings of Carmel Elijah and Mary the Rule of St Albert the Carmelite understanding of prayer and the message of Sts Teresa John of the Cross and Th r se Carmel is known above all for her priceless heritage of spirituality For centuries in the spirit of Elijah and the ancient prophets Carmelites have sought to encounter the living God and to teach others the ways of prayer In sixteenth century Spain Saint Teresa of Avila brought renewed vitality to this religious family by inaugurating a reform movement that became known as the Discalced Carmelites a new and fruitful branch on an ancient vine Carmelite Spirituality in the Teresian Tradition first published in English in 1959 provides a concise and inspiring overview of Carmel s spiritual heritage from a Teresian perspective Renowned Discalced Carmelite author Paul Marie of the Cross identifies the principal texts themes figures and teachings of Carmel Elijah and Mary the Rule of St Albert and the Book of the Institution of the First Monks the Carmelite understanding of contemplation and the degrees of prayer the message of Saints Teresa John of the Cross and Th r se of Lisieux This classic essay long out of print is here updated and reprinted for a new generation of seekers longing to slake their spiritual thirst at the fount of Carmel     The Problem of Religious Experience Olga Louchakova-Schwartz, 2020-01-28 For a long time the philosophically difficult topic of religious experience has been on the sidelines of phenomenological research with a notable exception of Anthony Steinbock who focused on mysticism The book The Problem of Religious Experience Case Studies in Phenomenology with Reflections and Commentaries brings together preeminent as well as emerging voices in the field with fresh views on the topic Originating from dialogues of the Society for the Phenomenology of Religious Experience these two volumes cover a spectrum of phenomenological approaches with a thematization of the field in the form of case studies Contributions from theology comparative religion psychology and the philosophy of religion come together in the commentaries and meta narrative written by Olga Louchakova Schwartz the editor Volume I The Primeval Showing of Religious Experience examines religious experience with regard to its lived interiority in light of the problem of the ego cogito including the recent research on the embodiment of subjectivity and phenomenological materiality Volume I also sheds light on religious experience in regard for the problems of its constitution passive synthesis the world and otherness Volume II Doxastic Perspectives in the Phenomenology of Religious Experience addresses the phenomenology of revelation shows how different approaches treat the question of essence in religious experience i e what is it that makes religious experience religious and demonstrates how religious experience contributes to the psychological horizon of meaning The book identifies the growing edges in the phenomenological research of religious experience and is useful for psychologists philosophers and theologians alike The two volumes offer an excellent interdisciplinary introduction to the phenomenon of religious experience The case studies presented in them are arranged under the central topics of self alterity revelation and psychological aspects of religious experience and provide outstanding examples of applied phenomenology Hans Rainer Sepp Charles University Prague and

Central European Institute of Philosophy In the context of the return of religion this book offers both a timely and necessary contribution to confront the peculiarities of religious experience Providing readers with applied phenomenological descriptions in an interdisciplinary spirit these debates will prove stimulating for a resurgent field of research that is starting to refine its conceptual devices and methodological presuppositions University of Vienna *The Direction of Desire* Mark Gerard Murphy, 2023-09-25 This book examines Lacanian psychoanalysis and Christian mystical theology demonstrating the former's potential for reinvigorating spiritual direction The author outlines how current methods of spiritual direction become saturated with self help psycho pop methodologies and that desire has therefore been foreclosed in these practices He suggests that the root of this is a focus on positive affective experientialism which means spiritual direction must focus on emotional wholeness healing and positivity Finally he argues that a new dialogue between John of the Cross a mystic whose writings on spiritual direction formulate part of the core of the Catholic spiritual tradition and Jacques Lacan can open the way for a spiritual direction beyond the confines of experientialism The book concludes that we can only escape the experiential commodification of spiritual direction by critiquing the drive to experience in and of itself This novel work will appeal in particular to students and scholars of psychoanalysis religion philosophy and critical theory

**Christianity Looks East** Peter Feldmeier, 2006 This fascinating book takes a fresh look at interreligious dialogue with St John of the Cross and Bhadantacariya Buddhaghosa as representatives of Christian and Buddhist paths to liberation As the world is increasingly experienced as a global village dialogue with other religious traditions is widely regarded as possibly the greatest modern or post modern challenge and the distinctive journey of our time Dialogue not only informs our understanding of various expressions of holiness it also can inform one's own religious faith and practice This book investigates a form of dialogue that can be a model for future dialogues Without laying assumptions on the nature of religious experience it allows these classic texts and their representative religions to speak for themselves What is often lacking in this history of dialogue is its lack of appreciation for distinctive religious paths and the experiences described therein *Denis Edwards in His Own Words* ATF Press, 2020-05-01 Denis Edwards was a theologian concerned with the science and religion discourse and eco theology He died in March 2019 This book is a collection of his till now unpublished talks and essays

**Religious Epiphanies Across Traditions and Cultures** James Kellenberger, 2017-08-08 This book explores religious epiphanies in which there is the appearance of God a god or a goddess or a manifestation of the divine or religious reality as received in human experience Drawing upon the scriptures of various traditions ancillary religious writings psychological and anthropological studies as well as reports of epiphanic experiences the book presents and examines epiphanies as they have occurred across global religious traditions and cultures historically and up to the present day Primarily providing a study of the great range of epiphanies in their phenomenal presentation Kellenberger also explores issues that arise for epiphanies such as the matter of their veridicality whether they are truly of or from the divine and the question of whether all epiphanies are of the same religious reality

**Knowledge and Symbolization in Saint John of the Cross** Elizabeth Wilhelmsen, 1993 The works of Juan de la Cruz contains numerous passages dealing with human cognition both ordinary and mystical This study traces San Juan's examination of the mystic's knowledge in and through God The sixteenth century Spanish thinker stresses that conditionality is a fundamental character of all human knowledge and brings to light a complex movement of contiguity between one and another mode of cognitive activity Also discussed is the expression through the instruments of prose and poetry of the mystic's supereminent and therefore ineffable experience of knowledge and love Relying upon Juan de la Cruz's

own texts it is shown how a relative communication can be effected despite the barriers separating mystical from ordinary cognition

**San Juan de la Cruz** Saint John of the Cross,1996-01-01 St John San Juan de la Cruz is one of the greatest mystics and poets in any language This is a new introduction and translation of St John poetry presented in both Spanish and English and prose commentaries that includes his biography providing an integrated vision that resurrects the power of his poetic voice

**Learned, Experienced, and Discerning** Mark O'Keefe,2020-08-21 The Christian life is a grand journey And like any pilgrimage along unfamiliar roads we can benefit from having experienced guides and trustworthy companions along the way Through their classic spiritual texts Teresa of Avila and John of the Cross offer valuable maps of tried paths along the way At the same time they were both experienced and sought after spiritual companions for many others Their timeless insights into the qualities that should mark a good spiritual director learned experienced and discerning are the fruit of their own prayer reflection and rich personal experience as guides and as people guided by others

**Mystical Moments and Unitive Thinking** Daniel Merkur,1999-01-01 Building on the psychoanalytic object relations theory that the self is always in relationship with an object Merkur argues that the solipsism of some varieties of mystical union always implies unconscious ideas of a love object who is transcendent

*Working with Mystical Experiences in Psychoanalysis* Leslie Stein,2018-10-09 A mystical experience no matter what else is a subjective occurrence in the psyche However when it appears in the psychoanalytic consulting room its origin content and meaning are unknowable Yet it is there in the room and it must be addressed It is not a minor illusion but rather one that requires attention as its occurrence may lead to a profound alteration of consciousness and as Carl Jung suggests a cure for neurosis Leslie Stein interviewed twenty nine mystics in order to understand the origin progression phasing emotions and individual variations of a mystical experience in order to make sense of how it should be addressed the appropriate analytic attitude in the face of a mystery the way to work with its content and its psychological meaning In doing so he uncovered that there may be specific development markers that create a proclivity to be receptive to such an

experience that has clinical significance for psychoanalysis

Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Saint John Of The Cross Reflections On Mystical Experience books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Saint John Of The Cross Reflections On Mystical Experience

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Saint John Of The Cross Reflections On Mystical Experience books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
