

REV. DANIEL E. McSHEFFERY

ST. KATHARINE DREXEL PIONEER FOR HUMAN RIGHTS

Saint Katharine Drexel Pioneer For Human Rights

Alice L. Camille

Saint Katharine Drexel Pioneer For Human Rights:

Saint Katharine Drexel Daniel McSheffery, 2002 Chronicles the life of the saint Katharine Mary Drexel a nun who came from a wealthy background but decided to dedicate her life to being a champion for human rights in the South The Five American Citizen Saints James V Canfield Ph D, 2012-12 Catholics have a special reverence for those canonized as saints by the pope We believe they were holy people and on their death they were with God Catholics pray to saints for their intercession with God to grant special requests The four saints whose lives are briefly described in this book share a very unique relationship They are the only saints who lived and died as American or United States citizens Katharine Drexel and the Sisters Who Shared Her Vision McGuinness, Margaret M., 2023 Although Katharine Drexel has been the subject of several biographies they have tended to treat her as a perfect human being whom the Church later transformed into a saint Katherine and the Sisters Who Shared Her Vision moves beyond the story of the heiress s individual life devoted to God and shines a light on the work she did assisted by the Sisters of the Blessed Sacrament Drexel could have lived comfortably wealthy and privileged as a Philadelphia philanthropist but chose to found a religious congregation of women dedicated to working within Black and Indigenous communities without receiving the bulk of the money left by Drexel s father The author s careful examination of the work Drexel and her Sisters accomplished in Philadelphia and elsewhere shows impacts on the Church while also revealing racial issues at work in the story This brings a critical perspective to Drexel s ministry to further our understanding of the Black Catholic community and renew our commitment to the difficult ongoing conversation about race in America **Veiled Leadership** Amanda Bresie, 2023-09 On the rainy morning of October 1 2000 Pope John Paul II canonized Mother Katharine Drexel Born into a wealthy Philadelphia family Drexel bucked society and formed the Sisters of the Blessed Sacrament for Indians and Colored People Her compelling personal story has excited many biographers who have highlighted her holiness and catalogued her good deeds During her life newspapers called her the Millionaire Nun and much of the literature on Drexel and the Sisters of the Blessed Sacrament exalts Katharine Drexel s disbursement of her vast fortune to benefit Black and Indigenous people The often repeated stories of a riches to rags holy woman miss the true significance of what Mother Katharine and the Sisters of the Blessed Sacrament attempted Drexel was not merely the ATM of Catholic Home Missions rather she challenged the hierarchy to reimagine its mission in the United States In an era when the Church controlled the actions and censored the opinions of women religious they had to listen to Mother Katharine Most writing on Drexel and the SBS focus on Drexel s spiritual journey but Veiled Leadership traces the daily operations of her charitable empire and looks at how the Sisters implemented Drexel s vision in the field The SBS were not always welcomed in the communities they served and they experienced conflict from both white supremacists and the people they wanted to aid Veiled Leadership examines the lives of Mother Katharine and her congregation within the context of larger constructs of gender race religion reform and national identity It explores what happens when a non dominant culture tries to impose its

views and morals on other non dominant cultures In other words as outliers themselves they were semi cloistered Catholic women from primarily immigrant backgrounds in a culture that regarded their lifestyles as alien and unnatural their attempts to Americanize and assimilate Black and Indigenous people whose families had been in the country for generations longer than the nuns own adds complexity to our understanding of cultural hegemony *Black Catholic Studies Reader* David J. Endres,2021-04-16 This first ever Black Catholic Studies Reader offers an introduction to the theology and history of the Black Catholic experience from those who know it best Black Catholic scholars teachers activists and ministers The reader offers a multi faceted interdisciplinary approach that illuminates what it means to be Black and Catholic in the United States This collection of essays from prominent scholars both past and present brings together contributions from theologians M Shawn Copeland Kim Harris Diana Hayes Bryan Massingale and C Vanessa White and historians Cecilia Moore Diane Batts Morrow and Ronald Sharps and selections from an earlier generation of thinkers and activists including Thea Bowman Cyprian Davis and Clarence Rivers Contributions delve into the interlocking fields of history spirituality liturgy and biography Through their contributions Black Catholic Studies scholars engage theologies of liberation and the reality of racism the Black struggle for recognition within the Church and the distinctiveness of African inspired spirituality prayer and worship By considering their racial and religious identities these select Black Catholic theologians and historians add their voices to the contemporary conversation surrounding culture race and religion in America inviting engagement from students and teachers of the American experience social commentators and advocates and theologians and persons of faith

"*Let Us Go Free*" C. Walker Gollar,2023-12 The Society of Jesus the Jesuits are renowned for the quality of their universities and colleges Less well known is the relationship between Jesuit higher education and slavery For more than two hundred years Jesuit colleges and seminaries supported themselves on the labor of the enslaved in Maryland Georgetown Missouri St Louis University Kentucky St Joseph College Louisiana Grand Coteau seminary and Alabama Spring Hill College Even the founding of Xavier University in the free state of Ohio depended upon income from the labor of the enslaved in Kentucky Walker Gollar shows that in spite of their Catholic faith Jesuits were in most respects very typical slaveholders They sometimes worried about the spiritual and physical wellbeing of the enslaved but they mostly were concerned with the finances of their plantations and farms This book deeply based on research in the Jesuit archives provides a vivid and disquieting narrative of Jesuit slaveholding for the general reader and the student To the extent possible it portrays the experiences of the enslaved including the destruction of family ties and punishment but also resistance and emancipation Gollar also traces the legacies of the Jesuits participation in the slave economy including the perspectives of the descendants of those enslaved by the Jesuits and the Jesuits attempts to come to terms with the actions and beliefs of their predecessors

Catholic Southwest ,2007 Black Domers Don Wycliff,David Krashna,2017-08-15 Black Domers tells the compelling story of racial integration at the University of Notre Dame in the post World War II era In a series of seventy five essays

beginning with the first African American to graduate from Notre Dame in 1947 to a member of the class of 2017 who also served as student body president we can trace the trials tribulations and triumphs of the African American experience at Notre Dame through seven decades Don Wycliff and David Krashna s book is a revised edition of a 2014 publication With a few exceptions the stories of these graduates are told in their own words in the form of essays on their experiences at Notre Dame The range of these experiences is broad joys and opportunities but also hardships and obstacles are recounted Notable among several themes emerging from these essays is the importance of leadership from the top in successfully bringing African Americans into the student body and enabling them to become fully accepted fully contributing members of the Notre Dame community The late Rev Theodore Hesburgh president of the university from 1952 to 1987 played an indispensable role in this regard and also wrote the foreword to the book This book will be an invaluable resource for Notre Dame graduates especially those belonging to African American and other minority groups specialists in race and diversity in higher education civil rights historians and specialists in race relations *Great American Catholic Eulogies* Carol DeChant,2012-09-15 Eulogies have a long and important history in remembering and commemorating the dead As Thomas Lynch notes in his Foreword eulogies are meant to speak for the ages to bring homage and appreciation the final appraisal the last word and first draft of all future biography In *Great American Catholic Eulogies* Carol DeChant has compiled fifty of the most memorable and instructive eulogies of and by Catholics in America The eulogies span the American experience from those who were born before the Declaration of Independence was written to a modern sports legend from pioneers in social justice healthcare and the arts to founders of distinctly American religious order and from all the varied ethnic cultures who contribute to the great cultural milieu that is the United States **The Catholic Periodical and Literature Index** ,2003

Leiderschap met spirit Rene Stockman,2013-02-20 Wat is de waarde van spiritueel en dienstbaar leiderschap vandaag Vanuit zijn dertigjarige ervaring als overste van de Broeders van Liefde beschrijft Br Ren Stockman zijn spirituele kijk op management ge nspireerd leiderschap staat voor hem gelijk aan dienstbaar zijn In een eerste deel beschrijft de auteur wat dienstbaar leiderschap voor hem inhoudt Het beeld van de voetwassing door Christus is daarbij een belangrijk icoon Een leidinggevende zal zich altijd spiegelen aan sterke voorbeelden Daarom illustreert de auteur in deel 2 van dit boek zijn visie aan de hand van 10 inspirerende leiders als Martin Luther King Nelson Mandela Moeder Teresa John Henri Newman en Chiara Lubich *Making Saints* Kenneth L. Woodward,2016-04-26 From inside the Vatican the book that became a modern classic on sainthood in the Catholic Church Working from church documents Kenneth Woodward shows how saint makers decide who is worthy of the church s highest honor He describes the investigations into lives of candidates explains how claims for miracles are approved or rejected and reveals the role politics papal and secular plays in the ultimate decision From his examination of such controversial candidates as Archbishop Oscar Romero of El Salvador and Edith Stein a Jewish philosopher who became a nun and was gassed at Auschwitz to his insights into the changes Pope John Paul II has instituted

Woodward opens the door on a 2 000 year old tradition Invitation to Catholicism Alice L. Camille,2001 Everyone from inquirers and catechumens to lifelong Catholics will welcome the easy to understand logical explanations found in this clear concise overview of Catholic beliefs and church teachings God Jesus Mary and the saints the Bible Mass sacraments and prayer plus moral and virtuous Christian living are all presented in a gentle yet persuasive manner that encourages acceptance and fosters genuine understanding The appendix contains a treasury of Catholic prayers and devotions Discussion questions and activities at the end of each chapter make Invitation to Catholicism ideal for RCIA and adult study groups It is perfect for Catholics who want to move beyond the basic knowledge they received as children in religion classes It offers a contemporary explanation of Catholicism that is grounded in the history and traditions of the church Non Catholics will find it a handy guide to what Catholics believe today Book jacket Double Crossed Kenneth Briggs,2007-12-18 This groundbreaking expos of the mistreatment of nuns by the Catholic Church reveals a history of unfulfilled promises misuse of clerical power and a devastating failure to recognize the singular contributions of these religious women The Roman Catholic Church in America has lost nearly 100 000 religious sisters in the last forty years a much greater loss than the priesthood While the explanation is partly cultural contemporary women have more choices in work and life Kenneth Briggs contends that the rapid disappearance of convents can be traced directly to the Church s betrayal of the promises of reform made by the Second Vatican Council In Double Crossed Briggs documents the pattern of marginalization and exploitation that has reduced nuns to second even third class citizens within the Catholic Church America s religious sisters were remarkable adventurous women They educated children managed health care of the sick and reached out to the poor and homeless They went to universities and into executive chairs Their efforts and successes however brought little appreciation from the Church which demeaned their roles deprived them of power and placed them under the absolute authority of the all male clergy Replete with quotations from nuns and former nuns Double Crossed uncovers a dark secret at the heart of the Catholic Church Their voices and Briggs s research provide compelling insights into why the number of religious sisters has declined so precipitously in recent decades and why unless reforms are introduced nuns may vanish forever in America **The Oxford Dictionary of Saints, Fifth Edition Revised** David Farmer,2011-04-14 The renowned Oxford Dictionary of Saints returns in a revised and updated form providing concise accounts of the lives cults and artistic associations of over 1 400 saints from the famous to the obscure Featuring new entries on recently canonized saints from around the world and a new appendix on pilgrimages **Good Hearts** Suellen M. Hoy,2006 Suellen Hoy s Good Hearts describes and analyzes the activities and contributions of Catholic nuns in Chicago Beginning with the arrival of women religious in 1846 and ending with the sisters social activism in the 1960s Good Hearts traces the development and evolution of the sisters work and ministry that included education health care and social services Contrary to conventional portrayals of religious as reclusive and conservative the nuns in Good Hearts are revealed as dynamic powerful agents of change Catholic sisters lived on the edge

serving sick and poor immigrants as well as those racially and religiously unlike themselves such as the uneducated black migrants from the South

Black Firsts Jessie Carney Smith, 2021-01-01 A celebration of achievement accomplishments and pride The first African American president U S senator and the first black lawyer in the Department of Education The first black chairman of the U S Joint Chiefs of Staff and the first African American commissioned officer in the Marine Corps The first black professors in a variety of fields The first African American advertising agency The first African American Olympian The first black pilot for a scheduled commercial airline The first recorded slave revolt in North America The first African American cookbook writer Revel and rejoice in the renowned and lesser known barrier breaking trailblazers in all fields arts entertainment business civil rights education government invention journalism religion science sports music and more Black Firsts 500 Years of Trailblazing Achievements and Ground Breaking Events Fourth Edition bears witness to the long and complex history of African Americans Expanded updated and revised for the first time in over eight years Black Firsts collects more than 500 all new achievements and previously unearthed firsts This massive tome proves that African American accomplishments are wide ranging and ongoing documenting thousands of personal victories and triumphs Who was the first black American depicted on a postage stamp 1940 Booker T.
