Jones,1988 **Saint Nicholas of Myra, Bari, and Manhattan** Charles W. Jones,1977 **The Real St. Nicholas** Louise Carus,2002-10-01 A collection of folktales and stories from throughout Europe reveals that the generosity and kindness attributed to Saint Nicholas goes beyond delivering toys to children *From Byzantine to Norman Italy* Clare Vernon,2023-01-26 This is the first major study to comprehensively analyze the art and architecture of the archdiocese of Bari and Canosa during the Byzantine period and the upheaval of the Norman conquest The book places Bari and Canosa in a Mediterranean context arguing that international connections with the eastern Mediterranean were a continuous thread that shaped art and architecture throughout the Byzantine and Norman eras Clare Vernon has examined a wide variety of media including architecture sculpture metalwork manuscripts epigraphy and luxury portable objects as well as patronage to illustrate how cross cultural encounters the first crusade slavery and continuities and disruptions in the relationship with Constantinople shaped the visual culture of the archdiocese From Byzantine to Norman Italy will appeal to students and scholars of Byzantine art the medieval Mediterranean and the Italo Norman world **Jungian and Psychoanalytic Perspectives on Christmas** Kendrick Lyddon Norris,2025-09-08 By examining its history traditions symbols and representation in the arts through the lens of three major schools of depth psychology Kendrick L Norris a Jungian Analyst and minister shows how better understanding of the promise of Christmas can allow us to discover what it is that we long for the most Why does the winter celebration of Christmas have such a deep rooted resonance individually and collectively This extensively researched book clearly and engagingly articulates the soul reasons why this holiday has such a significant impact on the human psyche The work begins with an explanation about how depth psychology can be used to understand the Christmas phenomenon followed by an investigation into the origins and symbols of Christmas The book closes by delving into the soul meaning of Christmas through the perspectives of Freud Kohut and Jung This thought provoking volume will appeal to Jungian Analysts psychoanalysts and psychotherapists as well as those interested in religion and its relation to depth psychology *The Hero and the Historians* Alan Gordon,2010-07-01 Historians have long engaged in passionate debate about collective memory and the building of national identities This book focuses on one national hero Jacques Cartier to explore how notions about the past have been created and passed on through the generations and used to present particular ideas about the world in English and French speaking Canada The cult of celebrity surrounding Cartier by the mid nineteenth century Gordon reveals reflected a particular understanding of history one which accompanied the arrival of modernity in North America This new sensibility in turn shaped the political and cultural currents of nation building in Canada Cartier may have been a point of contact between English and French Canadian nationalism but the nature of that contact as Gordon shows had profound limitations The Hero and the Historians is

Patriarchs of Time Samuel L. Macey, 2010-09-01 Exploring the personifications of time by which Western civilization has ordered its attitudes toward both earthly existence and eternity *Patriarchs of Time* traces the lineage of time's gods from the deities of ancient Mesopotamia and Persia through the pantheons of Greece and Rome the Christian Father Time and the brief reign of the Newtonian Watchmaker God to the consumerist Santa Claus who holds sway over the year's end celebrations of our own day Each of these patriarchs Samuel L Macey shows has embodied dualisms that reflect the dilemma in the Western mind between the joys and woes of our brief time on earth and the promise of eternal life or eternal punishment in the hereafter Santa Claus is today effectively the sole inheritor of Saturn's old midwinter festival but Macey suggests that it remains to be seen whether he will fully manifest the dualism that has always characterized the West's patriarchs of time and whether our present consumerist saturnalia will regain the spiritual message of hope and eternal life that has always been a part of time's dominion Food, Drink and Celebrations of the Hudson Valley Dutch Peter G
