Saint Rachel:

Gods, Goddesses, and Saints Barbara Carroll, 2015-12-15 Chanting exists in many religious and spiritual traditions The practice of chant focuses the mind and body with simple physics of sound while the choice of chant can reflect a specific need or honor a tradition Gods Goddesses and Saints is a user friendly in depth guide to a solitary practice of chant and meditation providing chants from many faiths from pagan deities to saints from many religions Beautifully organized in many different ways this book encourages you to explore the resonance of important figures and their associations and meanings across many traditions You will also find blank forms to help you create your own chants and meditations Gods Goddesses and Saints provides a fresh view of spiritual practice and new ideas for the future of faith **God in the Rainforest** Kathryn T. Long, 2019-01-22 Set in the jungles of Amazonian Ecuador God in the Rainforest tells the story of an iconic evangelical mission Beginning in 1956 with the deaths of five young Americans at the hands of the Waorani people the book explores the aftermath of this incident as well as the ongoing complexities of Waorani missionary interaction **Encyclopedia of Christianity in the United States** George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation The Year of the Flood Margaret Atwood, 2010-07-27 1 NATIONAL BESTSELLER From the bestselling author of The Handmaid s Tale and The Testaments the second book of the internationally celebrated MaddAddam trilogy set in the visionary world of Oryx and Crake is at once a moving tale of lasting friendship and a landmark work of speculative fiction The waterless flood long predicted by Adam One the kindly leader of God s Gardeners a religion devoted to the melding of science and religion has occurred altering Earth as we know it and obliterating most human life Among the survivors are Ren a young trapeze dancer locked inside the high end sex club Scales and Tails and Toby a member of God s Gardeners who is barricaded inside a luxurious spa But they cannot stay locked away for ever Amid shadowy corrupt ruling powers and new gene spliced life forms Ren and Toby will have to decide on their next

move **The Spiritual Magazine, Or, Saint's Treasury**, 1832 **American Evangelicalism** Darren Dochuk, Thomas S. Kidd, Kurt W. Peterson, 2014-10-15 No living scholar has shaped the study of American religious history more profoundly than George M Marsden His work spans U S intellectual cultural and religious history from the seventeenth through the twenty first centuries This collection of essays uses the career of George M Marsden and the remarkable breadth of his scholarship to measure current trends in the historical study of American evangelical Protestantism and to encourage fresh scholarly investigation of this faith tradition as it has developed between the eighteenth century and the present Moving through five sections each centered around one of Marsden s major books and the time period it represents the volume explores different methodologies and approaches to the history of evangelicalism and American religion Besides assessing Marsden s illustrious works on their own terms this collection s contributors isolate several key themes as deserving of fresh rigorous and extensive examination Through their close investigation of these particular themes they expand the range of characters and communities issues and ideas and contingencies that can and should be accounted for in our historical texts Marsden s timeless scholarship thus serves as a launchpad for new directions in our rendering of the American religious past
