Saint Raphael Kalinowski Timothy Tierney,2016-10-12 St Raphael Kalinowski was one of the first people to recognize the value and significance of the message of St Threse of Lisieux This was in the very early days when even some Carmelite prioresses had failed to grasp the importance of Threse for the modern era in the church He wrote Armed with the sign of the Cross I open the book Story of a Soul and find the place where the fire in her heart unites with the burning heart of Jesus in Vivre dAmour To Live by Love Suddenly the storm dies down calm returns and something indescribable floods my whole being and changes me completely This poem became an ark of salvation for me The dear sister gave me confidence I therefore conclude that the promise I will spend my heaven in doing good on earth After my death I will send down a shower of roses is literally fulfilled St Raphael was also greatly influenced by the example of famous pianist Hermann Cohen who became a Carmelite priest and founded Carmelite communities in France and England He arranged for a translation of Story of a Soul and a Life of Hermann Cohen to be translated into Polish We hope this volume appearing as it does soon after a year recalling the Fifth Centenary of St Teresa of Avila will make St Raphael better known and loved in the English speaking

world and inspire people to value her charism and dedicate themselves to Christ and his Church at the present time Fr Timothy Tierney knows how to combine in his work a rich detailed and interesting collection of biographical material probably unknown to many with a penetrating analysis of the spiritual life of Fr Raphael Kalinowski Fr Saverio Cannistr O C D Superior General of the Discalced Carmelites *Holy People of the World* Phyllis G. Miller, 2010-11-05 When Sergius of Radonezh founded a monastery near Moscow his example spawned a movement of monastic foundations throughout Russia Within three decades of his death in 1392 Sergius was recognized as a saint and by 1450 many considered him the intercessor for the Russian land who freed its people from Mongol rule Over the next century and a half thousands sought St Sergius

intercession with gifts to the monastery Moscow's rulers made Sergius patron saint of their dynasty and of the Russian tsardom By 1605 the Trinity Sergius monastery was the biggest house in Russia Miller presents Trinity's dramatic history from the fourteenth century to the beginning of the Time of Troubles Using extensive archival materials he traces the evolution of Trinity's relationship to Sergius venerators and its traditions governance social composition and the lifestyle of its members In lucid prose Miller argues that St Sergius cult and monastery became integrating forces on a national scale and vital elements in the forging of a Russian identity economy and cohesive society The power of religion to shape national identity is a lively topic today and Miller's study will interest both medievalists and modern historians as well as readers of Orthodox Church history
