Saint Augustin Lhomme Le Pasteur Le Mystique:

Saint Augustin T. Gostynski,1972 *Dictionnaire des philosophes médiévaux* Benoît Patar,2006 Ce dictionnaire est la refonte complète et fortement augmentée d'un Dictionnaire abrégé des philosophes médiévaux paru en 2000 Il est le fruit de recherches menées depuis plus de trente cinq ans et se veut un instrument de haute qualité tout autant qu'un outil de consultation Il n'est donc pas réservé seulement aux spécialistes de la philosophie médiévale mais s'adresse aussi à quiconque s'intéresse de près ou de loin aux grandes orientations de la pensée du Moyen Âge Il comprend plus de 450 entrées consacrées aussi bien des penseurs occidentaux tels que Pierre Abelard Philippe le Chancelier Duns Scot Buridan Ockham ou Thomas d'Aquin qu'à des philosophes arabes tels que Al Farabi Avempace Avicenne ou Averroès ou juifs tels que Maïmonide ou Gersonide Il passe également en revue les principaux savants traducteurs et auteurs spirituels de cette époque tout en les replaçant dans les courants de pensée qui leur sont contemporains Pour la première fois un ouvrage de langue française permet de faire la synthèse peu près complète des grandes orientations doctrinales de l'Antiquité finissante et du Moyen Âge **Collection**

Mémoire d'hommes, mémoire de foi ,1988 **Early Christianity in North Africa** Francois Decret,2011-06-30 Martyrs exégètes, catechumens and councils enlarge this study of North African Christianity a region often reduced to its dominant patristic personalities Smither provides English readers a quality translation of an important book that captures the unique spirit of an invaluable chapter of church history Along with the churches located in large Greek cities of the East the church of Carthage was particularly significant in the early centuries of Christian history Initially the Carthaginian church became known for its martyrs Later the North African church became further established and unified through the regular councils of its bishops Finally the church gained a reputation for its outstanding leaders Tertullian of Carthage c 140-220 Cyprian of Carthage 195-258 and Augustine of Hippo 354-430 African leaders who continued to be celebrated and remembered today

Desire and Unity Emmanuel-Marie Le Fébure Du Bus,2022-08-04 Intellectual giant of the Christian West Saint Augustine is also one of its greatest spiritual masters To this man of desire and friendship Christ taught to purify everything in charity to direct everything towards God to unify everything in communion His thought profoundly influenced the history of Catholicism and the vigor of his view of the human heart responds to today's concerns Fr Emmanuel Marie presents beautiful insights into this timeliness message of desire and unity of Augustine which offers us a living message charged with hope [La vision de Dieu chez Thomas d'Aquin](#) Pierre-Yves Maillard,2001 Dans son commentaire sur l'évangile de Jean Thomas d'Aquin traite de manière fréquente et approfondie les différents aspects du thème de la vision de Dieu ses divers modes de réalisation pour l'homme via les raisons de son imperfection ici bas ou encore les circonstances de son plein accomplissement dans la patrie Constamment Thomas fonde ses explications sur l'autorité d'Augustin qui constitue ici sa principale source patristique Cette étude répond à une double préoccupation Sur le plan historique d'une part elle établit l'influence prépondérante exercée par Augustin sur la conception thomasienne de la vision divine en présentant de nombreux

passages de l In Ioannem en perspective avec leurs paralleles augustiniens eux memes restitues dans leur propre contexte Sur le plan doctrinal d autre part elle revele la place centrale tenue selon Thomas par la question de la vision de Dieu dans l evangile de Jean dans sa propre recherche theologique et meme enfin dans la vie de tout croyant Saint Augustin.
