*Saint Patrick* Jonathan Rogers,2010-02-06

In this Christian Encounter Series biography author Jonathan Rogers explores the life of Saint Patrick slave shepherd and courageous missionary Patrick was born the son of privilege and position but he was only a teenager when he was taken from his home in Roman Britain by marauders and sold into slavery in Ireland Despite his terrible circumstances young Patrick did not give way to despair As he worked as a shepherd in the pastures of his new owner he kindled the faith he d inherited from his family and eventually escaped to freedom Then after returning home he experienced a dream that changed everything God wanted him to go back and take the Gospel to the country of his captors Patrick heeded the call Both humble enough to minister to beggars and bold enough to confront kings Patrick led the Irish through his brave and compassionate service into the Christian faith and baptized thousands Separating the many myths from the facts Jonathan Rogers weaves a wonder filled tale of courage barbarism betrayal and hope in God s unceasing faithfulness Countless miracles have been attributed to Saint Patrick but perhaps one of the simplest and most amazing is that he won the hearts and souls of the same fierce and indomitable people who had enslaved him

**The Oxford Handbook of Christian Monasticism** Bernice M.

Kaczynski,2020-09-30 The Handbook takes as its subject the complex phenomenon of Christian monasticism It addresses for the first time in one volume the multiple strands of Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism The essays in the book span a period of nearly two thousand years from late ancient times through the medieval and early modern eras on to the present day Taken together they offer not a narrative survey but rather a map of the vast terrain The intention of the Handbook is to provide a balance of some essential historical coverage with a representative sample of current thinking on monasticism It presents the work of both academic and monastic authors and the essays are best understood as a series of loosely linked episodes forming a long chain of enquiry and allowing for various points of view The authors are a diverse and international group who bring a wide range of critical perspectives to bear on pertinent themes and issues They indicate developing trends in their areas of specialisation The individual contributions and the volume as a whole set out an agenda for the future direction of monastic studies In today s world where there is increasing interest in all world monasticisms where scholars are adopting more capacious global approaches to their investigations and where monks and nuns are casting a fresh eye on their ancient traditions this publication is especially timely

Outreach and Renewal James McSherry,2011 This work represents a novel treatment of the mission of the Church fathers the early Christian ascetics and their disciples during the turbulent centuries that followed the passing of the apostles Approaching a normally arcane subject largely through the interplay of character and incident Outreach and Renewal provides a stirring account of the various ways in which spiritual leaders of the time promoted the Gospel message Readers

experience these leaders as they illuminate strengthen restore or defend the faith through their words and actions of fellow Christians Facilitating fresh insights and thought provoking conclusions the theme proceeds through the interaction of a varied cast of vital individuals engaged in lively and sometimes acerbic discourse which is always aimed at the glory of God With the careful attention the author gives to the early Irish church and its singular representatives this work is a unique and valuable contribution to the study of the patristic era      Sisters in Arms Jo Ann McNamara,1996 History has until recently minimized the role of nuns over the centuries In this volume their rich lives their work and their importance to the Church are finally acknowledged Jo Ann Kay McNamara introduces us to women scholars mystics artists political activists healers and teachers individuals whose religious vocation enabled them to pursue goals beyond traditional gender roles      **Age of Tyrants** Christopher A. Snyder,2010-11-01 By the waning of Roman rule Britain was called a province fertile with tyrants Christopher Snyder s history of Britain during the two centuries after Rome s withdrawal reveals a hybrid society of Celtic Roman and Christian elements and documents the transition from magisterial to monarchical power An appendix explores the Arthur and Merlin myths 30 illustrations      **The Rise and Fall of Christian Ireland** Crawford Gribben,2021-09-09 The Rise and Fall of Christian Ireland describes the emergence long dominance sudden division and recent decline of Ireland s most important religion as a way of telling the history of the island and its peoples Throughout its long history Christianity in Ireland has lurched from crisis to crisis Surviving the hostility of earlier religious cultures and the depredations of Vikings evolving in the face of Gregorian reformation in the eleventh and twelfth centuries and more radical protestant renewal from the sixteenth century Christianity has shaped in foundational ways how the Irish have understood themselves and their place in the world And the Irish have shaped Christianity too Their churches have staffed some of the religion s most important institutions and developed some of its most popular ideas But the Irish church like the island is divided After 1922 a border marked out two jurisdictions with competing religious politics The southern state turned to the Catholic church to shape its social mores until it emerged from an experience of sudden onset secularization to become one of the most progressive nations in Europe The northern state moved more slowly beyond the protestant culture of its principal institutions but in a similar direction of travel In 2021 1 500 years on from the birth of Saint Columba Christian Ireland appears to be vanishing But its critics need not relax any more than believers ought to despair After the failure of several varieties of religious nationalism what looks like irredeemable failure might actually be a second chance In the ruins of the church new Patricks and Columbas shape the rise of another Christian Ireland      *A History of the Church in the Middle Ages* F Donald Logan,2012-10-02 In this fascinating survey F Donald Logan introduces the reader to the Christian church from the conversion of the Celtic and Germanic peoples through to the discovery of the New World      Celebrating Planet Earth, a Pagan/Christian Conversation Denise Cush,2015-05-29 Celebrating Planet Earth a Pagan Christian Conversation will appeal to Pagans and Christians interested in making connections academics and students in Religious Studies taking courses on

inter faith dialogue Paganism or Christianity and anyone with an interest in inter faith activities Contributors include leading figures in the British Pagan especially Druid world in the Christian Forest Church movement and earth centred Christianity and academics in the field of religious studies As well as academic discussion there is a practical emphasis on personal spirituality and ritual practice and the possibility of these being shared across the Pagan and Christian traditions Light to the Isles Douglas Dales,2010-10-29 In this book Dales succeeds in shedding new light on the theological approach to the evangelism of The British Isles and the work of missionaries to and from the British Isles in the Western church throughout the period 400 800 AD Although the historical value of the literary texts analysed is substantial this study gives them an inherent theology pre eminence This reprint is thus an examination of particular people and the beliefs they shared with those who remembered them and who caused these texts to be written Through these pages we discover that the origin of hagiographical literature in this specific area comes from a remote and singular period when the memory of the Roman era and of the church fathers was ever present It was because of the barbarous condition that the Church faced that the stream that fought to keep Latin Christian culture alive to nurture monastic education missionary activity and the ascetic cultivation of sanctity remained hidden **Primal Fire** Neil Cole,2014 REDISCOVER THE FIVE GIFTS THAT LAUNCHED AN UNSTOPPABLE MOVEMENT OF GOD IN THE EARLIEST DAYS OF THE CHURCH followers of Jesus embraced five core spiritual gifts apostles prophets evangelists shepherds and teachers and the world was set on fire as a result Over the past two thousand years however some of these gifts have been neglected or set aside and we ve forgotten what we re capable of Now in Primal Fire Neil Cole shares the surprising truth about the five gifts of Jesus what they mean how they reflect Christ and the remarkable power and synergy that result when we all work together to ignite the church s full potential and passion Whether you re a church leader who wants to equip your members to grow spiritually or someone who wants to better understand your own contribution to the body of Christ it s time to reignite the Primal Fire and become the gifts that Christ intended for us to be *Humans and Other Animals in the Middle Ages* Philip Line,2025-03-10 This sourcebook serves both as an introduction and a wide ranging reference work for human attitudes to nonhuman animals in Latin Europe during the Middle Ages Under twelve headings it includes numerous translated passages from Latin and vernacular texts that reflect human conceptions and uses of other animals during the period 300 1520 Theologians philosophers encyclopaedists bestiarists hagiographers chroniclers huntsmen and writers of agricultural manuals cookbooks and plague treatises all had something to say about the place of nonhuman animals in their world and their interaction with humans or simply recorded incidentally what they did in their writings All are represented here The Stars of Ballymenone Henry Glassie,Doug Boyd,2006 In the time of the Troubles when there were bombs in the night and soldiers on the road Henry Glassie journeyed to the Irish borderland to learn how country people endure He settled into the farming community of Ballymenone beside Lough Erne in the County Fermanagh He asked questions and he listened For a decade he heard and recorded the stories

and songs in which they outlined their culture recounted their history and pictured their world a world which in their view was one of love and defeat and uncertainty demanding faith bravery and wit In his award winning *Passing the Time* in Ballymenone Henry Glassie set out to write a comprehensive ethnography of the community Now after decades of work in Asia in Turkey and Bangladesh in India and Japan Glassie has returned to Ireland using his skills as an observer a listener a writer in an effort to understand how poor people in rural places suffer and laugh and carry on while history happens Glassie's task in *The Stars of Ballymenone* is to set the scene to sketch the backdrop and clear the stage so that Hugh Nolan and Michael Boyle Peter Flanagan Ellen Cutler and their neighbors can tell their own tale *The Stars of Ballymenone* is an integrated analysis of the complete repertory of verbal art from a community where storytelling and singing of quality remained a part of daily life The book includes a CD so the voices of Ballymenone can be heard at last **Women in**

**Pastoral Office** Mary M. Schaefer, 2013-11 Mary M Schaefer examines the ninth century church Santa Prassede and its foundation myth as well as an ideal of balanced male female relationships and women holding pastoral office in the church of Rome **Iona** Thomas Clancy, 2019-06-01 Eight rare poems written at Iona monastery between 563AD and the early 8th century translated from the original Latin and Gaelic and fully annotated with literary commentary **The Celtic Way of**

**Evangelism, Tenth Anniversary Edition** Dr. George G. Hunter III, 2011-11-01 Celtic Christianity the form of Christian faith that flourished among the people of Ireland during the Middle Ages has gained a great deal of attention lately George G Hunter III points out that while the attention paid to the Celtic Christians is well deserved much of it fails to recognize the true genius of this ancient form of Christianity What many contemporary Christians do not realize is that Celtic Christianity was one of the most successfully evangelistic branches of the church in history The Celtic church converted Ireland from paganism to Christianity in a remarkably short period and then proceeded to send missionaries throughout Europe North America is today in the same situation as the environment in which the early Celtic preachers found their mission fields unfamiliar with the Christian message yet spiritually seeking and open to a vibrant new faith If we are to spread the gospel in this culture of secular seekers we would do well to learn from the Celts Their ability to work with the beliefs of those they evangelized to adapt worship and church life to the indigenous patterns they encountered remains unparalleled in Christian history If we are to succeed in reaching the West again then we must begin by learning from these powerful witnesses to the saving love of Jesus Christ This classic book on the power of indigenous evangelism has been thoroughly revised and updated proving once again how much these ancient Christians have to teach anyone who seeks to spread the word of the gospel

*Imagining the Self, Constructing the Past* Robert G. Sullivan, Meriem Pagès, 2016-09-01 *Imagining the Self Constructing the Past* celebrates the various ways in which the Middle Ages and the Renaissance are adapted recollected and represented in our own day and age Most of the chapters fit broadly into one of three categories namely the representation of the self in medieval and early modern history and literature the recollection and utilization of the past in the Middle Ages and the

Renaissance and the role of the medieval and the early modern in our own society Overall the contributions to this volume bear witness to the importance of representation to our understanding of ourselves each other and our shared past     *All Things Under the Sun* Lindsay Powell,2011-06 Combining a researcher s skill at finding unexpected connections in everyday events and a historian s knowledge of source material Lindsay Powell takes a clear eyed and often witty look at modern times through the longer perspective of ancient history     *St Samson of Dol and the Earliest History of Brittany, Cornwall and Wales* Lynette Olson,2017 New essays shed light on the mysterious St Samson of Dol and his Vita
