Saint Therese of Lisieux, Little Flower Victor Sanmiguel, 1987 *Lessons from Saint Thérèse* John Paul Thomas, 2017-10-30

I will spend my Heaven doing good on Earth. For more than a century, Saint Therese of Lisieux, also known as The Little Flower, has captivated countless minds and hearts. Her simple and pure heart burned with a deep love for our Lord, and that love overflowed into the lives of many. She daily inspired those who knew her, and she continues to inspire those who read her story. Her autobiography captures the beauty and profundity of her love in the most tender and affectionate way. Her story reveals how devoted she was to Jesus and how she longed to be with Him forever in Heaven, even from the earliest moments of her childhood. This book offers 99 short lessons, reflections, and prayers from the life of Saint Therese of the Child Jesus and the Holy Face. The lessons are based upon Saint Therese's own words as she shared her faith and her heart in the pages of the three manuscripts of her autobiography: *Story of a Soul*. Each subsequent reflection attempts to capture one of her countless virtues so as to savor the fragrance of this precious little flower of God and to apply it to the reader's daily life. The prayer to conclude each lesson is not written only to be read; it is written to be prayed. You may find it helpful to pray that prayer slowly and meditatively at the end of each lesson and return to that prayer at the end of each day, especially to the prayers that are most pertinent to your life. The reader might wish to use this book as a daily reflection book, reading one lesson each day. Doing so will allow you to ponder one lesson from her saintly life at a time so as to absorb the sweetness of her love and the depth of her life. However, you might find it just as beneficial to read several lessons at a time. This book is not intended to be a one-time read. Rather, the lessons we learn from Saint Therese's life are worth absorbing many times over. The reflection and prayer after each lesson make this book a helpful source of daily self-examination and prayer throughout life. You, who are parents, might also find the lessons of Saint Therese of benefit in the formation of your children. Telling Little Therese's stories will inspire and challenge your children as they grow and mature in their own lives of faith.

At the age of 14, on Christmas Eve in 1886, Therese had a conversion that transformed her life. From then on, her powerful energy and sensitive spirit were turned toward love instead of keeping herself happy. At 15, she entered the Carmelite convent in Lisieux to give her whole life to God. She took the religious name Sister Therese of the Child Jesus and the Holy Face. Living a hidden, simple life of prayer, she was gifted with great intimacy with God. Through sickness and dark nights of

doubt and fear she remained faithful to God rooted in His merciful love After a long struggle with tuberculosis she died on September 30 1897 at the age of 24 Her last words were the story of her life My God I love You The world came to know Therese through her autobiography Story of a Soul She described her life as a little way of spiritual childhood She lived each day with an unshakable confidence in God's love What matters in life she wrote is not great deeds but great love Therese lived and taught a spirituality of attending to everyone and everything well and with love She believed that just as a child becomes enamored with what is before her we should also have a childlike focus and totally attentive love Therese's spirituality is of doing the ordinary with extraordinary love She loved flowers and saw herself as the little flower of Jesus who gave glory to God by just being her beautiful little self among all the other flowers in God's garden Because of this beautiful analogy the title little flower remained with St Therese Her inspiration and powerful presence from heaven touched many people very quickly She was canonized by Pope Pius XI on May 17 1925 Had she lived she would have been only 52 years old when she was declared a Saint photos/blogs/My mission to make God loved will begin after my death she said I will spend my heaven doing good on earth I will let fall a shower of roses Roses have been described and experienced as Saint Therese's signature Countless millions have been touched by her intercession and imitate her little way She has been acclaimed the greatest saint of modern times In 1997 Pope John Paul II declared St Therese a Doctor of the Church the only Doctor of his pontificate in tribute to the powerful way her spirituality has influenced people all over the world The message of St Therese is beautiful inspiring and simple The Story of a Soul l Histoire d'une âme is the autobiography of Therese of Lisieux It was first published on September 30 1898 a year to the day after her death from tuberculosis at the age of 24 on September 30 1897 The book was a single volume formed from three distinct manuscripts manuscripts of different length written at different times addressed to different people and differing from one another in character The work of unifying these disparate manuscripts was carried out by Pauline the sister of Therese It was initially published with a limited audience in mind the Carmelite convents and certain religious personalities and just 2000 copies of the 475 page book were printed 1 It quickly became a publishing phenomenon however and Sister Therese of the Child Jesus was canonised in 1925 *The Story of a Soul: the Autobiography of St. Therese of Lisieux (annotated)* Therese Lisieux, 2014-03-21 The greatest saint of modern times Pope Pius X Your Special 3 for 1 Annotated edition includes Treatise on the Canonization of St Therese of Lisieux Its Unprecedented Nature Bibliography 1970 to 2013 Therese of Lisieux Carmelites APA 6th edition PLUS Grey Literature references A Portrait of St John of the Cross Glossary of Traditional Catholic terms Plus Letters Poems Do not be afraid to depend solely on the tenderness of God as Saint Therese of Lisieux did who for this reason is a beloved daughter of the Blessed Mother and a great missionary saint Pope Francis 2013 Autobiography of St. Therese of Lisieux Saint Therese, 2012-06-01 2012 Reprint of 1958 Edition Exact facsimile of the original edition not reproduced with Optical Recognition Software St Therese of Lisieux The Little Flower was recently declared a Doctor of the Church by Pope John Paul

II the third woman to receive this honor in 2000 years She thus ranks with such intellectual and theological giants as St Augustine and Saint Thomas Aquinas This elevation is all the more astonishing when we consider her background born to a bourgeois family in provincial 19th century France she entered a cloistered convent at the age of 15 and died in obscurity at age 24 The posthumous publication of her spiritual journals created a sensation in the Catholic world comparable to that produced in the postwar world by The Diary of Ann Frank Adopted as a universal little sister by the French soldiers of World War I St Therese s naive charming but profound words were carried next to many an infantryman s heart Therese s story and the effect of her powerful personality and passionate devotion have lost none of their force At last I have found my calling she declared My calling is love The core of her spiritual message the little way is the recognition that any act no matter how trivial is infinitely valuable if done out of love Her influence on other great 20th century figures such as Theresa of Calcutta and Edith Stein is obvious This is a unique book to be read with pleasure with joy and with the assurance of great spiritual benefit The homely and human details of Therese s short life lead to the path of enlightenment In her memoirs she describes spiritual life she lived each day with an unshakable confidence in God s love What matters in life she wrote is not great deeds but great love Therese lived and taught a spirituality of attending to everyone and everything well and with love She believed that just as a child becomes enamored with what is before her we should also have a childlike focus and totally attentive love Therese s spirituality is of doing the ordinary with extraordinary love
