Saintly Scoundrel The Life And Times Of Dr John Cook Bennett

Andrew F. Smith

Saintly Scoundrel The Life And Times Of Dr John Cook Bennett:

The Saintly Scoundrel Andrew F. Smith, 1997 This is the first biography of one of this nation's most outrageous individuals a man who was president of the medical departments of two universities and chancellor of two others a member and officer of at least twenty different agricultural medical or social organizations an itinerant minister in three different denominations and a lobbyist who successfully ushered bills through legislatures in Ohio Virginia Indiana and Illinois Bennett's roles ranged from mayor of Nauvoo confidant of Joseph Smith and chicken breeder to surgeon quartermaster general of Illinois promoter of the tomato and diploma salesman His story is brilliantly told by an author who spent nine years uncovering and piecing together the facts *The Saintly Scoundrel* reveals Bennett as one of the nineteenth century's most enterprising and entertaining humbugs truly a man who excelled at promoting beliefs places things and himself whose ability to abruptly shift positions on people and faiths would dazzle even the most formidable propagandist of the twentieth century

Apostolic Succession in the Restoration Kevin L. Tolley, Patrick A. Bishop, 2023-04-17 This unique chronology of the history of the Church of Jesus Christ of Latter-day Saints follows the Lord's chosen representatives as they were called and released as members of the Quorum of the Twelve Apostles Beginning with Joseph Smith's ordination in 1829 to the present day the life of every man who has served in these presiding quorums is illustrated in the brief narratives of this informative and well-written volume Now is the perfect time to learn the gospel with your family and discover the humble beginnings of the Lord's Church in these latter days This work honors the noble men who sacrificed their time and talents to unselfishly serve those around them It is an excellent reference for anyone looking to study Church history and the apostolic governing bodies of the Church Understand the order of succession to the presidency and see firsthand the challenges these quorums faced as they learned line upon line the Lord's will in fulfilling their sacred callings *Joseph Smith* Richard Lyman Bushman, 2007-12-18 Founder of the largest indigenous Christian church in American history Joseph Smith published the 584 page Book of Mormon when he was twenty-three and went on to organize a church found cities and attract thousands of followers before his violent death at age thirty-eight Richard Bushman an esteemed cultural historian and a practicing Mormon moves beyond the popular stereotype of Smith as a colorful fraud to explore his personality his relationships with others and how he received revelations An arresting narrative of the birth of the Mormon Church Joseph Smith Rough Stone Rolling also brilliantly evaluates the prophet's bold contributions to Christian theology and his cultural place in the modern world **Joseph Smith's Polygamy, Volume 1: History** Brian C. Hales, 2013-02-26 Few American religious figures have stirred more passion among adherents and antagonists than Joseph Smith Born in 1805 and silenced thirty-nine years later by assassins' bullets he dictated more than one hundred revelations published books of new scripture built a temple organized several new cities and became the proclaimed prophet to tens of thousands during his abbreviated life Among his many novel teachings and practices none is more controversial than plural marriage a restoration of the Old Testament

practice that he accepted as part of his divinely appointed mission Joseph Smith taught his polygamy doctrines only in secret and dictated a revelation in July 1843 authorizing its practice now LDS D C 132 that was never published during his lifetime Although rumors and exposés multiplied it was not until 1852 that Mormons in Brigham Young's Utah took a public stand By then thousands of Mormons were engaged in the practice that was seen as essential to salvation Victorian America saw plural marriage as immoral and Joseph Smith as acting on libido However the private writings of Nauvoo participants and other polygamy insiders tell another more complex and nuanced story Many of these accounts have never been published Others have been printed sporadically in unrelated publications Drawing on every known historical account whether by supporters or opponents Volumes 1 and 2 take a fresh look at the chronology and development of Mormon polygamy including the difficult conundrums of the Fannie Alger relationship polyandry the angel with a sword accounts Emma Smith's poignant response and the possibility of Joseph Smith's offspring by his plural wives Among the most intriguing are the newly available Andrew Jenson papers containing not only the often quoted statements by surviving plural wives but also Jenson's own private research conducted in the late nineteenth century Telling the story of Joseph Smith's polygamy from the records of those who knew him best augmented by those who observed him from a distance may have produced the most useful view of all

Speaking Ill of the Dead: Jerks in Ohio History Susan Sawyer, 2016-08 Each volume in this series features fifteen to twenty short biographies of notorious bad guys perpetrators of mischief visionary if misunderstood thinkers and other colorful antiheroes from the history of a given city state or region of the U S The villainous the misguided and the misunderstood all get their due in these entertaining yet informing books Ohio has more than its fair share of stories of women who chose arsenic as the way to eliminate problems from their lives along with corrupt politicians thieves unscrupulous gamblers and other con artists Read about Dr John Cook Bennett who made a fortune off his belief that diplomas were better bought than earned Olympic gold medalist James Snook whose sordid affair took a deadly turn and Nancy Farrar whose culpability for one man's murder was as unclear as her mental status

Mormon Thunder Gene A. Sessions, 2008-07-01 Jedediah Morgan Grant was a man who knew no compromise when it came to principles and his principles were clearly representative argues Gene A Sessions of Mormonism's first generation His life is a glimpse of a Mormon world whose disappearance coincided with the death of this pious yet rambunctiously radical preacher flogging away at his people demanding otherworldliness and constant sacrifice It was an eschatological pre millennial world in which every individual teetered between salvation and damnation and in which unsanitary privies and appropriating a stray cow held the same potential for eternal doom as blasphemy and adultery Updated and newly illustrated with more photographs this second edition of the award winning documentary history first published in 1982 chronicles Grant's ubiquitous role in the Mormon history of the 1840s and 50s In addition to serving as counselor to Brigham Young during two tumultuous and influential years at the end of his life he also portentously befriended Thomas L Kane worked to temper his unruly brother in

law William Smith captained a company of emigrants into the Salt Lake Valley in 1847 and journeyed to the East on several missions to bolster the position of the Mormons during the crises surrounding the runaway judges affair and the public revelation of polygamy Jedediah Morgan Grant's voice rises powerfully in these pages startling in its urgency in summoning his people to sacrifice and moving in its tenderness as he communicated to his family From hastily scribbled letters to extemporaneous sermons exhorting obedience and the notations of still stunned listeners the sound of Mormon Thunder rolls again in a boisterous amplification of what Mormonism really was and would never be again **Come Up Hither to Zion**

Cheryl L. Bruno, John S. Dinger, 2024-06-11 **Come Up Hither to Zion** William Marks and the Mormon Concept of Gathering delves deep into the life of William Marks a devoted follower of Joseph Smith and a key figure in the early history of the Latter Day Saint movement Marks's journey from a descendant of Puritan settlers to a fervent convert to Mormonism is a fascinating exploration of faith community and the quest for spiritual truth As Marks navigates the tumultuous landscape of early Mormonism readers are taken on a gripping journey through pivotal moments such as the banking crisis in Kirtland the expulsion of Saints from Missouri and the clandestine practice of plural marriage However Marks's story goes beyond mere historical events it is a testament to the enduring struggle to define one's place within a religious tradition while attempting to balance devotion to the faith interpersonal relationships and personal integrity After the death of Joseph Smith Marks found himself at the center of a power struggle among various groups claiming succession His interactions with Brigham Young James Strang and others illuminate the diverse interpretations of Mormon doctrine and the differing visions of what Zion should be From his involvement in defining moments in Mormonism to his break with Young and eventual ordination to the First Presidency of the Reorganized Church Marks's life encapsulates the challenges and complexities of early Latter Day Saint history Through meticulous research and insightful analysis **Come Up Hither to Zion** sheds light on the intricate tapestry of beliefs and practices that shaped Marks's spiritual journey and offers a compelling exploration of the Mormon concept of gathering as both a physical and philosophical endeavor **Revelation, Resistance, and Mormon Polygamy**

Merina Smith, 2013-08-15 **In Revelation Resistance and Mormon Polygamy** historian Merina Smith explores the introduction of polygamy in Nauvoo a development that unfolded amid scandal and resistance Smith considers the ideological historical and even psychological elements of the process and captures the emotional and cultural detail of this exciting and volatile period in Mormon history She illuminates the mystery of early adherents acceptance of such a radical form of marriage in light of their dedication to the accepted monogamous marriage patterns of their day When Joseph Smith began to reveal and teach the doctrine of plural marriage in 1841 even stalwart members like Brigham Young were shocked and confused In this thoughtful study Smith argues that the secret introduction of plural marriage among the leadership coincided with an evolving public theology that provided a contextualizing religious narrative that persuaded believers to accept the principle This fresh interpretation draws from diaries letters newspapers and other primary sources and is especially effective in its

use of family narratives It will be of great interest not only to scholars and the general public interested in Mormon history but in American history religion gender and sexuality and the history of marriage and families *A House Full of Females* Laurel Thatcher Ulrich, 2018-02-20 From the author of *A Midwife's Tale* winner of the Pulitzer Prize and the Bancroft Prize for History and *The Age of Homespun* a revelatory nuanced and deeply intimate look at the world of early Mormon women whose seemingly ordinary lives belied an astonishingly revolutionary spirit drive and determination A stunning and sure to be controversial book that pieces together through more than two dozen nineteenth century diaries letters albums minute books and quilts left by first generation Latter day Saints or Mormons the never before told story of the earliest days of the women of Mormon plural marriage whose right to vote in the state of Utah was given to them by a Mormon dominated legislature as an outgrowth of polygamy in 1870 fifty years ahead of the vote nationally ratified by Congress and who became political actors in spite of or because of their marital arrangements Laurel Thatcher Ulrich writing of this small group of Mormon women who've previously been seen as mere names and dates has brilliantly reconstructed these textured complex lives to give us a fulsome portrait of who these women were and of their sex radicalism the idea that a woman should choose when and with whom to bear children **Kingdom of Nauvoo: The Rise and Fall of a Religious Empire on the American Frontier** Benjamin E. Park, 2020-02-25 Best Book Award Mormon History Association A brilliant young historian excavates the brief life of a lost Mormon city uncovering a grand underappreciated saga in American history Wall Street Journal In *Kingdom of Nauvoo* Benjamin E Park draws on newly available sources to re create the founding and destruction of the Mormon city of Nauvoo On the banks of the Mississippi in Illinois the early Mormons built a religious utopia establishing their own army and writing their own constitution For those offenses and others including the introduction of polygamy which was bitterly opposed by Emma Smith the iron willed first wife of Joseph Smith the surrounding population violently ejected the Mormons sending them on their flight to Utah Throughout his absorbing chronicle Park shows how the Mormons of Nauvoo were representative of their era and in doing so elevates Mormon history into the American mainstream **The History of the Saints, Or, An Exposé of Joe Smith and Mormonism** John Cook Bennett, 2000 Issuing dire warnings of a Mormon conspiracy to overthrow the government Bennett catalogs the Mormon Monster's career of imposture iniquity and treason while presenting testimonies to his own unsullied character *Sex and Sects* Stewart Davenport, 2022-03-17 With a revolution behind them a continent before them and the First Amendment protecting them religious sexual pioneers in antebellum America were free to strike out on their own breaking with the orthodoxies of the past Shakers followed the ascetic path Oneida Perfectionists accepted sex as a gift from God and Mormons redefined marriage in light of new religious revelations that also redefined God humankind spirit and matter Sex became a powerful way for each group to reinforce their sectarian identity as strangers in a strange land *Sex and Sects* tells the story of these three religiously inspired sexual innovations in America the celibate lifestyle of the Shakers the Oneida Community's system of controlled polyamory and

plural marriage as practiced by the Mormons Stewart Davenport analyzes why these bold experiments rose and largely fell over the course of the nineteenth century within the confines of the new American republic Moving beyond a social scientific lens Davenport traces for the first time their fascinating shared trajectory as they emerged struggled institutionalized and declined in tandem and sheds historical light on the way in which Americans have discussed contested and redefined the institutions of marriage and family both in our private lives and in the public realm

Mormon History Ronald Warren Walker, David J. Whittaker, James B. Allen, 2001 *Excavating Mormon Pasts* Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century

Joseph Smith for President Spencer W. McBride, 2021-04-13 Though Joseph Smith's run for president is now best remembered for ending in his assassination the renegade campaign was historic in the proposals it put forward He called for a total abolition of slavery the closure of the country's penitentiaries and the reestablishment of a national bank to stabilize the economy But most important was Smith's call for an expansion of protections for religious minorities In a time when the Bill of Rights did not apply to individual states Smith called for the federal government to be empowered to protect minorities when states failed to do so In this book Spencer W McBride tells the story of Smith's campaign and how his calls for religious freedom through constitutional reform are essential to understanding how the American political system evolved to what we know today

Knowing Brother Joseph Again Davis Bitton, 2011-07-01 We live in an age of relativism What is beautiful for one is not for another what is good and moral for one is not for another and what is true for one is not for another Such an attitude widespread in the world condemns those who testify of truth I shudder at the thought that my presentation here will lead to such soft relativism I do not think that everything is up for grabs with each person's opinion being equally valid Just as Jesus was either Savior and Redeemer of the world or he was not so Joseph Smith was either a true authorized prophet of God or he was not In recounting his visions either he spoke the truth or he did not Yet the fact remains that different people saw him in different ways Even his followers emphasized different facets at different times All human beings are complex and resist the reductionism that would dismiss them with a single adjective or noun People like Joseph Smith are rich and complex Different people saw him differently or focused on a different facet of his personality at different times Inescapably what they observed or found out about him was refracted through the lens of their own experience Some of the different flickering not always compatible views are the subject of this book Davis Bitton Davis Bitton's life was cut short before he could finish revisions on this collection of insightful essays about Joseph Smith a prophet whom he also considers a hero in both classical terms and the context of

nineteenth century America Knowing Brother Joseph Again explores images of Joseph Smith from both the devotion of believers and the hostility and skepticism of opponents

The Mormon Military Experience Sherman L. Fleek, Robert C. Freeman, 2023-04-12 The Mormon military experience is unique in American history The Church of Jesus Christ of Latter day Saints LDS is the only denomination to field military units for its own support and purpose rather than national interests an effort which began in Missouri in 1838 and lasted through the Spanish American War of 1898 From World War I onward however the military exceptionalism of the LDS Church faded and Mormon soldiers came to serve national interests as loyal citizens alongside their fellow Americans The Mormon Military Experience 1838 to the Cold War is the first book to present a historical overview of the Mormon military experience Sherman Fleek and Robert Freeman tell this unique story of how the Church of Jesus Christ of Latter day Saints has experienced war and military service and of their teachings concerning participation in armed conflict The LDS Church s distinct relationship between religious life and military service is rooted in its adherence to the Book of Mormon and its unique doctrine based in ancient and then modern revelations from church leaders Religious and military exceptionalism went hand in hand during the nineteenth century when LDS Church leaders dictated when and how members would serve in armed conflict Mormon militiamen were often more loyal to church interests and the guidance of LDS leaders than they were to government policy from mustering of the Mormon Battalion during the Mexican War to orchestrating the armed effort during the Utah War of 1857 1858 to serving as Civil War volunteers in the West Similarly they followed Church leaders teachings not to serve in the Civil War s bloody campaigns in the East While LDS leaders adapted church practices and policies to support national objectives at times there were also occasions when Mormon militia units defied state and federal military forces sometimes to the point of open combat No other American denomination has done this This is a story about changing loyalties as the LDS Church transformed from a personalist religious movement on the edge of society to a mainstay of American religious and political life Mormons have moved from battling the US military to serving with distinction within it

Method Infinite: Freemasonry and the Mormon

Restoration Cheryl L. Bruno, Joe Steve Swick III, Nicholas S. Literski, 2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh

perspective on the Masonic thread present in Mormonism from its earliest days Smith's firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded *Doing the Works of Abraham* B. Carmon Hardy, 2017-08-30 Celestial Marriage the doctrine of the plurality of wives polygamy No issue in the history of The Church of Jesus Christ of Latter day Saints popularly known as the Mormon Church has attracted more attention From its contentious and secretive beginnings in the 1830s to its public proclamation in 1852 and through almost four decades of bitter conflict with the federal government to Church renunciation of the practice in 1890 this belief helped define a new religious identity and unify the Mormon people just as it scandalized their neighbors and handed their enemies the most effective weapon they wielded in their battle against Mormon theocracy This newest addition to the Kingdom in the West Series provides the basic documents supporting and challenging Mormon polygamy supported by the concise commentary and documentation of editor B Carmon Hardy Plural marriage is everywhere at hand in Mormon history However despite its omnipresence including a broad and continuing stream of publications devoted to it few attempts have been made to assemble a documentary history of the topic Hardy has drawn on years of research and writing on the controversial and complex subject to make this narrative collection of documents illuminating and myth shattering The second relic of barbarism as the Republican Party platform of 1856 characterized polygamy was believed by the Saints to be God's law trumping the laws of a mere republic The long struggle for what was and for some fundamentalists remains religious freedom still resonates in American religious law Throughout the West thousands of families continue the practice even In the face of LDS Church opposition The book includes a bibliography and an index It is bound in rich blue linen cloth two color foil stamped spine and front cover Smitten Rodney Hessinger, 2022-12-15 In *Smitten* Rodney Hessinger examines how the Second Great Awakening disrupted gender norms across a breadth of denominations The displacement and internal migration of Americans created ripe conditions for religious competition in the North Hessinger argues that during this time of religious ferment religious seekers could in turn play the missionary or the convert The dynamic of religious rivalry inexorably led toward sexual and gender disruption Contending within an increasingly democratic religious marketplace preachers had to court converts in order to flourish They won followers through charismatic allure and making concessions to the desires of the people Opening their own hearts to new religious impulses some religious visionaries offered up radical dispensations including new visions of how God wanted them to reorder sex and gender relations in society A wide array of churches including Methodists Baptists Mormons Shakers Catholics and Perfectionists joined the fray Religious contention and innovation ultimately produced backlash Charges of seduction and gender trouble ignited fights within and against churches Religious opponents insisted that the newly converted were smitten with preachers rather than choosing churches based on reason and scripture Such criticisms coalesced into a broader pan Protestant rejection of religious enthusiasm *Smitten* reveals the sexual disruptions

and subsequent domestication of religion during the Second Great Awakening

The Enthralling Realm of E-book Books: A Thorough Guide Unveiling the Pros of E-book Books: A Realm of Ease and Flexibility E-book books, with their inherent portability and ease of access, have freed readers from the limitations of physical books.
