Saints And Their Cults

Sarah Hamilton

Saints And Their Cults:

Saints and Their Cults Stephen Wilson, 1985 This is a paperback edition of a collection of ten papers by different authors on the cult of saints first published in hard covers in 1983 Six have been translated from French including a pioneering study by Robert Hertz one of Durkheim's most eminent pupils The editor provides a wide ranging general and historical introduction and a 100 page annotated bibliography covering material on the subject in all disciplines and in four main languages

Saints and Their Cults in the Atlantic World Margaret Jean Cormack, 2007 *Saints and Their Cults in the Atlantic World* traces the changing significance of a dozen saints and holy sites from the fourth century to the twentieth and from Africa Sicily Wales and Iceland to Canada Boston Mexico Brazil and the Caribbean Scholars representing the fields of history art history religious studies and communications contribute their perspectives in this interdisciplinary collection also notable as the first English language study of many of the saints treated in the volume Several chapters chart the changing images and meanings of holy people as their veneration traveled from the Old World to the New others describe sites and devotions that developed in the Americas The ways that a group feels connected to the holy figure by ethnicity or regionalism proves to be a critical factor in a saint's reception and many contributors discuss the tensions that develop between ecclesiastical authorities and communities of devotees

Saints and their cults, 1933 **Saints and Their Cults: Studies in Religious Sociology, Folklore and History** Stephen Wilson, 1983 **Protestants and the Cult of the Saints**

Carol Piper Heming, 2003-08-01 The role of the saints became a theological dilemma for scholars and laity alike throughout the Reformation era As Protestants tried to remove themselves from the hold of the Catholic Church the cult of the saints remained a formidable presence Through the analysis of 180 pamphlets published by reformers in German speaking Europe Carol Heming shows the struggle Protestants faced in purging the cult of the saints from their culture and religion Heming examines why Reformation leaders so strongly and universally denounced the cult of the saints and whether the holy patrons disappeared from Protestant areas without benefit of champion or defender Complete scriptural references used in the pamphlets against the saints and images are included

Saints Caroline Williams, 1980-01-01 Brief descriptions of the lives of Catholic saints are accompanied by depictions in paintings and sculpture of their martyrdom or ministry *Saints and Their Miracles in Late Antique Gaul* Raymond Van Dam, 1993 Saints cults with their focus on miraculous healings and pilgrimages were not only a distinctive feature of Christian religion in fifth and sixth century Gaul but also a vital force in political and social life Here Raymond Van Dam uses accounts of miracles performed by SS Martin Julian and Hilary to provide a vivid and comprehensive depiction of some of the most influential saints cults Viewed within the context of ongoing tensions between paganism and Christianity and between Frankish kings and bishops these cults tell much about the struggle for authority the forming of communities and the concept of sin and redemption in late Roman Gaul Van Dam begins by describing the origins of the three cults and discusses the career of Bishop Gregory of Tours who benefited from the

support of various patron saints and in turn promoted their cults. He then treats the political and religious dimensions of healing miracles including their relation to Catholic theology and their use by bishops to challenge royal authority and of pilgrimages to saints' shrines. The miracle stories collected mainly by Gregory of Tours appear in their first complete English translations.

Irenaeus of Sirmium and His Story in the Medieval East and West Marijana Vuković, 2023-12-01. The study of hagiographies has generally been focused on the more prominent saints of late antiquity and the Middle Ages who inspired significant and long-lasting veneration. However, this has caused many less well-known saints to be pushed aside and forgotten. This book is a study into one such saint, Irenaeus, a martyr who was killed in 304 CE in Sirmium, Pannonia. His short-lived cult, his feast day, and the account of his martyrdom, which had been translated into Latin, Greek, Old Slavonic, Georgian, and Armenian, had all been forgotten during the Middle Ages. This book examines Irenaeus of Sirmium's life, cult, sainthood, and eventual disappearance from the memory of medieval Christendom in the context of a wider study on the memory of those less well-known saints who like Irenaeus became neglected and eventually forgotten. *Irenaeus of Sirmium and His Story in the Medieval East and West* will be of interest to scholars and students alike interested in hagiography, medieval literature, and history, as well as all those interested in the religious history of Byzantium, medieval Europe, and the Slavic world.

Church and People in the Medieval West, 900-1200 Sarah Hamilton, 2015-08-12. During the middle ages, belief in God was the single most important principle for every person, and the all-powerful church was the most important institution. It is impossible to understand the medieval world without understanding the religious vision of the time, and this new textbook offers an approach which explores the meaning of this in day-to-day life as well as the theory behind it. *Church and People in the Medieval West* gets to the root of belief in the Middle Ages, covering topics including pastoral reform, popular religion, monasticism, heresy, and much more throughout the central middle ages from 900-1200. Suitable for undergraduate courses in medieval history and those returning to or approaching the subject for the first time.

Martyrdom, Murder, and Magic Patricia Healy Wasyliv, 2008. *Martyrdom, Murder, and Magic: Child Saints and Their Cults in Medieval Europe* is a comprehensive history of child saints and their cults from late Antiquity to the end of the fifteenth century. The child martyrs of the persecutions, including the Holy Innocents, were the first child saints recognized by the Church, and their cults spread throughout Europe in the early Middle Ages. Alongside these cults, medieval society also venerated child martyrs, victims of political or domestic violence. The increasing role of the papacy in the canonization process after the tenth century resulted in the veneration of saintly child confessors in the high Middle Ages, but from the end of the twelfth century, most children worshipped as saints were the alleged victims of ritual murder by Jews. This book considers the formation and transformation of child saints and their cults in the context of popular belief and the history of childhood.

The Cult of St Katherine of Alexandria in Early Medieval Europe Christine Walsh, 2017-05-15. St Katherine of Alexandria was one of the most popular saints in both the Orthodox and Latin Churches in the later Middle Ages, yet there has been little study of how her cult

developed before c 1200 This book redresses the balance providing a thorough examination of the way the cult spread from the Greek speaking lands of the Eastern Mediterranean and into Western Europe The author uses the full range of source material available including liturgical texts hagiographies chronicles and iconographical evidence bringing together these often disparate sources to map the way in which the cult of St Katherine grew from its early stages in the Byzantine Empire up to c 1100 its transmission to Italy and the introduction and development of the cult in Normandy and England up to c 1200 The book also includes appendices listing early manuscripts containing Katherine s Passio and including key original texts on St Katherine of the period This study will be welcomed by scholars of medieval history and the history of medieval art and as a case study for all those with an interest in the development of medieval saint s cults **The Cult of Saint**

George in Medieval England Jonathan Good,2009 How St George became the patron saint of England has always been a subject of speculation He was not English nor was his principal shrine there the usual criteria for national patronage yet his status and fame came to eclipse that of all other saints Edward III s use of the saint in his wars against the French established him as a patron and protector of the king unlike other saints George was adopted by the English to signify membership of the community of the realm This book traces the origins and growth of the cult of St George arguing that especially after Edward s death George came to represent a good politics deriving from Edward s prosecution of a war with spoils for everyone and could be used to rebuke subsequent kings for their poor governance Most medieval kings came to understand this fact and venerated St George in order to prove their worthiness to hold their office The political dimension of the cult never completely displaced the devotional one but it was so strong that St George survived the Reformation as a national symbol one that continues in importance in the recovery of a specifically English identity **The Cult of the**

Saints Peter Brown,2009-02-15 Following the fall of the Roman Empire in the West the cult of the saints was the dominant form of religion in Christian Europe In this elegantly written work Peter Brown explores the role of tombs shrines relics and pilgrimages connected with the sacred bodies of the saints He shows how men and women living in harsh and sometimes barbaric times relied upon the merciful intercession of the holy dead to obtain justice forgiveness and to find new ways to accept their fellows Challenging the common treatment of the cult as an outbreak of superstition among the lower classes Brown demonstrates how this form of religiosity engaged the finest minds of the Church and elicited from members of the educated upper classes some of their most splendid achievements in poetry literature and the patronage of the arts Brown has an international reputation for his fine style a style he here turns on to illuminate the cult of the saints Christianity was born without such a cult it took rise and that rise needs chronicling Brown has a gift for the memorable phrase and sees what the passersby have often overlooked An eye opener on an important but neglected phase of Western development The Christian Century Brilliantly original and highly sophisticated The Cult of the Saints is based on great learning in several disciplines and the story is told with an exceptional appreciation for the broad social context Students of many aspects of

medieval culture especially popular religion will want to consult this work Bennett D Hill Library Journal **Holiness** Stephen C. Barton, 2003-01-01 Stephen Barton has commissioned social scientists philosophers of religion feminists biblical scholars historians moral theologians and systematic theologians international experts from a wide range of theological and related disciplines to reflect on holiness The book is divided into four parts the idea of holiness holiness and scripture holiness and Christian tradition and holiness and contemporary issues The contributions are inter denominational and inter religious There is nothing comparable on holiness available at present so this collection fills a significant gap in the literature Its comprehensive range and its interdisciplinary style will make it an important resource for students and scholars in theology church history ethics and religious studies **The Cult of the Saints** Peter Brown, 2020-03-04 A new edition of the brilliantly original and highly sophisticated study of saint worship after the fall of the Roman Empire Library Journal In this groundbreaking work Peter Brown explores how the worship of saints and their corporeal remains became central to religious life in Western Europe after the fall of the Roman Empire During this period earthly remnants served as a heavenly connection and their veneration is a fascinating window into the cultural mood of a region in transition Brown challenges the long held two tier idea of religion that separated the religious practices of the sophisticated elites from those of the superstitious masses instead arguing that the cult of the saints crossed boundaries and played a dynamic part in both the Christian faith and the larger world of late antiquity He shows how men and women living in harsh and sometimes barbaric times relied upon the holy dead to obtain justice forgiveness and power and how a single sainted hair could inspire great thinkers and great artists An essential text by one of the foremost scholars of European history this expanded edition includes a new preface from Brown which presents new ideas based on subsequent scholarship Informative demonstrates once again Brown's genius for sharing with his readers the fruits of not only his own painstaking and meticulous scholarship but also his penetrating understanding of the evolution of Western culture as a whole Religious Studies **The Cult of St Ursula and the 11,000 Virgins** Jane Cartwright, 2016-06-15 The cult of St Ursula and the 11 000 virgins was one of the most popular and relic rich of all saints cults in the medieval period This volume constitutes the first interdisciplinary collection of essays in English to explore the development and transmission of the legend of St Ursula in detail considering a wealth of different sources including physical remains literary texts artistic representations and medieval music **A Cloud of Witnesses** Marcel Barnard, Paulus Gijbertus Johannes Post, 2005 From 11 to 16 August 2003 the nineteenth international congress of the Societas Liturgica was held in Veldhoven the Netherlands with as its theme A cloud of witnesses Saints and role models in Christian liturgy The present publication contains a collection of nineteen case studies reflecting the versatility of the congress in its variations and themes its scope in time from early Christian times to the present day and the fact that many churches and religious communities as well as the Jewish tradition are represented The collection contains a number of articles that reflect on subjects like the phenomenon of saintliness heortology the dimensions of time and space in

ritual liturgical practice and saints and canonizations in the present day Roman Catholic and Protestant church The last section consists of contributions on saints and forms of saint s cult by a number of authors based on their own religious communities such as the Old Catholic Church Anglican Church Dissenting Free Church Reformed Church and ecumenical movement The editors of this collection have by way of an introduction compiled a historiographic bibliographic overview relating to saints and their cults in various research domains specifically within liturgical studies also touching upon certain specific and for this collection interesting themes such as the position of the cult of saints in cultural and historical studies Protestant traditions and the Feminist Liturgical Movement

The Oxford Handbook of Women and Gender in Medieval Europe Judith M. Bennett, Ruth Mazo Karras, 2013-08-22 The Oxford Handbook of Women and Gender in Medieval Europe provides a comprehensive overview of the gender rules encountered in Europe in the period between approximately 500 and 1500 C E The essays collected in this volume speak to interpretative challenges common to all fields of women s and gender history that is how best to uncover the experiences of ordinary people from archives formed mainly by and about elite males and how to combine social histories of lived experiences with cultural histories of gendered discourses and identities The collection focuses on Western Europe in the Middle Ages but offers some consideration of medieval Islam and Byzantium The Handbook is structured into seven sections Christian Jewish and Muslim thought law in theory and practice domestic life and material culture labour land and economy bodies and sexualities gender and holiness and the interplay of continuity and change throughout the medieval period It contains material from some of the foremost scholars in this field and it not only serves as the major reference text in medieval and gender studies but also provides an agenda for future new research

The Cult of St Edmund in Medieval East Anglia Rebecca Pinner, 2015 An investigation of the growth and influence of the cult of St Edmund and how it manifested itself in medieval material culture

The Lay Saint Mary Harvey Doyno, 2019-10-15 In *The Lay Saint Mary Harvey* Doyno investigates the phenomenon of saintly cults that formed around pious merchants artisans midwives domestic servants and others in the medieval communes of northern and central Italy Drawing on a wide array of sources vitae documenting their saintly lives and legends miracle books religious art and communal records Doyno uses the rise of and tensions surrounding these civic cults to explore medieval notions of lay religiosity charismatic power civic identity and the church s authority in this period Although claims about laymen s and laywomen s miraculous abilities challenged the church s expanding political and spiritual dominion both papal and civic authorities Doyno finds vigorously promoted their cults She shows that this support was neither a simple reflection of the extraordinary lay religious zeal that marked late medieval urban life nor of the Church s recognition of that enthusiasm Rather the history of lay saints cults powerfully illustrates the extent to which lay Christians embraced the vita apostolica the ideal way of life as modeled by the Apostles and of the church s efforts to restrain and manage such claims

Saints And Their Cults Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Saints And Their Cults free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Saints And Their Cults free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Saints And Their Cults free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Saints And Their Cults. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious

and verify the legality of the source before downloading Saints And Their Cults any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Saints And Their Cults Books

What is a Saints And Their Cults PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Saints And Their Cults PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Saints And Their Cults PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Saints And Their Cults PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Saints And Their Cults PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
