The Imitation of Saint Paul Jim Reapsome, 2013-08-07 The Imitation of Saint Paul takes us behind the headlines of his career and offers a fresh compelling contemporary look at the man who changed the world When the exemplary apostle got into the face of his converts he bluntly held up his own life as the pattern for theirs How risky is that The purpose of this readable work with a modern twist is to discover how Paul viewed his divine commission and how he managed to survive incredible obstacles and hardships that threatened to undo him What elements in the apostle's life made him the man he was How does his life become the format of

ours What changes can we make to follow in his footsteps This work serves as both an introduction to the apostle for those new to the Christian faith and as a healthy reminder for those who want to go deeper in their obedience to and service for Christ

The Saint I Knew! Kevin Wilson,2025-06-17 Each of us has the potential to become a saint We re especially reminded of this when we receive the Sacrament of Confirmation as a teenager and choose a saint as our patron and inspiration to go forth boldly as a soldier for Christ to live and proclaim our Catholic faith Who better than the saints and blessed to inspire us in the battle of life In this imaginative work of historical fiction Kevin Wilson places you inside the story of a saint or blessed experiencing their stories as they unfold You ll discover that holy men and women of the 20th century were courageous and battle hardened They fought evil but with weapons of prayer Rosary beads and acts of goodwill often with similar results and in some situations also laying down their lives for others But they were also common people just like us so you never know you might be talking or sitting next to a future saint May these stories enlighten readers especially teens and young adults to realize this importance of holiness and rise above As Bl Carlo Acutis soon to be a saint stated All people are born as originals but many die as photocopies

The Love of Thousands Christine Valters Paintner,2023-08-18 Is it possible that angels saints and even our departed ancestors support and inspire us throughout our lives How can we connect with them in a real way Christine Valters Paintner popular spiritual writer and

abbess of the online Abbey of the Arts says these sacred beings are paving the way for our journey toward God's love even as we pass through a world rife with struggle discord and violence In *The Love of Thousands* she helps us open up our spiritual imagination to encounter our heavenly helpers allowing us to become everyday mystics Paintner describes saints angels and our ancestors as sacred beings who surround us like concentric circles watching over us with compassion and offering us spiritual guidance throughout our lives In *The Love of Thousands* she guides us to see the ways these beings support us from the care of our guardian angels to the wisdom of the mystics to the witness of our loved ones who have crossed the threshold to the light of God's presence Paintner's gentle guidance reveals that we can be inspired and sustained when we are open and attentive in exploring our connections to these holy companions walking alongside us Transformed by the encounter we can grow into the kinds of ancestors part of the Communion of Saints who offer spiritual support and wisdom to others in turn Throughout *The Love of Thousands* we are led to explore and better understand the teachings from scripture and tradition about the four archangels the protection offered by our guardian angels and what it might look like to wrestle with angels as Jacob did in the Old Testament the witness of the saints and mystics with an exploration of how we are all called to be mystics the tradition of relics and the practice of pilgrimage the presence of our ancestors inviting us first to claim the blessings of our family heritage and then to embrace grief and explore healing the wounds of our lineage Each chapter includes a reflection practice meditation and creative exercise that will help cultivate an ongoing relationship with angels saints and our ancestors Paintner also suggests various ways to engage with this book to reflect more deeply on the spiritual content such as reading it over the course of a year or with others as a form of spiritual pilgrimage
