Saints In Medieval Manuscripts

Mechthild Gretsch

A decorative red circular graphic element, resembling a stylized sun or a lens flare, is positioned to the right of the author's name. It has a soft, glowing red center that fades into a lighter red and then into the white background of the slide.

Saints In Medieval Manuscripts:

Saints in Medieval Manuscripts Greg Buzwell, 2005-01-01 In *Saints in Medieval Manuscripts* Greg Buzwell documents how saints were represented in the manuscripts of the Middle Ages Text, Image, Message Leslie D. Ross, 2023 Ross provides a broad survey of pictures and texts concerning saints from the Early Christian through the late Gothic period Both Western and Byzantine material is included Beginning with the earliest pictures of and stories about saints the book traces the evolution of hagiographic imagery primarily in manuscript contexts Because of its cross disciplinary nature it will be of interest to audiences interested in Early Christian Byzantine and Western medieval culture religion society politics and art No other book to date is organized similarly in providing detailed descriptions for the identification of medieval manuscripts with hagiographic texts and illustrations Text, Image, Message Leslie Ross, 1994-05-30 Ross provides a broad survey of pictures and texts concerning saints from the Early Christian through the late Gothic period Both Western and Byzantine material is included Beginning with the earliest pictures of and stories about saints the book traces the evolution of hagiographic imagery primarily in manuscript contexts Because of its cross disciplinary nature it will be of interest to audiences interested in Early Christian Byzantine and Western medieval culture religion society politics and art No other book to date is organized similarly in providing detailed descriptions for the identification of medieval manuscripts with hagiographic texts and illustrations **Saints and Scribes** Pamela Gehrke, 1993-02-17 In this survey of thirteenth century codices in Old French verse that contain at least one saint's life the author finds a great variety among combinations in contrast to the corpus of medieval Latin hagiographic manuscripts She interprets the combinations of texts in four collections demonstrating the value of codicological and textual analysis of entire manuscripts as an approach to medieval vernacular pious literature Saints' Lives in Middle English Collections Anne B Thompson, Robert K Upchurch, E Gordon Whatley, 2005-04-01 This volume is conceived as a complement to another Middle English Texts series text Sherry Reames *Middle English Legends of Women Saints* This selection is intended to be broadly representative of saints lives in Middle English and of the classic types of hagiographic legend as these were presented to the lay public and less literate clergy of late medieval England **Saints and Sanctity** Ecclesiastical History Society. Summer Meeting, Ecclesiastical History Society. Winter Meeting, 2011 Provides insight into a key issue of Christian history which still has a huge influence on ecclesiastical practice and politics **The Legends of the Saints in Old Norse-Icelandic Prose** Kirsten Wolf, 2013-01-01 With *The Legends of the Saints in Old Norse-Icelandic Prose* Kirsten Wolf has undertaken a complete revision of the fifty year old handlist *The Lives of the Saints in Old Norse Prose* *Three Eleventh-century Anglo-Latin Saints' Lives* Rosalind C. Love, 1996 This volume contains comprehensive and scholarly editions of three Anglo-Saxon saints' lives Birinus of Dorchester on Thames Kenelm of Winchcombe and Rumwold of Buckingham Rosalind Love provides the Latin texts based on all known manuscript versions with a facing page English translation together with full annotation and a historical introduction which

sets these works in the context of the development of hagiographical literature Dr Love traces the growth and changes in hagiographical writing one of the most important genres of medieval literature and essential to the understanding of the religious mentality of the Middle Ages and shows how the eleventh century saw significant new directions emerge in the cult of the saints and the writing of saints lives *Hagiography and the Cult of Saints* Thomas Head, 2005-11-24 This book explores the uses made of sanctity and patronage by the Franks **Women Saints Lives in Old English Prose** Leslie A. Donovan, 1999 Translations of eight saints lives giving an insight into women's religious culture in Anglo Saxon England Devout virtuous and independent the heroines of Old English saints lives one of the most popular literary genres of the middle ages provided exemplars of personal and public inspiration for medieval Christians The eight lives translated here are the earliest known vernacular accounts of the biographies of thelthryth Agatha Agnes Cecilia Eugenia Euphrosyne Lucy and Mary of Egypt They depict women escaping unwanted marriages communicating with male relatives acquiring an education living autonomously as hermits and achieving positions of leadership such lives document not only the importance of spiritual faith to early Christian women but also testify to how these women and their audience employed faith as a tool for empowerment Each life is preceded by a brief description of the saint's cult from its early Christian origins to its presence in Anglo Saxon culture The translation is accompanied by an introduction establishing the general background for the genre the conventions of women saints lives and women's religious culture in Anglo Saxon England and an interpretive essay exploring the relationships between explicit presentations of the female body and the strength of spiritual authority as exhibited in these texts completes the volume LESLIE A DONOVAN is Associate Professor at the University of New Mexico

Hiberno-Latin Saints' 'Lives' in the Seventh Century John Higgins, 2024-03-18 As part of the historicizing corpus of seventh century Irish writing the Lives framed the narrative of the early saints as an effective weapon in contemporary political and ecclesiastical conflicts Cogitosus's Life of Brigit Muirch's and Trech'n's accounts of Saint Patrick and Adomnán's Life of Columba created the understanding of the history of early Ireland that has endured to this day How did the writers accomplish this through their literary choices The authors of Irish saints Lives used the literary form of hagiography Christian biography miracle stories and an elaborate rhetorical style to present the words and actions of their subjects These Lives created a narrative of early Irish history that supported the political ecclesiastical elites by showing that their power derived from the actions of their patron saints **The Saints' Lives of Jocelin of Furness** Helen Birkett, 2010 First comprehensive study of four important medieval saints lives setting them in their political and ecclesiastical context Jocelin of Furness fl 1175x1214 the Cistercian hagiographer composed four substantial and significant saints lives varying widely in both subject and patron they offer a rich corpus of medieval hagiographical writing Jocelin's Vita S Patricii and Vita S Kentegerni provide updated versions of each saint's legend and are carefully adapted to reflect the interests of their respective patrons in Ireland and Scotland The Vita S Helenae was probably commissioned by a female community in

England it represents an idealized narrative mirror of its early thirteenth century context In contrast the Vita S Waldevi was written to promote the formal canonization of a new saint Waltheof d 1159 abbot of the Cistercian house of Melrose in the Scottish borders This is the first full length study of the Lives It combines detailed analyses of the composition of the texts with study of their patronage audiences and contemporary contexts and it provides new insights into Jocelin s works and the writing of hagiography in the period Dr HELEN BIRKETT is Lecturer in Medieval History University of Exeter

Saints Amy Jeffs, 2025-09-09 From the bestselling author of Storyland and Wild comes a sweeping new legendary of miracles magic human frailty and heroic strength Illustrated by the author with over thirty original papercut portraits In Saints historian and artist Amy Jeffs illuminates the lives of medieval saints drawing on official biographies vernacular romances artworks and poetry to tell of wayfaring monks oak felling missionaries and mighty martyrs Organized by feast month this enchanting compendium presents the legends of Brigid Patrick Nicholas and Augustine as well as saints whose stories are less well known Ia Mungo Scoith n and Euphrosyne Combining history and myth tradition and invention Jeffs offers transporting tales of demons and dragons men raised by wolves and women who commune with birds

Medieval manuscript containing legends of and sermons on the saints Pope Gregory I, Catholic Church, 1400

Saints' Lives and the Rhetoric of Gender John Kitchen, 1998-08-13 Medieval lives of female saints have attracted wide attention in recent years Some scholars have argued that such texts reveal a distinctive form of female sanctity which only female hagiographers managed to properly articulate and important writings have been attributed to female authors on that assumption In this revisionist work John Kitchen tests such claims through a close examination of several texts lives of both male and female saints by authors of both sexes from sixth century France He argues that sometimes the authentic voice of the female writer or saint sounds emphatically male This study gives examples of how both male and female authors sometimes depicted holy women talking acting or even dressing like their male counterparts Ultimately the author aims to cast doubt on the assumption that male authors were ignorant of or hostile toward certain specifically female concerns By the same token Kitchen s work raises serious methodological problems with the gender approach to the hagiographic literature of the early Middle Ages

A Companion to Old Norse-Icelandic Literature and Culture Rory McTurk, 2008-03-11 This major survey of Old Norse Icelandic literature and culture demonstrates the remarkable continuity of Icelandic language and culture from medieval to modern times Comprises 29 chapters written by leading scholars in the field Reflects current debates among Old Norse Icelandic scholars Pays attention to previously neglected areas of study such as the sagas of Icelandic bishops and the fantasy sagas Looks at the ways Old Norse Icelandic literature is used by modern writers artists and film directors both within and outside Scandinavia Sets Old Norse Icelandic language and literature in its wider cultural context

Silver Saints Hanneke van Asperen, 2021 Late medieval books served as treasure chests for all kinds of religious keepsakes notably small metal badges Devotees sewed these religious badges and pilgrimage souvenirs to the parchment of their treasured devotional

books and manuscript illuminators depicted silver en gilt badges in the margins as if they are sewn to the pages Medieval manuscripts are often admired for their esthetic qualities but many of them also served a practical use as instruments for the physical and mental wellbeing of the owners and their families Manuscripts and incunabula containing metal badges illustrate how the owners used their books which texts they favored but also who collected badges and why The depicted badges that only appear in richly illuminated and expensive manuscripts expand the knowledge of these metal objects that have been passed down in small numbers only The painted motifs that have a more decorative and structuring role in the book fulfilled different functions than the original badges Silver Saints discusses the religious life of lay people in the late Middle Ages and the meaning of badges in books both the painted motifs in beautifully decorated manuscripts and many traces of original badges **Music and Culture in the Middle Ages and Beyond** Benjamin Brand, David J.

Rothenberg, 2016-10-27 It has become widely accepted among musicologists that medieval music is most profitably studied from interdisciplinary perspectives that situate it within broad cultural contexts The origins of this consensus lie in a decisive reorientation of the field that began approximately four decades ago For much of the twentieth century research on medieval music had focused on the discovery and evaluation of musical and theoretical sources The 1970s and 1980s by contrast witnessed calls for broader methodologies and more fully contextual approaches that in turn anticipated the emergence of the so called New Musicology The fifteen essays in the present collection explore three interrelated areas of inquiry that proved particularly significant the liturgy sources musical and archival and musical symbolism In so doing these essays not only acknowledge past achievements but also illustrate how this broad interdisciplinary approach remains a source for scholarly innovation **Aelfric and the Cult of Saints in Late Anglo-Saxon England** Mechthild Gretsch, 2006-01-19 The

cult of saints was one of the most important aspects of life in the Middle Ages and it often formed the nucleus of developing group identities in a town a province or a country The literature of Anglo Saxon England is unique among contemporary European literatures in that it features a vast amount of saints Lives in the vernacular Of these Lives lfric is the most important author and his saints Lives have never previously been explored in their contemporary setting In this study Gretsch analyses lfric s Lives of five important saints in the light of their cults in Anglo Saxon England This gives the reader fascinating glimpses of lfric at work he adapts the cults and rewrites the received Latin hagiography of the five saints with the result that each of their English Lives conveys a distinct message to the contemporary political elite and to a lay audience at large The Joy of Advent with Saint Benedict John R. Fortin, 2010 The Meaning and Celebration of Advent I have heard it said many times that Christmas is for children As someone who is moving past the middle age years and who has always been very fond of Christmas I can only say I hope not I hope that Christmas is truly a festival of light and happiness for everyone Yet I also think that Christmas for young and old and middle aged alike is only celebrated well when the beautiful season of Advent is truly entered into as a time of preparation in joyful hope for the coming of our Savior Jesus Christ from

The Joy of Advent with Saint Benedict Open your hearts during this Advent season and prepare for the celebration of Christmas with Saint Benedict Inside you will find for every day of Advent and Christmas the daily Gospel Reading a selection from the Rule of Saint Benedict a reflection and a prayer Also included are chapters on Saint Benedict the Meaning and Celebration of Christmas and the O Antiphons May you have a joyful Advent and a blessed Christmas
