The Saints of Scotland Edwin S. Towill,1989-01-01 **The Saints of Scotland** Edwin Sprott Towill,1983 **Saints of Scotland** Eileen Dunlop,1996 Scotties are full colour Scottish information books for young readers aged 10 12 Each title contains facts activities and suggestions for places to visit This edition provides an answer to the question What is a saint It invites the reader to find out about the lives of Scottish saints and how they are remembered today It also follows Columba's journey from Iona to Inverness **A Calendar of Scottish Saints (Esprios Classics)** Dom Michael Barrett,2019-09-19 The title of Scottish applied to the holy ones whose names occur in these short notices must be understood to refer not so much to their nationality as to the field in which they laboured or the localities where traces of their cultus are to be found The Calendar here submitted does not pretend to be exhaustive the saints therein noted are those who appear prominently in such records as remain to us and in the place names which still recall their personalities In this new edition much additional information has been inserted and many emendations made to render the Calendar as complete as possible *The Saints of Scotland* Alan Macquarrie,1997 **Kind Neighbours: Scottish Saints and Society in the Later Middle Ages** Tom Turpie,2015-08-31 In Kind Neighbours Tom Turpie explores devotion to Scottish saints and their shrines in the later middle ages He provides fresh insight into the role played by these saints in the legal and historical arguments for Scottish independence and the process by which first Andrew and later Ninian were embraced as patron saints of the Scots Kind Neighbours also explains the appeal of the most popular Scottish saints of the period and explores the relationship between regional shrines and the Scottish monarchy Rejecting traditional interpretations based around church led patriotism or crown patronage Turpie draws on a wide range of sources to explain how religious political and environmental changes in the later middle ages shaped devotion to the saints in Scotland *A Calendar of Scottish Saints* Michael Barrett,1904
