Saints for Now Clare Boothe Luce, 1993 *Saints for Now* Clare Boothe Luce, 1952 *Saints for Now. [An Anthology of Essays]* Clare Luce (formerly Boothe.), 1952 **Medieval Saints' Lives** Emma Campbell, 2008

The significance of Old French hagiography in current theoretical debates in medieval studies and the humanities Contending that the study of hagiography is significant both for a consideration of medieval literature and for current theoretical debates in medieval studies this book considers a range of Old French and Anglo Norman texts using modern theories of kinship and community to show how saints lives construe social and sexual relations Focusing on the depiction of the gift kinship and community the book maintains that social and sexual systems play a keyrole in vernacular hagiography Such systems along with the desires they produce and control are it is argued central to hagiography s religious functions particularly its role as a vehicle of community formation In attempting to think beyond the limits of human relationships saints lives nonetheless create an environment in which queer desires and modes of connection become possible suggesting that in this case at least the orthodox nurtures the queer This book thus suggests not only that medieval hagiography is worthy of greater attention but also that this corpus might provide an important resource for theorizing community in its medieval contexts and for thinking it in the present

Revelation 1 Thru 22

Grover L. Byrdsell, 2013-09-13 When I began to read Revelation in preparation for writing this book I would see just how much God loves His people I had never seen this before in my reading of Revelation But now as I read I would let God open my heart for Him to give me His understanding of this amazing book of the Bible The love of God can so easily get lost in reading the book of Revelation But as you read Revelation youll see the love of God the love of Jesus and what a great God we all serve So I ask that you read the Holy Bible along with my book to affirm that what you read in my book is in agreement with what it says in the Holy Bible It is my hope that as you read Revelation you will see the Lord God and Jesus Christ have revealed all we will ever need to know about the end times It is also my hope that you will get a better understanding of Revelation just as it is written by Saint John the divine the author of this wonderful book of Gods Word God has more in store for all believers than we could ever think of for ourselves and it is all in the book of Revelation to read
