Saints Around the World Meg Hunter-Kilmer, 2021-08-16 The lives of the Saints are one of the most powerful ways God draws people to himself showing us the love and the joy we can find in him But so often these Saints seem distant impossibly holy or dull or unlike us in race and age and state in life In *Saints Around the World* you'll meet over one hundred Saints from more than sixty countries including Saints with different disabilities strengths and struggles The beautiful illustrations and captivating storytelling will introduce you and your children to new heavenly friends while also helping you fall more in love with Jesus Each story in this book is written not only to capture the imagination but also to speak about God's tremendous love and our call to be saints There are stories in *Saints Around the World* for when you feel like life isn't fair when people are being unkind to you when you've made a terrible mistake when you're struggling at school when prayer is hard And there are stories of shouting down Nazis of fleeing a murderous villain of making scientific discoveries of smoking a cigar while enemy soldiers amputate your leg There are scared Saints brilliant Saints weak Saints adventurous Saints abused Saints overjoyed Saints disabled Saints and the point of every one of them is the love of God Whether you're checking the map to find Saints who look like you or perusing the extensive indices to find Saints with your skills or struggles you'll find countless stories in this book that remind you how very possible holiness is **Saints on Earth - Saints in Heaven** F. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place scholarship has overlooked the importance of his spatial transformation of that

language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to re present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John s attempts to relegate his audience s experience of space to his own revelation John s description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb s war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church s experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality
