**Saivism in Philosophical Perspective** Krishna Sivaraman, 2001 Saivism is one of the pervasive expressions of Indian Religious Culture stretching to the dim past of pre history and surviving as a living force in the thought and life of millions of Hindus especially in Southern India and Northern Ceylon The present work is scholarly reconstruction of Saivism in its characteristic and classical form as Saiva Siddhanta focusing mainly on the philosophical doctrine and presenting a conceptual analysis of its formative notions problems and methods Anteceding the rise of the great systems of Vedanta including that of Sankara Saiva Siddhanta in its fully systematised form as Mystical Theology in the thirteenth and fourteenth centuries represents a constructive reaction to the theological ethical and aesthetic aspects of Vedanta as a whole A patient study of this much neglected phase of religious philosophical development of India should prove useful for a more balanced understanding of Indian religiosity providing a corrective to the view entertained not without justification that Indian religious thought does not affirm the values of freedom love and personality This methodical study appended with very exhaustive glossary bibliography and index and two hundred pages of references and foot notes is designed to meet the requirements of serious students of Eastern religious thought

**"Studies In Akkamahadevi's Vacanas"** Dr. Ramappa B. Naik, 2023-02-04 Mahadeviyakka or Akkamahadevi was born at Udutadi a village not far from Shimoga which was then the capital of King Kausika Her parents were named Sumati and Nirmalay Akkamahadevi herself seems to have had her initiation in early childhood and the impress of the seal of Grace must have been strong on her for she was from that moment a dedicated child Beautiful as she was in person traditional biographers in their charming old way describe her as a Rudrakannike She was more beautiful in mind and heart So firm was her conviction of being already wedded to her lord Mallikarjuna that at the age of eighteen in a country at a time noted for early marriages she was still single The turning point in her life came when King Kausika returning from a hunt saw her among the crowd that had been drawn by the din and splendour of the cavalcade and on the instant fell captive to her beauty
