Saladin, Prince of Chivalry ... With ... Plates Charles J. ROSEBAULT,1930      **Saladin, Prince of Chivalry ...**

**Illustrated** Charles J. ROSEBAULT,1930      *The Templars and the Assassins* James Wasserman,2001-04-01 An examination of the interactions of the Christian Knights Templar and their Muslim counterparts the Assassins and of the profound changes in Western society that resulted Restores the reputation of the secret Muslim order of the Assassins disparaged as the world s first terrorist group Dispels many myths about the Knights Templar and provides the most incisive portrait of them to date A thousand years ago Christian battled Muslim for possession of a strip of land upon which both their religions were founded These Crusades changed the course of Western history but less known is the fact that they also were the meeting ground for two legendary secret societies The Knights Templar and their Muslim counterparts the Assassins In The Templars and the Assassins The Militia of Heaven occult scholar and secret society member James Wasserman provides compelling evidence that the interaction of the Knights Templar and the Assassins in the Holy Land transformed the Templars from the Pope s private army into a true occult society from which they would sow the seeds of the Renaissance and the Western Mystery Tradition Both orders were destroyed as heretical some seven hundred years ago but Templar survivors are believed to have carried the secret teachings of the East into an occult underground from which sprang both Rosicrucianism and Masonry Assassin survivors known as Nizari Ismailis flourish to this day under the spiritual leadership of the Aga Khan Wasserman strips the myths from both groups and penetrates to the heart of their enlightened beliefs and rigorous practices delivering the most probing picture yet of these holy warriors      **The Wilson Bulletin** ,1929

**Diagnosing Giants** Philip A. Mackowiak,2013-09-02 Diagnosing Giants provides an overview of the history of medicine through a discussion of the mysterious illnesses of thirteen patients who changed the world The disorders of famous historical figures from King Tut to Eleanor Roosevelt are used as platforms to trace the evolution of medical concepts from the time of the ancient pharaohs to the present      *A Century of State-Making in Iraq* Marianna Charountaki,James R. create a new constitutional settlement for Iraq This book seeks to place these debates in their wider historical and socio political context and demonstrate how contemporary problems are rooted in Iraq s political system state building processes and unique constitutional past The volume examines different aspects of Iraq s struggle to create a coherent state identity through political institutions that can accommodate diversity This is a topical work with extensive primary source based empirical research alongside the conceptual and theoretical insights offered Its different approach will be valuable to a variety of audiences ranging from scholars and students of international politics relations and law diplomatic history and the Middle East to policymakers and indeed beyond to a broader audience of informed non specialist readers **The Dream**

Bulletin Salem Public Library,1926 **Journal of the United States Artillery** ,1930 **Campoamor, Spain, and the World** Ronald Hilton,1940-12-15 Like the fame of Pardo Baz n the reputation of Campoamor has suffered a rapid decline The renown of the poet was flimsier and more ephemeral than that of Spain s most notable woman writer It contained more enthusiasm and less respect Most of his prose works and many of his dramas died young whereas D na Emilia s infinitely more copious production was uniformly living and vigorous The integral value of Pardo Baz n s work is beyond measure greater than that of Campoamor Whereas the novelist deserves a splendid rehabilitation the modicum of praise still accorded to the poet perhaps exceeds his merits Apart from a few flashes of genius to be found in his prose works Campoamor is intelligently ordinary This characteristic incidentally makes him most valuable for this study Campoamor offers a triple advantage as a lens through which to inspect the Spain of his day Although he is now considered as a poet his prose work buried in oblivion this is the first study to give it real attention completes the authors picture of him as a man who

incorporated in an admittedly ephemeral way all the spiritual and intellectual currents of his epoch above all the old religious traditionalism and the conflicting new scientific positivism That Campoamor represented the feelings and the thoughts of the Spain of his time is proved by the enthusiastic applause with which his fellow countrymen greeted his works Finally without being impeccably well informed Campoamor was deeply interested in the history and affairs of the world at large and constantly strove to allot to Spain its correct place in his Weltanschauung     *The Open Shelf* ,1929     **International Encyclopedia of Military History** James C. Bradford,2004-12-01 With its impressive breadth of coverage both geographically and chronologically the International Encyclopedia of Military History is the most up to date and inclusive A Z resource on military history From uniforms and military insignia worn by combatants to the brilliant military leaders and tacticians who commanded them the campaigns and wars to the weapons and equipment used in them this international and multi cultural two volume set is an accessible resource combining the latest scholarship in the field with a world perspective on military history     *Mirror To Damascus* Colin Thubron,2011-06-08 A 50th anniversary edition of Colin Thubron s celebrated first book a portrait of Syria s capital city with a new introduction by the author Described by the author as simply a work of love *Mirror to Damascus* provides a rich and fascinating history of Damascus from the Amorites of the Bible to the revolution of 1966 and is also a charming and witty personal record of an extraordinary city In explaining how modern Damascus is rooted in immemorial layers of culture and tradition Colin Thubron explores the historical artistic social and religious inheritance of its people Along the way he shares unforgettable stories about the enterprising travellers of bygone days *Mirror to Damascus* is a unique portrait of a city now obscured by recent upheavals by one of the most indefatigable and popular of travel writers     *Bulletin of the Library Company of Philadelphia* Library Company of Philadelphia,1918     **Reports of the Library Trustees and the Librarian and a List of Accessions to the Library for the Year Ending ...** Weston Public Library (Mass.),1928     **Good Housekeeping** ,1929
