Henry Evans hoping to keep his own dream alive inherits to his son the dreams of his own future to be lived out in proxy Accepting by obligation the responsibility of securing a proper title to the family farm Henry s last remaining son Roe finds himself living out the shattered dreams of his father Miss Mamie and Charcoal people of another color trying desperately to guide him through the deep shadows of life find a place in the heart of the whole family believing the color of one s face to be only skin deep love and loyalty being the only things in life that really matter Until finally the stars of morning come to sing
