Saltwater Fishing in Southern Africa Hennie Crous,1994 **Saltwater Fishing in South Africa** Hennie Crous,2000

Salt Water Angling in South Africa Romer Robinson,John Shaw Dunn,1923 *African fly-fishing handbook* Bill

Hansford-Steele,2013-03-27 Fly fishing in all its forms is the fastest growing participatory field sport in the world Whether you're hoping to catch trout tigerfish yellowfish or queenfish there is little to match the sheer joy of fishing with a fly rod Whether you're standing waist deep in a raging river estuary fishing the saltwater or wading slowly into the calm waters of an inland lake the thrill of casting a perfect line is unmatched Africa is one of the world's most exciting fly fishing destinations Dedicated fly fishers can be found casting their lines all over the continent in steaming tropical rivers in the vast lakes of the Great Rift Valley in mountain streams on golden beaches and in turbulent estuaries Africa offers everything from well-fished and managed rivers and dams of South Africa and Kenya to relatively unexposed and unknown destinations like the Bale Mountains in Ethiopia and the coastline of Madagascar This completely revised updated and full colour edition of the African Fly Fishing Handbook covers all aspects of fly fishing on the African continent and includes chapters on when and where to fly fish in Africa how to get started and what equipment to buy casting and retrieving techniques tactics and strategies fresh and saltwater fish yellowfish fish food forms and winning fly patterns The most comprehensive book of its kind it will be indispensable to both seasoned fly fishers and those just starting out **Saltwater Fly Fishing** Jack

Samson,1991 This book not only brings us up to date on the latest in rods reels fly lines leaders and flies but also makes simple the formerly complicated world of knots for the saltwater fly rodder In addition author Jack Samson covers the history of saltwater fly fishing from its beginnings in nineteenth century England to the present day But it is the exciting narrative tales of fly fishing from bonefish in the Bahamas and Florida Keys to sailfish and marlin from Venezuela to Australia that set this exceptional book apart from others in the field Samson tells us how it feels to take the world record roosterfish 31 pounds 12 ounces on a fly in Costa Rica or to battle a black marlin on a fly rod in heavy seas off Cape Bowling Green

Australia **Catch It, Cook It in Southern Africa** Hennie Crous,2012-11-27 This book bridges the gap between catching your fish and bringing it to the table It tackles the slippery problem of how to care for your catch from the moment you haul it in how to keep it fresh how to scale clean and cut it up and then how to cook it The 30 plus species are arranged in three rough categories near shore species offshore species and species caught from the shore For each fish there's detailed information on how to handle it with step by step photographs for key species as well as a selection of recipes developed collected tried and tested by the author Anecdotes snapshots and memorabilia add a personal touch to the book Written by seasoned fisherman and well known author Hennie Crous Catch It Cook It in Southern Africa will be snapped up by anyone with an interest in the delectable world of fish and fishing **Salt-water Fish and Fishing in Southern Africa** K.
