comprensión y apreciación de la literatura **Desgracias de la vida humana** Emile Daurand Forgues, 1852 **Cuentos reunidos** Isak Dinesen, 2011-02-23 Por primera vez en un único volumen todos los relatos publicados en vida de la autora de Memorias de África. Me habría quedado más contento si este premio se hubiese otorgado a una magnífica escritora. Isak Dinesen declaró a Ernest Hemingway al recibir el Premio Nobel: Joyas como El mono, El festín de Babette o La historia inmortal reunidas en estas páginas junto a todos los relatos publicados en vida de la autora permiten comprender el alcance de sus palabras. Para ella contar era encantar. Escribió Mario Vargas Llosa: Sus cuentos son siempre engañosos, impregnados de elementos secretos e inaprehensibles. Resacas, La embriaguez y lo despiadado son parte de su arte de cuentista. John Updike: Los cuentos de Dinesen se proyectan como los destellos del faro de una costa extraña e infrecuentemente avistada, una costa a la vez bella y peligrosa, ya que promete ser un reducto mágico pero se asienta sobre las rocas. Eudora Welty **El discurso del turismo** Elena Liverani, 2011 El mundo del turismo aglutina actividades económicas heterogéneas que propician la creación de nuevas figuras profesionales. Es por lo demás un ámbito en el que se impone la necesidad de que colaboren especialistas en muy distintos saberes. La proyectación de un itinerario cultural exige el asesoramiento de expertos que procedan del campo de las humanidades, pero no puede prescindir de la presencia activa de técnicos que puedan llevar a cabo los necesarios estudios de mercado o de aquellos profesionales que sepan dar con las estrategias comunicativas adecuadas para proponerlos a un público objetivo de la manera más eficiente posible. El turismo genera innumerables textos que se encauzan por canales orales y escritos a través de los cuales fluye la información que en una sociedad tan marcadamente tecnológica como la nuestra afronta el reto de amoldarse a nuevos cauces expresivos. Los estudios incluidos en el presente volumen se proponen una aproximación lingüística a géneros textuales representativos de la actividad turística. Se han tenido en cuenta los más consolidados por la tradición editorial, como son guías, reportajes de viajero, catálogos o publicidad generada por toda oferta turística, y asimismo los textos presentes en la red que se configura como un poderoso instrumento comunicativo de nuestra sociedad. _Contracub

ambientada en la España del siglo XIX. A través de sus vividas descripciones y un estilo gil y directo el autor nos transporta al mundo artístico de la época explorando la conexión entre la estética y la moralidad. La obra se centra en la figura de la majestuosa mujer desnuda del célebre pintor Francisco de Goya utilizando su imagen como metáfora de la sensualidad y los conflictos sociales y políticos que marcaron el contexto histórico de España. Blasco Ibáñez es notable por su capacidad de entrelazar lo personal con lo colectivo creando una narrativa rica en simbolismo que invita a la reflexión sobre los valores culturales y estéticos de su tiempo. Vicente Blasco Ibáñez nació en 1867 en Valencia; fue un destacado autor y político español cuya vida estuvo marcada por su pasión por la literatura y su compromiso social. Su experiencia en el periodismo y su interés por los movimientos reformistas en España influyeron en su escritura ofreciendo una perspectiva crítica sobre las injusticias de la sociedad. *La Maja Desnuda* es una manifestación de esta inquietud ya que el autor utiliza su arte para cuestionar construcciones sociales y explorar la relación entre la imagen y la identidad. Recomendando encarecidamente *La Maja Desnuda* a aquellos lectores que deseen profundizar en la intersección entre arte y literatura así como a los interesados en la rica tradición literaria española del siglo XX. Esta obra no solo proporciona entretenimiento sino que también ofrece una profunda introspección en las complejidades de la belleza, el amor y la condición humana consolidando a Blasco Ibáñez como un autor imprescindible en la narrativa hispánica.
