Short Stories by Short People Daniel Fisher, 2001-10-15 This collection of stories by young authors covers a wide range of fiction and nonfiction topics Here is a sampling of works The track looked like a huge water slide built of ancient wooden scaffolding Instead of a plastic trough and running water it was a bed of twisting glistening ice Now I could see that a sixty foot run after making a huge curve merged into a forty foot run Then the run made multiple turns before one final downward plunge For a second it seemed miraculous that the track wasn't littered with broken bodies I climbed the steep stairs to the lowest run and waited I felt nauseous and hoped no one could tell I was a little scared Too soon it was my turn There was no escape I positioned myself on the sled I fought panic while waiting for the operator to give me the go signal Off I went with my heart skipping a few beats The wind whipped against my face from Polar Bear Camping It's 6:50 a.m. I know this time all too well The ritual has begun My mom climbs the steps of the ladder to my top bunk to tickle my feet a tactile alarm clock Oh it's Thursday not just any day of the week It's the day when exhaustion and fatigue will rule me and my only salvation will be a special place on the most comfortable sofa in the family room where the angle of the television screen is just right and the pillows outline the shape of my body I call this place THE SPOT from The Perfect Spot Aaron awoke disoriented and confused Then suddenly he recognized his surroundings and remembered his fall He quickly thanked god that he landed in bushes and was only bruised and scratched He quickly looked down at his watch it was 8:00 in the morning He realized that his friends were gone THEY THOUGHT HE WAS DEAD He knew that to survive he needed his pack He looked up and started to climb without ropes from Lost in the Australian Outback Suddenly the ghost appeared and looked around the room impatiently Where is that girl when I need her The ghost listened carefully and heard a gurgling sound She went through the wall and gently tapped Kary's shoulder Kary turned around and screamed although the foam coating her mouth muffled her scream She slowly picked up her cup and gurgled while staring at the ghost cautiously from One's Pride is One's Courage The Tooth Fairy wasn't pretty at all Her nose was warty and pointy Her hair was gray and greasy Then all of a sudden the Tooth Fairy picked up Cindy's favorite blanket from her grandmother and started to run away The Tooth Fairy dashed to the window and Cindy raced after her She could hear her heart beat so fast She didn't feel shy at that moment at all she just had to catch the Tooth Fairy She just had to get that blanket back from The Tooth Fairy I don't exactly believe in ghosts or monsters but I strongly believe that there are strange creatures out there that no one knows about I've heard their cries many times especially when lying in my bed at night Sometimes thinking about the strange creatures gives me the shivers up my spine There is no use in calling my mother or father when I'm scared because they never believe me of course All they say are things like There are no strange creatures making noises Becca It's just your runaway imagination Or We can have your ears checked next week from The Grand Adventure He galloped down an alley only to be cut off by a large black wall The wall seemed to balk and shift Then he realized it was not totally black but had small planet like dots that co Tall
