## Short Stories Of Frank Harris:

**The Short Stories of Frank Harris** Frank Harris,1975      **FRANK HARRIS - THE SHORT STORIES;"I AM, REALLY, A GREAT WRITER. FRANK HARRIS.,**      *The Short Stories of Frank Harris* Frank Harris,1975 Now largely out of print and inaccessible and overshadowed since his death in 1931 by the Frank Harris legend and by his reputation as the author of the notorious *My Life and Loves* the stories nevertheless bear witness to the combination of diverse qualities that has distinguished Harris's work at its best This extraordinary collection is designed to serve today's readers as an introduction to the work of the controversial gifted and flamboyant writer To the stories themselves Mr Gertz Harris's first biographer and lifelong student of his work has added a Preface and an After word on the writer his life and his influence

*Unpath'd Waters* Frank Harris,2010-06-09 *Unpath'd Waters* by Frank Harris Short Stories The miracle of the stigmata The holy man The King of the Jews The irony of chance An English saint Mr Jacob's philosophy The ring The spider and the fly The magic glasses Reproduction of 1913 Edition      *Montes the Matador* Frank Harris,1910      *The Sheriff and His Partner* Frank Harris,2020-03-16 In *The Sheriff and His Partner* Frank Harris navigates the rugged terrain of the American West illustrating the often tumultuous relationship between law enforcement and the communities they serve Through vivid colloquial dialogue and richly detailed descriptions Harris crafts a narrative that explores themes of justice friendship and the moral ambiguities faced by those who uphold the law Set against the backdrop of a rapidly changing frontier society the book reflects the author's keen observations of human nature and societal dynamics grounding his characters in a palpable reality that resonates with readers Frank Harris a writer and journalist known for his candid and often controversial views channels his experiences traveling across the United States into this compelling narrative Harris's own encounters with the law and his fascination with the complexities of authority undoubtedly influenced his portrayal of the sheriff as both a figure of order and a deeply flawed individual His exploration of moral dilemmas and character development highlights his background in social commentary illustrating his commitment to capturing the essence of the human experience This book is highly recommended for readers interested in a nuanced depiction of Western life and the ethical challenges of law enforcement Harris's engaging storytelling not only entertains but prompts reflection on the implications of justice making it a significant contribution to the literary canon of the American West

**My Life and Loves** Frank Harris,2018-05-24 *My Life and Loves* By Frank Harris If America had not reduced me to penury I should probably not have written this book as boldly as the ideal demanded At the last push of Fate I am much nearer seventy than sixty we are all apt to sacrifice something of Truth for the sake of kindly recognition by our fellows and a peaceful ending Being that wicked animal as the French say who defends himself when he is attacked I turn at length to bay without any malice I hope but also without any fear such as might prompt compromise I have always fought for the Holy Spirit of Truth and have been as Heine said he was a brave soldier in the Liberation War of Humanity now one fight more the best and the last I want to teach youths how to use

their magazine gun of sex so that it may last for years and when they come to the double barrel how to take such care that the good weapon will do them liege service right into their fifties and the single barrel will then give them pleasure up to three score years and ten Moreover not only do I desire in this way to increase the sum of happiness in the world while decreasing the pains and disabilities of men but I wish also to set an example and encourage other writers to continue the work that I am sure is beneficent as well as enjoyable This book is a reprint of the original published in 1922 We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
