know my dear John Milton admitted unless it transpires that my inspiration isn't strong enough to be drawn on steadily Fudge exclaimed Mrs Edwards And then her husband proceeded let us consider another phase of the question The demand may fall off The chances are that it WILL fall off the moment the gods become aware of the fact that I am depending on the demand for our bread and butter Whenever a thing becomes absolutely essential to you Fate immediately obliterates every trail that leads to it and you go wandering desperately back and forth getting more and more discouraged until Until you drop in your tracks broke in Mrs Edwards and give up a quitter Quitter is a mean word There's something about it that jostles you and treads on your toes I don't think I'd prove a quitter said John Milton even if I did get lost in a labyrinth of hard luck It's the idea of losing you along with me that hurts I'll risk that To be continue in this ebook *The Short Story* Valerie Shaw,2014-07-21 Throughout this text Valerie Shaw addresses two key questions What are the special satisfactions afforded by reading short stories and How are these satisfactions derived from each story's literary techniques and narrative strategies She then attempts to answer these questions by drawing on stories from different periods and countries by authors who were also great novelists like Henry James Flaubert Kafka and D H Lawrence by authors who specifically dedicated themselves to the art of the short story like Kipling Chekhov and Katherine Mansfield by contemporary practitioners like Angela Carter and Jorge Luis Borges and by unfairly neglected writers like Sarah Orne Jewett and Joel Chandler Harris
