Jampolsky, MD, 2013-10-09 More than twenty years after the publication of LOVE IS LETTING GO OF FEAR best selling author Gerald Jampolsky brings us the highly anticipated sequel In SHORTCUTS TO GOD Dr Jampolsky sheds light on the human longing to be closer to the mystical parts of our lives and teaches us to abandon our fears and embrace honesty forgiveness and love When asked why the sequel has been so long in coming Dr Jampolsky explained that learning about love can be a lifelong expedition one that has continuous cycles of hardship fulfillment and revelation each of which builds on the past to shape the self Fortunately for the rest of us Dr Jampolsky has emerged from his own spiritual journey much the wiser and ready to share the insights and revelations he s gleaned along the way SHORTCUTS TO GOD will jump start your journey to love and spirituality whether you re just starting down the path or well on your way to enlightenment *Finding Our Way Home* Gerald G. Jampolsky, Gerald Jampolsky and Diane V Cirincione, 2010-06 In a deeply heartfelt way Jerry Jampolsky and Diane Cirincione share stories of their spiritual journey detours they ve taken and people who have impacted them along their life trail Using the Hawaiian tradition of talking story Jerry and Diane demonstrate the daily application of spiritual principles and practical spirituality Individually and together they weave their journey for us as it continues to evolve from the influences around them They inspire us to embrace and share our own stories of peaks and valleys that make up our journeys The authors honest and vulnerable style of communicating continues to reveal their life purposes in the choices they make and the lessons they ve learned Each day still provides challenges and circumstances that call to those parts of us that want to judge others or ourselves they write What is different now is that we more quickly recognize when we re lost and the choice we have to return to the path of unconditional love Once we remember that our purpose is service and helping others as well as letting go of our judgments and grievances by practicing forgiveness the path is easier the direction clearer and the destination of peace achievable The A to Z of New Age Movements Michael York, 2009-06-17 The decline of institutionalized religion in the increasingly secularized West has been offset by the contemporary spiritual development

Self-Help Books Sandra K. Dolby,2010-10-01 Understanding instead of lamenting the popularity of self help books Based on a reading of more than three hundred self help books Sandra K Dolby examines this remarkably popular genre to define self help in a way that s compelling to academics and lay readers alike Self Help Books also offers an interpretation of why these books are so popular arguing that they continue the well established American penchant for self education they articulate problems of daily life and their supposed solutions and that they present their content in a form and style that is accessible rather than arcane Using tools associated with folklore studies Dolby then examines how the genre makes use of stories aphorisms and a worldview that is at once traditional and contemporary The overarching premise of the study is that self help books much like fairy tales take traditional materials especially stories and ideas and recast them into extended essays that people happily read think about try to apply and then set aside when a new embodiment of the genre comes along
