Shortwave Listeners Q And A

Steven Hackbarth

Shortwave Listeners Q And A:

Listening on the Short Waves, 1945 to Today Jerome S. Berg, 2008-10-01 This book presents the histories of the major North American shortwave clubs and reviews the professional and listener generated shortwave literature of the era It also covers the DX programs and other listening fare to which shortwave listeners were most attracted and the QSL cards they sought as confirmation of their reception Provided by publisher *The Complete Shortwave Listener's Handbook* Hank Bennett, Harry L. Helms, 1980

The Alchemy of Illness Kat Duff, 1993 Illness is a universal experience There is no privilege that can make us immune to its touch We are taught to assume health illnesses being just temporary breakdowns in the well oiled machinery of the body But illness has its own geography its own laws and commandments At a time when the attention of the whole nation is focused on health care Kat Duff inquires into the nature and function of illness itself Duff a counselor in private practice in Taos New Mexico wrote this book out of her experience with chronic fatigue syndrome but what she has to say is applicable to every illness and every one of us For those who are sick this book offers solace and recognition For those who care for them either physically or emotionally it offers inspiration and compassion Finally this fresh perspective on healing reveals how every illness is a crucible that tries our mettle tests our limits and provides us with an unparalleled opportunity to integrate its lessons into our lives

THE INDIAN LISTENER All India Radio (AIR), New Delhi , 1947-11-07 The Indian Listener fortnightly programme journal of AIR in English published by The Indian State Broadcasting Service Bombay started on 22 December 1935 and was the successor to the Indian Radio Times in english which was published beginning in July 16 of 1927 From 22 August 1937 onwards it was published by All India Radio New Delhi In 1950 it was turned into a weekly journal Later The Indian listener became Akashvani in January 5 1958 It was made a fortnightly again on July 1 1983 It used to serve the listener as a Bradshaw of broadcasting and give listener the useful information in an interesting manner about programmes who writes them take part in them and produce them along with photographs of performing artists It also contains the information of major changes in the policy and service of the organisation

How to Create Digital Portfolios to Showcase Your Achievements and Interests Anita Louise McCormick, 2017-07-15 In today s world creating a digital portfolio that showcases academic and personal achievements is one of the best ways for students to present their accomplishments to organizations college administrators and potential employers A digital portfolio can creatively demonstrate how a student s interests and academic abilities have developed

over time through the use of various media including photos blogs sound files and videos This title will help readers learn how to select the best digital portfolio for their needs and know what to include so their accomplishments will truly stand out

Electronics Now ,1995 **Shortwave Global Reach** Emily Williams,AI,2025-03-31 Shortwave Global Reach explores the history technology and enduring importance of shortwave radio This medium has connected people across borders for nearly a century The book highlights shortwave s unique ability to transcend geographical limitations and remain crucial for news dissemination especially in areas with limited internet access The book delves into the fundamental scientific principles behind shortwave technology explaining how radio waves propagate through the ionosphere to achieve global reach The book s approach is comprehensive beginning with core technical and historical concepts before dedicating chapters to major themes It examines the use of shortwave for news dissemination by international broadcasters such as the Voice of America and its role in emergency communications during natural disasters It also addresses the controversies surrounding shortwave radio such as its use for propaganda Shortwave Global Reach is a work of technology and history that combines factual accuracy technical explanation and historical context to appeal to technology enthusiasts history buffs and those interested in the power of communication The book progresses through chapters that cover the technology s origins its use during wartime and the Cold War and its current status It emphasizes the resilience of shortwave in situations where internet access is limited or censored The book wraps up with a discussion of the future of shortwave considering challenges and opportunities for innovation *The implications of cuts to the BBC World Service* Great Britain: Parliament: House of Commons: Foreign Affairs Committee,2011-04-13 The Foreign Affairs Committee believes the BBC World Service is of such value to the nation that its income should be ring fenced against spending cuts The Service has suffered a disproportionate reduction in its future Grant in Aid under the spending review settlement by comparison with that of the core FCO allowing for inflation 16% as against 10% across the four years 2010 11 to 2014 15 High level discussions between the Government and the BBC about a transfer of funding responsibility started only nine days before the formal announcement of the change The report says that the decision to reduce World Service spending by 16% during the 2010 spending review period should be reversed and resources made available for it to continue its operations at roughly the 2010 11 level of staffing and output If the Service s funding is reduced in spite of this recommendation the committee urges for damage limitation with an unreduced BBC Hindi and BBC China Mandarin shortwave service and enhanced resources to BBC Arabic as required by the recent and continuing political developments in the region Some of the activity of the World Service contributes to the wider aims of the Department for International Development and a transfer of just 0 35% of DFID s resource budget over the next three years would compensate for the proposed 16% reduction in World Service funding There is no reason why such a transfer should not be made if the political will to carry it out is present **Voice of America** United States. Department of State,1950 *The Competitive Frequency* Barrett Williams,ChatGPT,2025-07-18 Discover the electrifying world of radio
