"Who Set You Flowin'?" Farah Jasmine Griffin,1996-09-26 Twentieth century America has witnessed the most widespread and sustained movement of African Americans from the South to urban centers in the North Who Set You Flowin examines the impact of this dislocation and urbanization identifying the resulting Migration Narratives as a major genre in African American cultural

production Griffin takes an interdisciplinary approach with readings of several literary texts migrant correspondence painting photography rap music blues and rhythm and blues From these various sources Griffin isolates the tropes of Ancestor Stranger and Safe Space which though common to all Migration Narratives vary in their portrayal She argues that the emergence of a dominant portrayal of these tropes is the product of the historical and political moment often challenged by alternative portrayals in other texts or artistic forms as well as intra textually Richard Wright's bleak yet cosmopolitan portraits were countered by Dorothy West's longing for Black Southern communities Ralph Ellison while continuing Wright's vision reexamined the significance of Black Southern culture Griffin concludes with Toni Morrison embracing the South as a site of African American history and culture a place to be redeemed *Voices from a Southern Prison* Lloyd C.

Anderson, 2011-08-15 Rats tainted food leaky sewage pipes they only began to hint at the anarchy inside the Kentucky State Reformatory in La Grange A barracks style warehouse prison straight out of an old mobster film KSR was three quarters over its intended capacity by 1978 It had become a sickening dangerous place where an inmate could get his hands on a sawed off shotgun more easily than a clean towel That year a handful of KSR prisoners managed to send a plea for help to the federal court in Louisville The petitioners expected reprisals or maybe worse silence But the letter reached a caring judge and the prisoners had spoken up at a crucial moment in Kentucky reform politics The signs seemed right to take on the old boy network whose byword on prison conditions was ain't no riots ain't no problems The suit was settled in the KSR prisoners favor in 1981 paving the way for controversial protracted and expensive reforms Written by Lloyd C Anderson the head of the KSR prisoners legal team *Voices from a Southern Prison* quotes extensively from recollections of many players in the case from the judge who presided over it to the journalist who put it in the headlines Most important we hear from three inmates who emerged as leaders among their fellow plaintiffs James Shorty Thompson Wilgus Haddix and Walter Harris As our nation's penal system expands on an unprecedented scale the KSR scandal offers timely lessons about entrenched attitudes toward prisons Thus far says Anderson they seem lost on the strategists of our War on Crime **Publication**, 1994 **Cumulative**
