**Shotgun Marshal** Wade Everett, 2008 The new mayor of Bonanza has to stop a ruthless gang of toughs from taking over the mining town before he ends up like his predecessor dead *Shotgun Marshal* Wade Everett, 1973-04-01 [Shotgun Marshal \[LARGE PRINT BOOK\]](#) Will Cook, 1993 [Shotgun Marshal](#) Will Cook, 1970 *Pastor Mike's Accidental Outreach Into Time And Space* Brad M. Caskey, 2020-02-27 In a future where humans have extended their reach across the Milky Way Pastor Mike and a group of ministers are sent on an epic quest Across time and space they must warn every person in the galaxy that no one will escape Christ's Second Coming Will he and his crew reach them all before it's too late Certainly not in their own strength but with a bit of supernatural help anything is possible Even so Pastor Mike and his team are challenged beyond their wildest imagination as they are pursued through time and space by satanic forces and hideous monsters bent on stopping them at all costs Thankfully Mike and his companions have angels of light and the power of prayer on their side What unfolds is a powerful faith based story involving everything from car crashes to epic space battles that is sure to stir the imagination and challenge the faith of young readers [The Making of a Man](#) Terence Newnes, 2024-10-07 After his brothers set out searching for gold Luke Bailey is left at home eager for his own adventure Scouting land for a new ranch Luke's journey takes him to Shackelford where his quiet strength and sense of justice quickly get him in trouble Pinning on a deputy's star he finds himself facing challenges far beyond what he imagined After discovering the body of a murdered rancher Luke falls in love with the rancher's daughter Gina but a ruthless carpetbagger is looking to seize their land Armed with the skills he honed in the Cedar Creek war Luke is ready for battle And this time he's fighting for love land and honor A western set on the gritty American frontier THE MAKING OF A MAN is the third book in the Bailey Clan Westerns by Terence Newnes **The Marshal's Lady** Connie Carson, 2011-11-15 Amber had grown up as the oldest of seven children in a very poor family in St Louis Missouri So when a wealthy Texas rancher had asked her to marry him she had jumped at the chance for a better life She did not know until they arrived at the ranch just how isolated the ranch was or the true personality of her husband Jace Prescott's father was a sheep rancher and his mother was an Apache Indian Jace grew up under the cruel hand of his father and the hatred of the people of Wolf Creek Texas because he was a half breed Apache When his mother died his father deserted him leaving him with nothing but the small ranch With the help of an uncle and a lone white man he managed to grow to manhood and eventually became a marshal in El Paso county Amber and Seth did not meet under the best of circumstances but soon found they had a strong attraction for each other that eventually turned to love Together they face the adversities in the still untamed American west Preview When he took off his hat to her she found herself looking up and into the eyes of the best looking man she had ever seen She thought he looked like he might be part Indian since his hair was as black as a raven's wing and his brown eyes were so dark she could hardly see the pupils He was well over six feet tall with broad shoulders that tapered to a narrow waist where two large handguns rode on his hips

Looking at her closely he noticed her waist was so small he felt he could put his hands around it and his fingers would touch Her eyes were a clear dark blue and her nose was small and turned up slightly at the end He couldn't decide what color her hair was It wasn't blond it wasn't red It reminded him of the color of honey      Texas Gundown William W. Johnstone, J.A. Johnstone, 2018-05-29 Johnstone Country Frontier spirit lives here Young Matt Bodine and Sam Two Wolves became blood brothers on the day the rancher's son saved the halfbreed's life forging a bond no one could ever break As years passed a legend grew of the breed and the white man who rode together and pulled iron faster than anyone in the West Sweet Apple Texas is the deadliest town west of the Mississippi where getting killed is as easy as ordering a beer Which is why East Coast big shot Cornelius Standish sends his lily livered nephew Seymour to Sweet Apple With Seymour out of the way Cornelius will own the company that rightfully belongs to his nephew His plan backfires though when Seymour is dubbed The Most Cowardly Man in the West by a newspaper and the hardcases of Sweet Apple are too proud to kill him Soon Seymour thinks he's bulletproof until an outlaw gang some Mexican revolutionaries a train full of army rifles and a team of hired gunfighters all head to Sweet Apple at the same time Now Seymour and his border town are sure to get blown off the map But blood brothers Matt Bodine and Sam Two Wolves are about to get there first and they're setting off some fireworks of their own Live Free Read Hard      *Western Ghost Stories* Thirteen Press, 2014-02-17 Cowboys Wild West frontiers gunfights ghosts and hauntings of deserted and sometimes not so deserted places once again our talented bunch of writers have come up with an intriguing set of stories set in everyone's favourite genre      *Bailey Clan Westerns - Books 1-3* Terence Newnes, 2024-12-23 The first three books in the Bailey Clan Westerns series by Terence Newnes now available in one volume The Legend of Jack Donovan Raised by a wagon train scout after his parents are killed Jack Donovan grows up tough and resourceful His legend begins at the Double M ranch in Cedar Creek where he takes on rustlers and a gunslinger After fighting in the Civil War Jack returns to find a carpetbagger threatening the ranch backed by some of the West's deadliest guns What they don't know is that Jack is the fastest gun of them all The Bailey Brothers Brian and Mark Bailey set on a daring quest to build their own ranch braving the wilds of New Mexico Arizona and the rugged Animas River Valley Gunfights in Red Butte and a brutal mining conflict test their courage and loyalty as they face many dangers in their pursuit of a better life The Making of a Man While his brothers head off in search of gold Luke Bailey sets out on his own His journey leads to Shackelford where his sense of justice earns him a deputy's star After uncovering the murder of a rancher Luke falls for the rancher's daughter Gina but must face a ruthless carpetbagger hell bent on taking their land      **The Crimson Trail** Ernest Salotti, 2021-03-15 Zak had been travelling around Arizona and Southern California undirected until he entered the town of Parker California His life changed that day when unexpectedly he protected a man and his wife from a bunch of marauding killers From then on Zak found direction      **The Marshal's Mission** Anna Zogg, 2017-05-01 Lawman with a Secret Hiding his true identity is the only way for US Marshal Jesse Cole to bring bank robbers to justice But the lovely

widow whose Wyoming ranch he stumbles onto reminds him of everything he's sacrificed for the law. When his job is done, he's resolved to leave Lenora Pritchard behind until she and her son are threatened. Now the only way to protect them is to make her his wife. To conceal her late husband's guilt, Lenora hid his stolen haul. And with a ruthless gang leader determined to retrieve it, she needs Cole's protection for herself and her son. It's a marriage in name only, founded on dangerous secrets, but could it possibly lead to a true and loving family?

**Appaloosa Run** Will Welton, 2010-06-03 Don Ulma had heard of the Bell ranch but who hadn't in this part of the country? By a fluke in being in the wrong place at the wrong time, Don had the chance of working on the ranch. Then Don and Cup Madden, along with Noaks Oaks, made a trip to Montana to purchase Appaloosa horses for the ranch. On the way back, the horse herd was stolen, and Cup died while Don was saved from being killed because he carried books to read. In recovering the horse herd, Don rescued two women who were being evicted from their property by gun men shooting at the house. Not long after that, Don married one of the women and bought the herd of the Flying U from a dying rancher. Don moved the cattle back to his land holdings in No Man's Land, or some folks called it the Cimarron Strip, which was a haven for outlaws and rustlers. What it took to hold the Flying U was guns and guts, along with savvy on how to make things work for the ranch.

**The Stockton Saga 5** Steven Douglas Glover, 2019-10-11 The Stockton Saga continues. It is 1879, and lands west of the Mississippi are still the Wild West and rife with lawlessness. Colorado, within the infancy of statehood, is alive with gold discoveries, open range for cattle, and new settlers. Wealthy powerful men are looking to take over and control the state their own way. Gangs of outlaws harass settlers, stagecoaches are being robbed, and range disputes need settling. Standing against these unsavory factions are a federal judge and his small hand-picked group of U.S. Marshals bent on delivering swift and decisive justice to the spoilers. Early on a cold January morning, Federal Judge Joshua B. Wilkerson is charged with conspiracy and arrested in his home by Special Agents from Washington, D.C. He is paraded in handcuffs to his own Denver Jail. In desperation, the judge's wife Marie turns to the one person she knows can help her husband, U.S. Marshal Cole Stockton. In mid-spring, Clay Stockton, U.S. Marshal for the Dakota Territory in Bismarck, is ambushed at night from a dark alley. Although severely wounded, he kills the two men who laid in wait for him. Clay's deputy, Sandy Merrick, sends for Cole Stockton. Cole enlists the assistance of their mother, Johanna Stockton, and his lady friend, Laura Sumner. The trio travel to Bismarck post-haste. Cole unravels the whys and wherefores of the vicious attack on his brother. The perpetrators are about to experience Cole Stockton's brand of law and justice. A novel of the Old West packed with the drama and suspense of interpersonal relationships, outlaws handled with determination, and six-gun justice, as well as personal hardship, humor, and adventure.

Still, this U.S. Marshal has no problem taking Joelle Tate into protective custody on her wedding day. To save his family from unjust charges, he'd take on a lot worse than an ex-flame; he couldn't

trust But Dallas doesn't know Joelle has put her freedom on the line to protect him Now with only two days to investigate a long buried crime no one wants solved they must confront their past mistakes and the shattering secret that drove them apart Giving in to the simmering desire may lead to an impossible second chance or help set a trap one calculating killer can't wait to spring
