Bad News Anya Schiffrin, 2010-12-07 Leading scholars and journalists assess the media's failure to see the financial crisis coming A sort of All the President's Men for our time Kirkus Reviews Where was the business press in the weeks and months leading up to the deepest financial crisis since the Great Depression As our economy unraveled journalists struggled to keep up with the story of the century grappling with an alphabet soup of derivatives backroom deals and toxic financial instruments But many fault the media itself for having helped to create the bubble in the first place Did the press fail its

mandate as an engine of truth by buying into the hubris and exuberance of the preceding decades *Bad News* is a foundational text for navigating a controversy that will be studied for years to come With contributions from leading journalists and academics including Nobel Laureate Joseph Stiglitz International Consortium of Investigative Journalists senior editor Dean Starkman and the New York Times European economics correspondent Peter S Goodman this collection presents a complex debate in a highly accessible format for anyone from curious readers and scholars to journalists themselves And ultimately the questions it raises illuminate the heated debate about the media's role as guardians of our democracy There are three 24 hour financial networks All their slogans are like We know what's going on on Wall Street But then you turn it on during the crisis and they're like We don't know what's going on It'd be like turning on the Weather Channel in a hurricane and they're just doing this shuddering Why am I wet What's happening to me And it's so windy Jon Stewart Thorough hard hitting and admirably balanced James Ledbetter editor in charge Reuters *Business Journalism* Ibrahim Seaga Shaw, 2015-07-16 *Business Journalism A Critical Political Economy Approach* critically explores the failures of business journalists in striking the balance between the bottom line business model and their role in defending the public interest Drawing on historical and political economic perspectives and analysing these in relation to critical political economic theory the book explores failures of business journalism through the dwindling of social responsibility in the business journalist's role in holding political and corporate power to account Ibrahim Seaga Shaw draws on a diverse range of case studies including investigative journalism in The Standard Oil and Enron Scandals corporate propaganda in relation to business reporting financial Journalism and the global financial crises of the late 90s and 2008 public business journalism and subprime mortgage loans horsemeat and bent iPhone 6 scandals ethical challenges of business and journalism from developed to emerging BRICS economies business or financial journalism Modernity vs postmodernity macroeconomics vs microeconomics challenges of business journalism in the digital age *Business Journalism A Critical Political Economy Approach* is essential reading for students and scholars interested in understanding the historical failings and potential futures for business journalism and those wishing to develop specialist financial economic and business reporting in today's globalised media landscape *Mediating Business* Peter Kjær, Tore Slaatta, 2007 *Mediating Business* is a study of the expansion of business journalism Building on evidence from Denmark Finland Norway and Sweden *Mediating Business* is a comparative and multidisciplinary study of one of the major transformations of the mass media and the realm of business nationally and globally The book explores the history of key innovations and innovators in the business press It also analyzes changes in the discourse of business journalism associated with the growth in business news and the development of new ways of framing business issues and events Finally the book examines the organizational implications of the increased media visibility of business and in particular the development of corporate governance and media relations **Professional Writing** Sky Marsen, 2019-11-06 Now in its fourth edition this is a comprehensive yet concise introduction to professional

writing for different media which synthesises methods and ideas developed in journalism public relations management and marketing Based on research in the field it equips students with the ability to convey their ideas in a wealth of print and digital formats in a variety of professional contexts internationally It begins by examining the different aspects of the writing process before showing students how to adjust their style tone and approach for different documents including short memos feature articles press releases and reports This new edition will continue to be an essential companion for undergraduates on professional writing and business communication modules It will also be a valuable source of guidance for new professionals and entrepreneurs needing to get to grips with writing formal written documents New to this Edition Fully revised throughout with coverage of a wider variety of journalistic writing New content on mission and vision statements annual reports and newsletters alongside an overview of how organisations use social media and respond to crises Includes more analysed examples of business documents

Sylvia Porter Tracy Lucht, 2013-10-30 In 1942 the directors of the New York Stock Exchange met to discuss a problem The exchange its air charged with testosterone its floor scuffed by the frantic paces of men racing one another for shares of the American dream was off limits to women This it was agreed was how it should be However it had recently become public knowledge that one of New York's most prolific and respected financial writers S F Porter was a woman If Porter trained her eye on the all male stock exchange the NYSE might find itself the subject of some unwanted controversy during the electrified Rosie the Riveter days of World War II But should women really be allowed into the stock exchange The board finally saw its way around the dilemma and voted on a resolution Sylvia is one of the boys We hereby award her honorary pants Sylvia Porter 1913 1991 was the nation's first personal finance columnist and one of the most admired women of the twentieth century In Sylvia Porter America's Original Personal Finance Columnist Lucht traces Porter's professional trajectory identifying her career strategies and exploring the role of gender in her creation of a once unique now ubiquitous form of journalism A pioneer for both male and female journalists Porter established a genre of newspaper writing that would last into the twenty first century while carving a space for women in what had been an almost exclusively male field She began as an oddity a woman writing about finance during the Great Depression and rose to become a nationally recognized expert revered by middle class readers and consulted by presidents As the first biography of Sylvia Porter this book makes an important contribution to the history of women and the media
