Charles Stephenson

Showa An Inside History Of Hirohito's Japan:

Showa Tessa Morris-Suzuki, 2013-12-17 Showa Japanese for radiant peace was the name given to Emperor Hirohito's reign at his accession in 1926. This was the beginning of a significant period of growth of militarism, the Pacific War and the phenomenal post-war economic expansion of Japan. The first book to present modern Japanese history through the eyes of individuals, Showa presents the experiences of three individuals born at the beginning of this age, giving a unique inside view of Japan's recent history. Their experiences include training as a suicide pilot, being a draft evader during the Pacific War, a leader in the Communist Party, and a colonist in Korea, turned overnight in August 1945 from a member of the ruling elite into a refugee. First published in 1984, this title is part of the Bloomsbury Academic Collections series. Historical Dictionary of Postwar Japan William D. Hoover, 2018-12-15 Japan is a mix of the old and the new, traditional and modern, and old-fashioned and innovative. It has traveled the road to a modern destination without totally losing sight of its traditions and values. Although some in Japan lament the passing of old ways, Japan has held on to a reasonable amount of its traditions and values. This is easier to find in its arts and crafts and its literature and films as well as in its social habits. This book will introduce the broad sweep of people, events, and trends, including the successes and failures of postwar Japan. This second edition of Historical Dictionary of Postwar Japan contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Japan. **Japanese History & Culture from Ancient to Modern Times** John W. Dower, 1986 **Showa** Carol Gluck, 1992 The death of Emperor Hirohito marked the end of Japan's Showa era. This collection of original essays on Japan's history and culture in the 20th century provides a mix of American and Japanese perspectives on Showa. It explores the strengths of the Japanese economy, the issue of democracy, and Japan's political culture, Japan's achievements in technology and the arts, and its relationship with other nations and the United States. **Japanese Studies from Pre-History to 1990** Richard Perren, 1992 **Turning Points in Japanese History** Bert Edstrom, 2013-12-16 So-called turning points or defining moments are both the oxygen and grid lines that historians and researchers seek in plotting the path of social and political development of any country. In the case of Japan, the ninth Conference of the European Association of Japanese Studies provided a unique opportunity for leading scholars of Japanese history, politics, and international relations to offer an outstanding menu of turning points, many addressed for the first time, over 20 of which are included here. Thematically, the book is divided into sections including Medieval and Early Modern Japan, Japan and the West, Contested Constructs in the Study of Tokugawa and Meiji Japan, Aspects of Modern Japanese Foreign Policy, and Democracy and Monarchy in Post War Japan. Iris Chang, 2012-01 Relates an account of the 1937 massacre of 250,000 Chinese civilians in Nanking by the invading Japanese military, a carnage for which the Japanese government has never admitted responsibility. World War II

in the Pacific William A. Renzi, Mark D. Roehrs, 2015-06-01 World War II laid the groundwork for much of the international system that exists today especially in the Pacific Rim This brief but comprehensive survey of the War in the Pacific incorporates both United States and Japanese perspectives providing a global approach to the Asian theater of the conflict Drawing on decades of new scholarship and written in an engaging narrative style this book traces United States Japanese relations from the late nineteenth century to the war's end in 1945 It covers every aspect of the war and gives special attention to ongoing historical debates over key issues The book also provides new details of many facets of the conflict including expansionism during the 1930s events and policies leading up to the war the importance of air power and ground warfare military planning and strategic goals the internment of Japanese Americans in the U S Allied plans and disputes over Russian participation the decision to drop the atomic bomb and conditions for surrender

Ideology and Practice in Modern Japan Roger Goodman, Kirsten Refsing, 2002-09-11 The issue of how Japanese society operates and in particular why it has succeeded has generated a wide variety of explanatory models including the Confucian ethic classlessness group consciousness and uniqueness in areas as diverse as body images and language patterns In *Ideology and Practice in Modern Japan* the contributors examine these models and the ways in which they have sometimes been used to create a sense of Japaneseness that obscures the fact that Japan is actually an extremely complex and heterogeneous society In particular practice at the micro level of society is explored to illuminate or express a broader ideology The contributors investigate a wide variety of subjects from attitudes to death to the role of education from film making to gender segregation to see what can be said about the phenomenon in particular what it tells us about Japan in general and what conclusions can be drawn for our understanding of society in the broadest sense

The Past Within Us Tessa Morris-Suzuki, 2005-10-17 What happens when history is interpreted and disseminated by movies TV comic books and other popular media An impassioned and original analysis of rival transmissions of the past

Taste of War Lizzie Collingham, 2012-03-29 A New York Times Notable Book of 2012 Food and in particular the lack of it was central to the experience of World War II In this richly detailed and engaging history Lizzie Collingham establishes how control of food and its production is crucial to total war How were the imperial ambitions of Germany and Japan ambitions which sowed the seeds of war informed by a desire for self sufficiency in food production How was the outcome of the war affected by the decisions that the Allies and the Axis took over how to feed their troops And how did the distinctive ideologies of the different combatant countries determine their attitudes towards those they had to feed Tracing the interaction between food and strategy on both the military and home fronts this gripping original account demonstrates how the issue of access to food was a driving force within Nazi policy and contributed to the decision to murder hundreds of thousands of useless eaters in Europe Focusing on both the winners and losers in the battle for food *The Taste of War* brings to light the striking fact that war related hunger and famine was not only caused by Nazi Germany and Imperial Japan but was also the result of Allied mismanagement and neglect particularly in

India Africa and China American dominance both during and after the war was not only a result of the United States immense industrial production but also of its abundance of food This book traces the establishment of a global pattern of food production and distribution and shows how the war subsequently promoted the pervasive influence of American food habits and tastes in the post war world A work of great scope *The Taste of War* connects the broad sweep of history to its intimate impact upon the lives of individuals *David Peace* Katy Shaw,2018-03-28 David Peace is an emerging author who is widely read and taught and whose novels are increasingly translated into commercial film *The Damned United* March 2009 and television Channel 4 adaptation of the *Red Riding Quartet* March 2009 Dr Katy Shaw s book provides a challenging but accessible critical introduction to his work through a detailed analysis of his writing as well as the socio cultural contexts of its production and dissemination The author explores Peace s attempts to capture the sensibilities of late twentieth century society and contributes to an ongoing debate in the media about Peace s representations Influenced by critical theory the text will be the first secondary resource concerning this rising star of contemporary British literature While UK readers will seek insight into the socio cultural contexts of England s regions and in particular his writing on the Yorkshire Ripper and the 1985 5 miners strike Peace also has a following in the US where both *The Damned United* and *Red Riding* are set to receive a national cinema release in 2009 10 This broad international appeal and readership will be explored and discussed especially in the context of crime fiction and social engagement This text is the first critical resource concerning this author and will cover the full body of Peace s writings to date the debates this work has generated and the often contentious representations offered by his novels **Friends and Teachers** James Hayes,1996-08-01 Prompted by the Chinese saying When I walk along with two others I am bound to be able to learn from them the title of this memoir reflects the author s close association with the local people through his work and leisure interests and his consuming desire to learn as much as he could about their history and culture The book covers several decades of Hong Kong s recent past from the time James Hayes joined the Administrative Grade of the Hong Kong Civil Service in the 1950s to his retirement in the 1980s thirty two years later Spending practically his whole career in departments rather than in the central Secretariat serving in posts that brought him into direct contact with the public we follow him as a young cadet fresh from language school to his first posting in the District Administration New Territories through all of his varied assignments to his final post between 1985 87 when he again served in a very changed New Territories in charge of an equally altered District Administration James Hayes is also a scholar known for his books on the Hong Kong region and its people with a Ph D from London University and an Honorary Doctorate of Letters bestowed by the University of Hong Kong in 1992 In this his latest work he gives an engaging first hand account of what it was like to be an expatriate government officer in an ever changing Hong Kong paying particular attention to the government and people relationship over that time and its transformation over the years *The Economic and Business History of Occupied Japan* Thomas French,2017-08-07 The Occupation era 1945 1952 witnessed major change in

Japan and the beginnings of its growth from the ashes of defeat towards its status as a developmental model for much of the world. The period arguably saw the sowing of the seeds of the postwar flowering of what some term the postwar Japanese economic miracle. However, some scholars dispute this position and argue that the Occupation's policies and impacts actually hindered Japan's recovery. This volume addresses this question and others surrounding the business and economic history of this crucial period. The chapters presented in *The Economic and Business History of Occupied Japan* are authored by major scholars of the Occupation from the U.S., Japan, and Europe. The chapters are divided into three sections: Planning, reform, and recovery; Industries under the Occupation; and Legacies of the Occupation era. Following an introduction focusing on the historiographical background, the first section examines zaibatsu dissolution and its significance, the role of Japanese businessmen within the Occupation's reforms, the crucial impact of Japan's postwar Materials Crisis, and the impact of reform at the local level in Hokkaido. Part two looks at a number of individual industries and their development during the era, including the fishing, automotive, and cotton spinning industries. The final section looks at the human impact of the changes of the initial postwar years, including the reintegration of repatriates into the Japanese labour force and the impact of changing working patterns on society and family life. This book covers a key period of the economic and business history of Japan and presents numerous new approaches and original contributions to the scholarship of the Occupation era. It will be of interest to scholars of modern Japan, economic history, business history, development studies, and postwar U.S.-Japan relations.

Hirohito Edwin P. Hoyt, 1992-03-23 *Biography of Emperor Hirohito: challenging portrayals of him as an unworldly scientist or military might but a peaceful man caught up in a turbulent time* [The Technological Transformation of Japan](#)
Tessa Morris-Suzuki, 1994-11-25 This landmark book is the first general English language history of technology in modern Japan. *Stalin's War on Japan* Charles Stephenson, 2021-06-09 This WWII military study examines the critical yet overlooked Soviet offensive on Japan's puppet state and its influence on winning the Pacific War. Did Japan surrender in 1945 because the Americans dropped atomic bombs on Hiroshima and Nagasaki? Or because of the crushing defeat inflicted by the Soviet Union in Manchukuo, the Japanese puppet state in north-east China? In *Stalin's War on Japan*, Charles Stephenson describes the Soviet offensive from the top-level decision making and early planning stages to its decisive outcome on the ground. He also considers to what extent Japan's capitulation is attributable to the atomic bomb or the stunningly successful entry of the Soviet Union into the conflict. Stephenson combines a vividly detailed narrative of the invasion itself with an absorbing account of the political and diplomatic process that gave rise to the offensive, with particular focus on the Yalta conference. There, Stalin allowed the Americans to persuade him to join the war in the east, a conflict he was determined on entering anyway. *Stalin's War on Japan* sheds new light on the last act of the Second World War. **Japanese Cinema Goes Global** Yoshiharu Tezuka, 2011-11-01 Japan's film industry has gone through dramatic changes in recent decades as international consumer forces and transnational talent have brought unprecedented engagement with global trends. With

careful research and also unique first person observations drawn from years of working within the international industry of Japanese film the author aims to examine how different generations of Japanese filmmakers engaged and interacted with the structural opportunities and limitations posed by external forces and how their subjectivity has been shaped by their transnational experiences and has changed as a result Having been through the globalization of the last part of the twentieth century are Japanese themselves and overseas consumers of Japanese culture really becoming more cosmopolitan If so what does it mean for Japan s national culture and the traditional sense of national belonging among Japanese people Japanese Moral Education Past and Present Yoshimitsu Khan,1997 This book investigates the history and development of Japanese moral education and analyzes and compares current moral education with the concepts of the Imperial Rescript on Education 1890 and the shushin moral education of prewar Japan The Rescript contains Confucian and Shinto precepts and was to become the codification of the moral standards of the Japanese way of life in pre surrender Japan Despite the attempts of the Japanese education system to embrace democratic principles postwar dotoku moral education has been essentially the same as that of the prewar system The author concludes that Confucian ethics is still the engine of Japanese social cohesion and dynamics and predicts that it will continue to be so for generations to come Japan needs to find a way to converge the long held Confucian ideology with more democratic ideals and fairness to all people through moral education **Re-inventing Japan** Tessa Morris-Suzuki,2015-03-04 This text rethinks the contours of Japanese history culture and nationality Challenging the mythology of a historically unitary even monolithic Japan it offers a different perspective on culture and identity in modern Japan

Showa An Inside History Of Hiohitos Japan Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Showa An Inside History Of Hiohitos Japan free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Showa An Inside History Of Hiohitos Japan free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and

genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Showa An Inside History Of Hiohitos Japan free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Showa An Inside History Of Hiohitos Japan. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Showa An Inside History Of Hiohitos Japan any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Showa An Inside History Of Hiohitos Japan Books

1. Where can I buy Showa An Inside History Of Hiohitos Japan books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
