Porter* L.G. Walker, Jr., M.D., 2010-07-27 Custer came to me and said Porter there is a large camp of Indians ahead and we are going to have a great killing The words of army contract surgeon Henry R Porter are chilling today in their matter of fact reference to the battle to come a battle of which Porter would be one of the few white survivors Drawing on his writings this biography tells the story of Porter's transformation from young easterner to ambitious frontier settler and medical practitioner in mid 19th century America In its details of frontier life of the infamous Battle of Little Bighorn and of Porter's later travels around the world which ended with his death in Agra India the reader finds richness that brings history vividly to life Appendices contain a list of items from the North Dakota Historical Society's Henry R Porter collection and a detailed Porter lineage
