**Shrek the Halls** Marcie Aboff, 2005-10-01 Everyone's favorite ogre is back! It's Shrek Classic, a new line of books featuring the big green guy and all his friends. Join Shrek, Fiona, Donkey, Puss in Boots, and all the other Shrek characters as they get ready for the holidays. What do you buy an ogre for Christmas? What does Donkey want more than anything else? And how does Puss in Boots decorate the tree? The answers are all in here. Packed with pages to color, puzzles, and activities, this is the perfect book for the holidays.

***The Age of Promiscuity*** Doru Pop, 2018-11-15 This book presents an original and engaging look at contemporary popular culture, opening with the provocative idea that this is a day and age of complete exhaustion of ideas, images, stories, and myths. Questioning the effects of content recycling in cinema and other media, the author further elaborates on the repurposing of cultural junk, the reassembling of narratives and myths. The thought-provoking hypothesis proposed in this research is that we have entered an age of cultural promiscuity. By analyzing the mutations of myth-making practices and connecting them with larger cultural manifestations, the author explains these transformations as integral to the development of a myth-illogical imagination. Cinematic and mythological representations in mainstream Hollywood films have reached a point of amalgamation with no return, which marks the beginning of a fourth age of representations where signs and meanings are manifested in illogical permutations. This is more explicit in films that commingle aliens, cowboys, undead American presidents, and zombie Nazis joining together in the same narrative; ghosts, werewolves, and vampires aggregating disjointed storylines and historical fake facts all coalesced in an orgy of empty burlesque and infantile masquerades. This interdisciplinary research combines cultural studies, film criticism, art, and myth interpretations, bringing into the debate multiple concepts from related fields such as critical theory and media criticism. The book also opens up to innovative approaches from a wide array of academic disciplines, offering researchers, students, and those fascinated by the transformations happening in contemporary cinema an interpretative tool based on a revised dialectic approach. The conclusion is that we are now victims of a zombie semiotics. Meaning-making in contemporary culture, politics, and aesthetics is dominated by a process of incessant desecration of significations specific to the total mishmash of representations analyzed here.

**Pop Goes the Decade** Richard A. Hall, 2021-04-07 *Pop Goes the Decade: The 2000s* comprehensively examines popular culture in the 2000s, placing the culture of the decade in historical context and showing how it not only reflected but also influenced its times. This resource starts with a timeline of major historical pop culture events of the 2000s, followed by an introduction describing what the U.S. was like at the beginning of the new millennium and how it would change throughout the decade. Next come chapters broken down by medium: television, sports, music, movies, literature, technology, media, and fashion, and art. A chapter on controversies in popular culture is followed by a chapter on game changers featuring 20 individuals who made a major impact on the U.S. in the 2000s. Finally, a conclusion shows the impact that pop culture in the 2000s has had on the U.S. in the years since. This volume serves as a comprehensive resource.

for high school and college students studying popular culture in the 2000s It provides a summary of total impact plus specific insights into each individual topic It also includes a wide swath of the scholarship produced on the subject to date Happy Holidays--Animated!
