Applied Ballardianism Simon Sellars, 2019-01-15 An existential odyssey weaving together lived experience and theoretical insight this startling autobiographical hyperfiction surveys and dissects a world where everything connects and global technological delirium is the norm The mediascapes of late capitalism reconfigure erotic responses and trigger primal aggression under constant surveillance we occupy simulations of ourselves private estates on a hyperconnected globe fictions reprogram reality memories are rewritten by the future Fleeing the excesses of 1990s cyberculture a young researcher sets out to systematically analyse the obsessively reiterated themes of a writer who prophesied the disorienting future we now inhabit The story of his failure is as disturbingly psychotropic as those of his magus J G Ballard prophet of the post postmodern voluptuary of the car crash surgeon of the pathological virtualities pulsing beneath the surface of reality Plagued by obsessive fears defeated by the tedium of academia yet still certain that everything connects to Ballard his academic thesis collapses into a series of delirious travelogues deranged speculations and tormented meditations on time memory and loss Abandoning literary interpretation and renouncing all scholarly distance he finally accepts the deep assignment that has run throughout his entire life and embarks on a rogue fieldwork project *Applied Ballardianism* a new discipline and a new ideal for living Only the darkest impulses the most morbid obsessions and the most apocalyptic paranoia can uncover the technological mutations of inner space An existential odyssey inextricably weaving together lived experience and theoretical insight this startling autobiographical hyperfiction surveys and dissects a world where everything connects and global technological delirium is the norm a world become unmistakably Ballardian *Studies in Short Fiction*, 1993

Jeroboam's Wife Dr. Robin Gallaher Branch, 2018-04-24 Much has been written about prominent women of the Bible such as Sarah Ruth and Esther But little attention has been paid to the obscure or unnamed women of the Old Testament whose words are not recorded Yet even while mute these women often played critical roles in the unfolding of God's plan at times signaling the emergence of great events In *Jeroboam's Wife* Robin Gallaher Branch introduces seven of these obscure yet noteworthy women and girls Through her careful examination of the literary contours of the biblical narratives she highlights their unique challenges and indelible contributions Drawing from contemporary biblical psychological and sociological scholarship Branch brings these women and their stories to life in fresh ways Thoughtful questions for personal reflection or group discussion help contemporary readers ponder how these women's lives are still relevant *The*
