Shut Up And Deal:

Shut Up and Deal Jesse May, 2013-03-06 In 1987 there was legalized poker in Nevada and in one county of California Author Jesse May was seventeen years old and already hooked By 1996 poker could be legally played in casinos in over twenty states of the union and five countries in Europe Legalization changed the face of poker and as the game came of age so did May who by 1989 had dropped out of the University of Chicago after one year due to irreconcilable differences between Tuesday and Thursday morning classes and Monday and Wednesday night poker games Based on his experiences in the strange world of poker May's debut novel *Shut Up and Deal* is the story of a nontraditional 90s slacker a dropout with an incurable obsession and incredible stamina who makes a career in a profession where the only goals are to stay in action and to not go broke In *Shut Up and Deal* a professional poker player takes readers along on his adventures over several years in and out of casinos and card rooms in locales such as Las Vegas Atlantic City and Amsterdam Told in a catching likeable voice this story offers up one rip roaring poker table drama after another with narrator Mickey ultimately finding himself in a spot that jeopardizes his entire bankroll and calls into question his morals such as they are In rhythmic high octane prose that is as addictive as the game it describes *Shut Up and Deal* zooms in on the swirling feverish microcosm of the contemporary poker world from its very first line and never cuts away

Shut Up, Stop Whining, and Get a Life Larry Winget, 2004-11-11

Shut Up Stop Whining Get a Life This is not your typical self help book You won't find any motivational platitudes or cute business parables here This is more of a get off your butt and get to work approach that can help you achieve more success make more money improve your business and have more fun Larry Winget doesn't pull any punches here He believes that business gets better when businesspeople get better through personal growth And it works the same way in your personal life husbands and wives improve each other when they improve themselves and kids improve when their parents do In other words everything in life gets better when you get better and nothing gets better until you get better This book can make you better but it will probably tick you off Winget is direct caustic and controversial You won't like or agree with everything he has to say Yet his advice is full of wisdom and truth that can't easily be argued with Words from *Shut Up Stop Whining Get a Life* that prove that this book is anything but typical If you don't have much going wrong in your life then you don't have much going on in your life When you work work When you play play Don't mix the two What you think about talk about and do something about is what comes about When it quits being fun quit Time management is a joke And that's just the beginning

Pitch Perfect (movie tie-in) Mickey Rapkin, 2012-09-04 A musical tale of collegiate a cappella filled of high notes high drama and high jinks that inspired the hit films *Pitch Perfect* and *Pitch Perfect 2* Get ready to be pitch slapped The roots of unaccompanied vocal music stretch all the way back to Gregorian chants of the Middle Ages and collegiate a cappella is over a century old But what was once largely an Ivy League phenomenon has in the past twenty years exploded And it's not what you think Though the blue blazers and khakis may remain a cappella groups at colleges across the country

have become downright funky In Pitch Perfect journalist Mickey Rapkin follows a season in a cappella through all its twists and turns covering the breathtaking displays of vocal talent the groupies yes there are a cappella groupies the rock star partying and all the bitter rivalries Rapkin brings you into the world of collegiate a cappella characters from movie star looks and celebrity size egos to a troubled new singer with the megawatt voice Including encounters with a cappella alums like John Legend and Diane Sawyer and fans from Prince to presidents Rapkin shows that a cappella isn't for the faint of heart or lungs Sure to strike a chord with fans of Glee and The Sing Off this raucous story of a cappella rock stars shows that sometimes to get that perfect harmony you have to embrace a little discord Rebellious Laughter Joseph

Boskin,1997-11-01 Rebellious Laughter changes the way we think about the ordinary joke Claiming that humor in America is a primary cultural weapon Boskin surveys the multitude of joke cycles that have swept the country during the last fifty years Dumb Blonde jokes Elephant jokes Jewish American Princess jokes Lightbulb jokes Readers will enjoy humor from many diverse sources whites blacks women and Hispanics conservatives and liberals public workers and university students the powerless and power brokers Boskin argues that jokes provide a cultural barometer of concerns and anxieties frequently appearing in our day to day language long before these issues become grist for stand up comics **Poker A.**

The Harry Bogen Novels Jerome Weidman,2018-10-23 Meet one of the most unscrupulous businessmen in American literature from a New York Times bestselling novelist and Pulitzer Prize winning playwright Set in Manhattan s garment district Jerome Weidman s debut novel *I Can Get It for You Wholesale* was a scathing satire of capitalist greed as personified by the shameless scoundrel Harry Bogen who became an archetypal figure in American literature the abrasive young man who would do anything to get ahead The New York Times Weidman s prose was praised by no less than F Scott Fitzgerald who called the book a break through into completely new and fresh literary

terrain a turning point in the American novel and Ernest Hemingway who enthused I think Weidman can write just a little better than anybody else that s around The book was a sensation and spawned an equally hard driving sequel What s in It for Me as well as a movie version and a musical starring Elliott Gould as Harry and featuring Barbra Streisand s Broadway debut The New York Times As relevant today as when they were first published in the 1930s both novels are now available in a single volume featuring a foreword by Alistair Cooke I Can Get It for You Wholesale The stage for this savagely comic novel is Manhattan s cutthroat garment district where six thousand manufacturers of dresses are crammed into a few blocks Their factories are cramped noisy and incredibly profitable and Harry Bogen is going to take them for all they re worth A classic conniver he knows that it s easier and a hell of a lot more fun to turn a buck by lying than by telling the truth First he convinces the shipping clerks the pack animals of the garment industry to go on strike With the dress manufacturers brought to their knees Harry will be there to pick them up again His conscience might be conflicted if he had one in the first place A slick job of writing as hard boiled as a twelve minute egg The New York Times What s in It for Me In this sharp witted sequel Harry Bogen is again up to his old tricks After Harry built his empire and became king of the garment district he blew it up leaving his partners in jail and securing the whole of the fortune for himself It takes only three months for Harry to find that retirement does not suit him His latest scheme starts with an order for one thousand dresses bought at cut rate price from a vendor who can t afford not to sell From there Harry raises the stakes juggling deals and spinning stories as fast as he possibly can Will he secure himself fortune everlasting or will this Napoleon meet his Waterloo *Dave Ramsey's Complete Guide to Money* Dave Ramsey,2012-01-01 If you re looking for practical information to answer all your How What and Why questions about money this book is for you Dave Ramsey s Complete Guide to Money covers the A to Z of Dave s money teaching including how to budget save dump debt and invest You ll also learn all about insurance mortgage options marketing bargain hunting and the most important element of all giving This is the handbook of Financial Peace University If you ve already been through Dave s nine week class you won t find much new information in this book This book collects a lot of what he s been teaching in FPU classes for 20 years so if you ve been through class you ve already heard it It also covers the Baby Steps Dave wrote about in The Total Money Makeover and trust us the Baby Steps haven t changed a bit So if you ve already memorized everything Dave s ever said about money you probably don t need this book But if you re new to this stuff or just want the all in one resource for your bookshelf this is it **Rethinking Capitalism** Michael Jacobs,Mariana Mazzucato,2016-07-21 Thought provoking and fresh this book challenges how we think about economics Gillian Tett Financial Times For further information about recent publicity events and media coverage for Rethinking Capitalism please visit <http://marianamazzucato.com/rethinking-capitalism> Western capitalism is in crisis For decades investment has been falling living standards have stagnated or declined and inequality has risen dramatically Economic policy has neither reformed the financial system nor restored stable growth Climate change meanwhile poses increasing risks to future

prosperity In this book some of the world's leading economists propose new ways of thinking about capitalism In clear and compelling prose each chapter shows how today's deep economic problems reflect the inadequacies of orthodox economic theory and the failure of policies informed by it The chapters examine a range of contemporary economic issues including fiscal and monetary policy financial markets and business behaviour inequality and privatisation and innovation and environmental change The authors set out alternative economic approaches which better explain how capitalism works why it often doesn't and how it can be made more innovative inclusive and sustainable Outlining a series of far reaching policy reforms Rethinking Capitalism offers a powerful challenge to mainstream economic debate and new ideas to transform it
