pursuit of perfection has never made her happy and probably never will And so she decides to start all over again burying herself alive in the middle of the bleak unforgiving wilderness that is Exmoor National Park She buys a wreck of a farmhouse with an original stable block 46 acres an ancient wood and a lake She rescues a nervous and abused but breathtakingly beautiful racehorse and hopes to live out the rural dream The reality of course is much much harder THE EXMOOR FILES is a funny honest often brutal real life account of what it is like to start all over again in an alien environment It is about discovering that you cannot find peace just by moving somewhere peaceful It is about mourning for a relationship and letting go of the life you thought you deserved
